Sir,

(R) With reference to your letter No. 35, dated
the 11th January 1918, regarding Mr. Abdur Rahim of the
Madras Provincial Educational Service, whose services have
been lent to His Exalted Highness the Nizam's Government,
I have the honour to forward, for the information of the

Copy of letter No. 1732, dated the 29th August 1913, from the Assistant Minister in the Political Department of His Exalted Highness the Nizam's Government, Hyderabad, to the First Assistant Resident, Hyderabad.

Kindly refer to the correspondence ending with your letter No. 137, dated the 22nd January 1913, regarding the loan, to the Hyderabad State, of the services of Mr. Abdur Rahim of the Subordinate Cadre of the Madras Educational Service.

His Exalted Highness' Government understand that the Government of Madras had sanctioned the promotion of Mr. Abdur Rahim to the Provincial Educational Service at the commencement of the current year, but that according to the Government Orders notified in the Fort St. George Gazette, this promotion was to take effect only from the date of Mr. Abdur Rahim's reversion to the British Service.

The consequences of these orders to Mr. Abdur Rahim will be that, up to the date of his reversion, he will continue to be regarded by his own Government as being a member of the Subordinate Service, with the result that Officers, who are now junior to him, but who may, hereafter, be promoted to the Provincial Cadre, will, all of them, supersede him.

His Exalted Highness' Government are desirous of retaining the services of Mr. Abdur Rahim in the Educational Department of the Hyderabad State for a further period of 3 years, but owing to the circumstances pointed out above, they feel that his prospects under his own Government will be prejudicially affected by his retention in the service of this State.

His Exalted Highness' Government will therefore be obliged if the Government of Madras will kindly consider the question

4 W 2.
question whether it would be possible for them to give effect to Mr. Abdur Rahim's promotion from the date on which it was notified in the Port St. George Gazette, and allow him to earn his grade promotion in the Provincial Educational Service in the same way as he would have earned it if he had reverted to the British Service immediately.

Should the Government of Madras see their way to allowing the above concession to Mr. Abdur Rahim, His Exalted Highness' Government, would request the loan of his services, for their Educational Department, for a further period of 3 years, with effect from the date of the expiry of his present term. Otherwise he will be directed to return at the termination of that period, and report himself to the Madras Government for employment in his own Presidency.

With reference to your letter No. 2273A-2, dated the 24th October 1918, regarding the loan to the Hyderabad State of the services of Mr. Abdur Rahim of the Madras Provincial Educational Service, I have the honour to forward a copy of letter No. 2393, dated the 15th December 1918, from the Assistant Minister in the Political Department of His Exalted Highness the Nizam's Government, and to request you kindly to let me know whether the Government of Madras can see their way to sanction an extension of Mr. Abdur Rahim's

Copy of letter No.2393, dated the 15th December 1918, from the Assistant Minister in the Political Department of His Exalted Highness the Nizam's Government, Hyderabad, to the First Assistant Resident, Hyderabad.

Kindly refer to the correspondence ending with your letter No.2442, dated the 2nd November 1918, regarding the loan, to the Hyderabad State, of the services of Mr. Abdur Rahim of the Madras Provincial Educational Service.

I am now desired to enclose herein, an extract from letter dated the 1st December 1918, received from the Director of Public Instruction, from which it will be observed that Mr. Abdur Rahim's term of service in the Hyderabad State, expired on the 26th October 1918, but that it was not possible to relieve him on that date as His Exalted Highness' Government were unaware, at the time, that the Government of Madras would be unable to extend his term for a further period of three years.

It will further be observed that Mr. Abdur Rahim is not willing completely to give up the British Service and to be taken on permanently in State Service.

Under these circumstances, His Exalted Highness' Government consider it only fair that Mr. Abdur Rahim should not be made to suffer on account of the delay which has taken place in his reversion to British India, as it is not due to his fault.

I am, therefore, to request that, if there are no objections, you will kindly request the Government of Madras to be so kind as to grant an extension to Mr. Abdur Rahim up to the termination of the present Fasli month of Bahmon, that is, up to the 3rd January 1919 inclusive, as desired by the Director of Public Instruction. On that date he could be relieved and directed to re-join his post under the Government of Madras.

I am to request the favour of an early reply.

The other point to which I would like to draw your attention is the one mentioned in my Urdu letter No.1454 dated 17th Teer 1327 Fasli regarding the date of his appointment to the Provincial Educational Service. To this no reference has been made in the communication under reply. Consequently I am of opinion that we should again approach the Madras Government and ask them to date his appointment in the Provincial Service from the day on which his appointment by the Madras Government to the Provincial grade was notified in the Madras Gazette.

I enclose a letter from Mr. Glancy, Finance Minister to the Government of H.E.H. the Nizam, regarding the case of one Mr. Abdul Rahim. I asked Mr. Stone what answer I had better make and Mr. Stone has sent me the enclosed D.O. No. 161, dated the 4th of September 1918. From Mr. Stone's reply, it seems to me to be a matter which had better be dealt with by you under the orders of His Excellency and I, therefore, send these papers for necessary action and I am telling Mr. Glancy that I have done so.

My dear Sir Alexander

I have been asked to write to you about a question asked in the Legislative Council, Madras, regarding Mr. Abdur Rahim of the Educational department, Madras, whose services have been lent to His Exalted Highness' Government.

I am told that there is some danger of Mr. Abdur Rahim losing his grade in Madras owing to the delay on the part of His Exalted Highness' Government in dealing with his case. I understand the Educational department here wish to retain his services for another three years but that he is not prepared to stay on unless his promotion to the Provincial cadre in Madras is confirmed and his service here counted for grade promotions. It is possible, I imagine, that the Madras Government will not agree to such an arrangement, in which case we shall have to let him go.

Mr. Ross Masud, the Director of Public Instruction here, had some conversation with Mr. Stone on the subject, and understood that Mr. Stone was prepared to support the

My dear Cardew,

With reference to your letter of the
24th August about Mr. Abdur Rahim, the matter
stands thus.

1. Mr. Abdur Rahim's services were
lent to Hyderabad for three years and that term
expires on 27th October 1918.

2. He was appointed Assistant
Inspector of Schools in the Ninth Grade of the
Provincial Educational Service on 11th July 1918,
the promotion to have effect from his joining his
new post.

3. In a recommendation roll of the
27th November 1917 I suggested that the Nizam's
Government should be moved to let him return to
Madras, but subsequent to that in conversation

An official letter has also since been received from H. E. Attention is solicited to para. 5 of the Hon. Mr. Sturdis. on p. 5 ante. His suggestion that H.E. H. Nizam's Govt. might either give Mr. Abdul Rahim a permanent engagement or let him return to Madras seems reasonable. Before however giving a definite reply to the Resident, the official letter now received may perhaps be referred officially to the present Director. A draft endorsement is submitted?

2. If a formal reference to the Director is considered unnecessary

the draft reply to the Resident placed below is for approval.

We may reply in the terms of the D.P.D. D.O. draft letter to Resident for approval

I said I would not oppose longer deputation for Abdul Rahim, but have received no formal request for an extension of the three year period.

5. It does not seem to me that Abdul Rahim should get the advantage of being in the Madras Provincial Educational Service without actually working in it - even if that is possible. Hyderabad has had him long enough to know whether they want him permanently and they very well might ^{either} ~~either~~ offer him such a permanent ^{engagement} ~~employment~~ as would make it worth his while to stay with them or let him return to Madras where he is certainly wanted.

second the officer and give him due promotions in the list. So that if it be decided to lend about Ralun's services to the Hyderabad Durbar, there can be no objection to grant him the concessions he prays for.

2 The real question for decision therefore is whether the loan of his services for a further term of three years can be sanctioned. The Durbar is anxious to retain his services. Vide also Mr. Glaney's do. Per contra see the remarks in page 7 of G.O. 34 A of 11/1/1902. He is represented to be an able & conscientious officer. He is getting in Hyderabad 350-500 ³⁹⁵ ~~now~~ ^{now}. But it is proposed to give him here a 200 R post because he was willing to revert.

He has had 3 years special work in Hyderabad; he is getting ³⁹⁵ ~~200~~; he is a good officer; The Durbar needs his services on account of his special experience. Evidently Mr. Stone has no objection to further deputation. The only objection is to gazette him to P.E.S. during his absence. Such appointment as I have stated above is not

Contrary to practice

3. Can we not oblige H.E.H.'s friends
in this simple matter? Yes

18/9/19

Dr G (no)

The question is whether H.E.A.'s proposal is 1. has the advantage of Abdul Bahim Sahib's services for another term from at the expense of the Educational ^{and} of this Department. At the end of his D.D. Sir Ebenezer Cardew M.C. Storr remarks that Abdul Bahim is certainly wanted in this Presidency. There is a lack of Mahomedan fiduciaries of posts & in the interests of the Department I would advocate his return. Of course it is left to the local government to decide but his promotion to the Provincial Educational Service will take effect from any date that they choose without making it conditional on his joining his new post. But if this is done, Abdul Bahim has the advantage of being in the Provincial Educational Service & the Education Department loses the benefit of his experience.

2. The officer in question being a Muhammad
is wanted in this Presidency. But
it is not clear that Mr. Stone has
been against his deputation, provided
he does not claim a promotion
(on paper) to the P. E. S. Legitimely
he objects to the officer working
clearly gaining steps in promotion here.

3. In this particular instance, however,
there are some considerations the
other way. In the first place he
is now drawing Rs 395 (on a
scale going to 500); we wish him
to revert to Rs 200. Secondly H.E. H.
the Nizam's Government wants his services.
Under present circumstances I think
that we should try to oblige the
Durbar in this simple matter.
He has done useful work and he
particularly useful in carrying on
the work.

4. All the officer requires is that
