Sir,

I have the honour to state that the total amount required for the payment of teaching grants to aided elementary schools for boys and girls for the current official year according to the rough estimates submitted by the inspecting officers comes to Rs. 21.33 lakhs in round figures. As there is a budget provision of only Rs. 19.89 lakhs under teaching grants to elementary schools for the current year and as the amounts provided for grants-in-aid -- teaching grants to elementary schools in the budget estimates of certain Municipal Councils for the current year will give a sum of Rs. 41,640/- an

Rs. 2641 B. from the D.P.D. No. 9870/18, 11.12.18

The Budget estimates for 1918-19 contains a provision of Rs. 89 lakhs under 22-G-Education-Grants-in-Aid-for the payment of teaching grants to elementary schools for boys and girls. That this allotment would prove insufficient for the payment of these grants ^{in full} even according to existing rates was anticipated by the D.P.D. when the budget for 1919-20 was submitted to Govt. The Director has accordingly provided for an increase of Rs. 80 lakhs under this item in the Revised estimates for the current year and of 1 lakh in the Budget for next year. According to the calculations since made by the D.P.D.; it appears that over a lakh of Rs. will be required in the current year ^{in addition} ~~more than~~ the budget allotment of 19.89 lakhs. ^(for actual needs.) It seems therefore necessary that the additional one lakh more asked for should be made available. The reappropriation of funds proposed may therefore

I. has separately proposed a total surrender of 1.58 lakhs from this source, so that the expenditure on building grants in the current year will be (3.63 - 1.58 or) 2.05 lakhs.

Submitted that the proposal may be accepted.
