N.C. No. 1485/18

Station MADRAS, Dated the 30 April 1918. 191

From (Name) The Hon'ble Mr. J.H. Stone, M.A., F.R.H.S.,
C.I.E.,
(Designation) Director of Public Instruction

To The Secretary to the Government of Madras,
Home (Education) Department.
Sir, Through the Accountant General, Madras.

I have the honour to request that you will be so good as to obtain the sanction of Government for the employment with effect from 1-7-18 of an assistant Professor in the Presidency College, Madras, in the V grade of the Subordinate Educational Service, Collegiate branch, to do work partly in the English department and partly in the Philosophy department.

2. The principal reports that the Professor of English considers that the Intermediate students require questioning as well as lecturing on the text books prescribed for detailed study and that to enable the former to

to be done, the classes, which contain nearly 100 students each should be rendered manageable by being split up. The duplication of the classes ^{is} considered desirable for composition work also which too requires individual attention.

3. Further it was represented in 1914 that the staff of the Philosophy department of the college, which consisted of a Professor and two Assistants, was inadequate to cope with the work of the department. But I did not then apply for any additional staff as the necessity was not such as to justify the entertainment of a full-time Assistant. It is now proposed to appoint a man who could help the English Department and also the Philosophy Department.

4. I beg to submit herewith a statement showing the sanctioned strength of the several grades of the collegiate branch of the subordinate educational service and to state that the necessary re-appropriation statement to meet the pay of the Additional Assistant at Rs.100 per mensem will be submitted on receipt of the Civil Budget estimate for the current year.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Srinivasan

For Director of Public Instruction.

Chs. 12/34 from the D.P.S. R.C. no 14008 25/10
Subject - Employment of an additional lecturer
 in the Presidency College maoas.

The D.P.S. ~~has~~ ^{has} ~~not~~ ^{not} ~~proposed~~ ^{proposed} a request
 sanction for the employment of an additional
 lecturer in the S. S. S. Collegiate (non-I grade)
 in the Presidency College to do work partly in
 the English department and partly in the Philosophy
 department. The necessity for the so as far as
 the former department is concerned is related to be
 due to a proposal to divide the ^{intermediate} classes which
 contain a large number of students for the ~~purpose~~
 purpose of questioning on text books prescribed for
 detailed study and for composition work. ~~Other~~
 The Director has not ~~proposed~~ ^{proposed} ~~to~~ ^{to} ~~propose~~ ^{propose}
~~whether~~ ^{whether} the additional
 work could not be undertaken by the existing staff.
 Presumably it is not possible.

2. The Director ~~has~~ ^{has} merely says that the
 staff of the Philosophy department is inadequate
 to cope with the work. He has not offered any
 specific reasons. It is however observed that
 in connection with the reorganization of the Presidency
 College on the introduction of the new University
 Regulations ^{in 1907} the Professor of Philosophy suggested that
 the strength of the department might be raised from
 2 to 4; but the Director recommended the addition

of only one assistant professor, one of the grounds being that moral science attracted comparatively few students - page 6 of L.P. no. 31 Ed. of 11.1.09. Accordingly only one additional assistant was sanctioned in this order. As will be seen from the statement below the number of students taking philosophy at present has exceeded the original estimate: -

	Intermediate classes	B.A. Pass Course	B.A. Honours Course
No. of students estimated for in 1909	25 in each year	10 in each year	6 in each year
No. of students in 1915-16	1st year 28 2nd " 42 3rd " ..	25 23 "	3 11 4
No. of students in 1916-17	1st year 30 2nd " 25 3rd " ..	28 23 "	3 3 10

3. It seems however desirable to obtain from the D.P. a statement showing how the assistant professors are now employed in both English and Philosophy departments and how the work will be distributed on the appointment of an additional assistant. A draft memorandum is submitted for approval.

In 1909, the Professor of ~~Physics~~ Mental and Moral Science applied for 2 extra Assistants in view of the change in the University regulations, but the D.T.I recommended only one extra asstt. It is stated that the no. of students attending this branch has increased and that a part-time Assistant is necessary. It is also stated that for the reasons given in para: 2 of the D.T.I's letter ^{in CF} that the English classes require a part-time Asstt. The proposal to sanction an addl asstt ^{after both rules} to ~~att~~ to both the work may, it is
