Read the following papers:-

- From the Chairman, Municipal Council, Tiruppattur, No.152, dated 14th April 1917.
- From the same officer, No.152, dated 11th October 1917.

Order:-

The Government consider that the scale of pay proposed by the Tiruppattur Municipal Council might be revised further so as to attract properly qualified masters for its high school. They accordingly sanction the following scale of pay instead of that proposed by the Council:-

Head master	125-5-150	6th Assistant	30-2-40
1st Assistant	90-4-110	7th ..	30-2-40

4th ..	50-2-60	10th ..	25-1-30

Subject.--

Revision of the scales of pay of some of the teachers in the municipal high school.

From the Chairman, Municipal Council, Tiruppattur, No.152, dated 14th April 1917.

Endorsement of the Director of Public Instruction, No.3445, dated 4th July 1917.

From the Chairman, Municipal Council, Tiruppattur, No.152, dated 11th October 1917.

Register Nos.4927 M.
6855 M.

The additional burden on the Council's funds (after deducting the grant of Rs.500 applied for) comes to about Rs.1000 annually. (If the lower scale of Rs.150-5(Biennial)-175 suggested by the Director of Public Instruction be adopted, it will be Rs.820 per annum). The municipality has been working during the last three years at an average annual deficit of about Rs.430 and the Council does not seem to be in a position to meet this extra charge. As it is not stated how the Council proposes to meet the extra cost involved information on the point may first be called for from the Chairman.

Yes.

V.T.K.

2. The revised proposition statement submitted by the Chairman with reference to O.M.No.4927-1 M, dated 30-7-1917, does not show all the proposed alterations. It embodies only those items mentioned in the memo. The Chairman may be asked to submit a complete proposition statement in duplicate.

3. A draft memo is submitted for approval.

(Memorandum No.6855-1 M, dated 25th October 1917).

(C.No.1494 M) from the Chairman, Municipal Council, Tiruppattur, No.152, dated 26th December 1917.

The average recurring expenditure involved in the revision is as follows:-

(1) If the Headmaster's pay is fixed at Rs.150-5-200, as proposed by the Council.	Rs. 1,500
(2) -----do----- at Rs.125-2 $\frac{1}{2}$ -150 as proposed by the Council.	1,020
(3) -----do----- at Rs.150-5-175 as proposed by the Director of Public Instruction.	1,320

The Chairman states that the Council is unable to meet the additional cost from its normal income and requests that an annual grant of Rs.500/- may be paid from Provincial funds for meeting it. The extra cost, however, exceeds Rs.500/- and as pointed out in para 1 on page 1 supra, the Council's financial position is so bad that it cannot meet any portion of the excess.

2. The Inspector of Schools and the Director of Public Instruction, however, think that the proposed revision is necessary to attract the right kind of teachers. Perhaps it will be sufficient to fix the pay of the headmaster at Rs.125-2 $\frac{1}{2}$ -150 or better at Rs.125-5/A-150. In the latter case, the additional cost of the whole revision will be Rs.1044 per annum. The revision proposed may be sanctioned with the modification suggested above if Home (Education) can make a recurring grant of the whole of the additional cost. That Department may be consulted U.O.

Submitted that the remarks of the Director of Public Instruction may be invited U.O. on the proposals.

2. He formerly recommended a grant of only Rs.500/- (page 12 c.f.) while Local and Municipal now ask for a subsidy of the entire extra cost.

A decided improvement in the scale of pay is certainly desirable. It is also desirable that so far as possible the scales of pay in Board secondary schools should be the same and therefore suggest that this scale should be made the same as that for the new secondary board schools to be opened this year. I therefore suggest the following scale:-

Head Master	...	...	125-5-150
I Assistant	...	...	90-4-110
II „	...	...	80-4-100
III „	...	...	80-4-100
IV „	...	...	50-2-60
V „		...	40-2-50
VI „	...	...	30-2-40
VII „	...	...	30-2-40
VIII „	...	...	30-2-40
IX „	...	...	25-1-30
X „	...	...	25-1-30

I further support the Council's application for the whole additional cost of Rs.1,560 per annum being met by a provincial subsidy which may come out of the Rs.11 lakh which is that portion of the Rs.41 lakh to be paid in grants to secondary schools at the discretion of the Director earmarked for schools under board management. This proposal of course supersedes those previously made.

Home (Education) Department.

It is observed that in the proposition statement on page 26 of c.f. the tenth assistant of Rs.25-1-30 has been omitted both from the existing and proposed scales apparently for the reason that the scale of pay is not affected by the present proposals. In the calculation of the additional cost, the Director of Public Instruction has, however, taken this erroneous

proposition statement as correctly representing the present scale. The actual additional outlay involved by the Director's scale is Rs.1,224 or Rs.1,200 in round figures. For orders whether a subsidy of this amount may be sanctioned from the source indicated by the Director of Public Instruction with the concurrence of Local and Municipal and Financial. The school is not at present self-supplying.

2. It is presumed that the Local and Municipal Department will have no objection to the adoption of the scale on page 3 ante. If Local and Municipal adopts the revised scale we may agree to pay the increased subsidy of Rs.1,200.

For the Assistant Secretary.

It is proposed to revise the scale of pay of teachers in the municipal secondary school, Tirupattur, and to sanction a recurring subsidy of Rs.1200 per annum to the municipal council towards the extra cost involved in the revision.

2. Please see the scale of pay suggested by

by the Director of Public Instruction on ante. The increments proposed are all biennial. The average cost has not been worked out correctly in the proposition statement at page 26 C.F., and the correct figures are as shown under:-

Rs.7,060 p.a. Rs.8,304 p.a.
Extra cost p.a. Rs.1,224.

- The extra cost is Rs.1,224 p.a. The Director of Public Instruction says that this is the scale which he has recommended for new Board Secondary schools to ~~xxx~~ be started in the current year. The scale seems reasonable -- having regard to the paucity of trained teachers, and the scale already in force in other secondary schools - C.F. statement at flag-T. The Sub-committee appointed by the Municipality proposed a less favourable scale, but the Municipal Council wanted to give the maximum of the - scales to some of the existing incumbents. Moreover the maximum pay of Rs.80/- proposed by the Director of Public Instruction for a B.A.,L.T. seems reasonable. The pay of the 10th Assistant may

96
may perhaps be placed at Rs.20-1-25 which is the present pay

of the 9th Assistant.

3. This Department may, if it is submitted, agree to the subsidy of Rs.1,200 per annum and to its being met from the sum of .41 lakh to be paid in grants to secondary schools at the discretion of the Director of Public Instruction.
