Subject : Application for an additional subsidy of Rs. 1200 towards the construction of a building for the ~~the~~ Muh. elem. school.

(F) In G.O. No. 332, dated the 12th March 1918, the Govt. sanctioned a subsidy of Rs. 5000 towards the construction of a building for the municipal muhammedan elementary school at Chittoor. The chairman now states that the cost of the building amounts to Rs. 6200 and asks for an additional subsidy of Rs. 1200. The Council has not explained whether this additional expenditure cannot be met from its own funds. The budget estimate of the Council for the year 1918-19 ~~is expected~~ closes with a balance of Rs. 5850 or 18.2 per cent of the estimated normal receipts. The sum for

The Council's budget for the current year, as revised with reference to the actual opening balance, closes with a balance of Rs 7,773 under general funds or 24.3 per cent of the estimates ordinary receipts; and in 1917-18, the ordinary receipts of the Council exceeded the ordinary charges by Rs 5,823. The finances of the Council, therefore, seem to admit of the additional expenditure in the present case (Rs 1,200) being borne for

its own funds. Before informing
Home (Son) accordingly, the Council
may, perhaps, be asked to state
whether it cannot meet the
amount now required from its own
funds.

[No. 7758 In] from the C.M.C. Chittoor, No. 499, 312-1-18

Please see the Chairman's letter on pages 5-6 cf. It will be seen therefrom that the actual closing balance is expected to be only Rs. 2,790. which is much below the budget balance. The balance having thus diminished to such a small amount, it does not seem safe to ask the Council to encroach upon it for meeting the excess expenditure on the educational building. It is subd. that, in these circumstances, the application for a ^{supplemental} grant may be supported in this department & the file forwarded up to Home (Govt.) for necessary action.
