Sir,

I have the honour to submit the enclosed plans (bearing this office Nos. 22 E/1, 22 E/2 and 22 E/3) with estimates amounting to Rs.6,500/- for extensions to the building occupied by St. Mary's European High School, Georgetown, Madras, and to recommend that under article 57 of the Code of Regulations for European Schools, a half grant not exceeding Rs.3,250/- may be sanctioned payable when funds are available. The Inspector of European and Training Schools considers that the extension proposed provides some much needed additional accommodation.

I have the honour to be, Sir,
Your most obedient servant,

R. A. Arne.

for Director of Public Instruction.

P.V.S. 7/3.

Note by the Chief Engineer, P.W.D.

10/8907/1.6.18

The Director of Public Instruction submits three Drawings bearing D.P.I.Nos. 22-E/1, 22-E/2 and 22-E/3 and a detailed estimate amounting to Rs.6,500 for a grant-in-aid towards the cost of extending the building occupied by St.Mary's European High School, George Town, Madras.

II The drawings and the estimate have been examined in the Chief Engineer's office and it is observed that provision is made therein for a roof consisting of Mangalore tiles secured to kaka teak respers laid over corrugated iron sheets. The corrugated iron is at present expensive and might be dispensed with if increased slopes are given to the roofs *other details of the roof are suitably altered*

III Care must be taken that sufficient slope is given to the gutter between the two roofs D.P.I. No.22-E/1.

IV The Superintending Engineer should satisfy himself as to the nature of the soil and the suitability of the foundations.

V With these remarks, the drawings and the estimate amounting to Rs.6,500 are recommended for approval.
