Subsidy

Sanctioning the distribution of a further — of Rs. 155 among certain municipal councils for opening night schools.

READ—the following paper :—

Letter—from the Hon'ble Mr. H. S. DUNCAN, M.A., Acting Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—Madras, the 5th December 1918.

No.—R.C. 1110.

In paragraph 2 of my letter R.C. No. 1110, dated 9th November 1918, I stated that in connexion with the proposals called for with regard to the utilization of the Imperial recurring grant of Rs. 5.5 lakhs, the Chairman, Municipal Council, Coimbatore, had suggested the opening of a night school but that in view of the specific provision made in the current year's budget for opening night schools this expenditure had been incorporated in my consolidated proposals for opening such schools. In the course of the examination of the proposals received from the various local bodies for opening new elementary schools it has since been found that night schools have been included therein by the Chairmen of Nellore, Trichinopoly and Vizianagram Municipal Councils. The opening of a night school in each of these three municipalities has already been sanctioned in G.O. No. 1254, Home (Education), dated 20th September 1918, but Nellore and Vizianagram ask for an additional school each and Trichinopoly for two. For the reason adduced in the case of Coimbatore and in view of the desirability of bringing all the night schools under one scheme, I have excluded these night schools from my proposals for opening new elementary schools and strengthening existing ones which were submitted to Government in my letter R.C. No. 4568, dated 29th November 1918, and have the honour to request that Government may be pleased to sanction the opening of two night schools in the Trichinopoly municipality and one each in Nellore and Vizianagram at the places and at the cost specified in the margin. The annual cost of Rs. 207 for each of these schools is made up of the same items as in the case of the other night schools, namely, one teacher on Rs. 11 per mensem, annual contingencies Rs. 50, annual capitation allowance Rs. 25. The subsidy required for two months of the current year, viz., Rs. 124, may be met from the balance of the provision of Rs. 11,000 in the current year's budget for opening night schools and the annual cost of Rs. 828 from 1919-20 onward may be met from the provision for subsidies to local bodies, unless Government raise the specific budget provision for this purpose correspondingly.

If these proposals are approved by Government, I request that the Accountant-General may be authorized to place the amounts specified in the margin at the disposal of the municipal councils concerned.

Municipality.	Place at which the school is to be opened.	Annual cost.	Cost for two months during 1918-19.
Nellore	Stenchumpet	Rs. 207	Rs. 31
Trichinopoly .. .	1. Manikara street	207	31
	2. Chintamani	207	31
Vizianagram .. .	Hukunpet	207	31
	Total	828	124

2. In the course of paragraph 2 of my letter R.C. No. 1110, dated 9th November 1918, it was stated that a fourth night school proposed for Conjeeveram [three having been already sanctioned in G.O. No. 1254, Home (Education), dated 20th September 1918] had been excluded from my consolidated proposals. Apart from the fact that Conjeeveram has already three night schools, I see no objection to a fourth night school being sanctioned, and if Government agree in this view the cost may be fixed at Rs. 207 per annum and at Rs. 31 for the current year.

Order—No. 1676, Home (Education), dated 27th December 1918.

The Government sanction the distribution of a further subsidy of Rs. 155 among the municipal councils detailed in the annexure to these proceedings to enable them to open the five night schools specified therein.

2. The Accountant-General is requested to place the amounts mentioned in column (10) of the annexure at the disposal of the municipal councils concerned at an early date.

3. The expenditure will be met from the provision of Rs. 11,000 for the opening of night schools under 22. Education in the Civil Budget Estimate for the current year.

HOME (EDUCATION) DEPARTMENT.

From the Director of Public Instruction, R.C. No. 1110, dated 5th December 1918.

There is a provision of Rs. 11,000 in the current year's budget for the opening of night schools. Against this the Government have till now sanctioned the following :—

	Annual cost.
	Rs.
Thirty-three night schools (G.O. No. 1254, dated 20th September 1918).	7,811
Eighteen night schools (G.O. No. 1570, dated 9th December 1918).	3,726
Total	11,037

The Director of Public Instruction now states that he has received applications for subsidies for the opening of five more night schools in the undermentioned municipalities :—

Nellore	1
Trichinopoly ..	2
Vizianagaram ..	1
Conjeeveram ..	1
Total	5

The Government have already sanctioned the opening of one school in each of the first three municipalities and of three schools in Conjeeveram (G.O. No. 1254, dated 20th September 1918). The schools now asked for are in addition to those already sanctioned. The cost of the five schools proposed is estimated at Rs. 1,035 per annum and the amount required for two months of the current year is Rs. 155. The latter sum may be found from the provision of Rs. 11,000 in the current year's budget for night schools. (For the schools already sanctioned only a sum of Rs. 3,614 is required in the current year.) As regards the expenditure next year, the Director of Public Instruction states that it may be met from the total provision for subsidies to local bodies unless the Government raise the specific budget provision for night schools. It is submitted that if the five additional schools now proposed are sanctioned it is desirable to increase the provision in the next year's budget by a corresponding amount. There are several cases in which it has been decided to meet additional expenditure on subsidies from savings in the next year's total provision for 'subsidies to local bodies.' As the amount involved in the present case is more than Rs. 1,000, the Financial Department will have to be asked to provide the necessary additional allotment. The proposals may be approved and the file may be sent to the Local and Municipal and Financial departments for remarks.
