To

The Secretary to the Government of Madras,
Home (Education Department),
Fort St. George, Madras.

Sir,

(K)
With reference to the correspondence ending with your letter No. 1064, dated the 18th August 1917, regarding research for the Indian Munitions Board by certain chemists employed in Collegiate institutions, I am directed to forward for the information of His Excellency the Governor in Council a copy of the proceedings of a conference held at Lahore on the 8th January 1918 for the consideration of the organisation of chemical research in India.

2. As the organisation of scientific research in India has recently been the subject of discussion in connection with the enquiries of the Indian Industrial Commission I am to suggest that copies of the proceedings of the conference may be distributed to the Director of Public Instruction and to the officers of the provincial departments of agriculture and industries.

I have the honour to be,
Sir,
Your most obedient servant,
