Station Madras, Dated the 2nd May 1918

From (Name) The Hon'ble Mr. L. H. Stans, M.A., D.P.S., C.I.E.,

(Designation) Director of Public Instruction

To The Secretary to the Government of Madras,

Home / Education / Department.
Through The Accountant-General

Sir,

I have the honour to request the sanction of Government to the following proposals in connection with the Domestic Science classes for European schools.

2. The period for which the retention of Miss. Kenny's services as temporary lecturer in Needlework and Dress-making was sanctioned in G.O.No. 553 Home / Education / dated 30th April 1917 expired on the 30th April 1918, and I do not intend to ask for further retention of her services, as apart from any question of Miss

Kenny's suitability, I do not consider that a separate lecturer is now essential exclusively for Needlework and Dressmaking. I propose to place the whole

Domestic Economy work including Needlework and Dressmaking in charge of Miss Harding who was appointed as temporary lecturer in Domestic Economy during Miss Park's absence (vide G.O.No.

- (F) 1408 Home /Education/ dated 9th November 1917 and G.O. No. 27
(G) Home /Education/ dated 9th January 1918) and to give her an assistant. The proposal involves additional work and increased responsibility for Miss Harding and for this reason while she desires to stay on in the Department, she asks for an enhancement of her present salary of Rs. 300 per mensem. Considering that Miss Park's original salary of Rs. 300 was subsequently raised to a maximum of Rs. 350 (vide G.O. No. 1141 Home /Education/ dated 31st October 1916) without increased work and responsibility, I consider Miss Harding's request reasonable and beg to recommend that her salary may be raised to Rs. 350 with effect from 1st May 1918.

It is necessary that Miss Harding should have an assistant to enable her to manage the whole work and I beg accordingly to request the sanction of Government for the employment of an assistant lecturer on Domestic Economy on a salary, for the present, of Rs. 100 per mensem + Rs. 25 for carriage allowance.

2. The extra charges involved by the above proposals can be met from the provision of Rs. 3600 made for the salary of the a lecturer in Needlework and Dressmaking in the budget for the current year.

I have the honour to be,

Sir,

2. There is no audit objection to the proposals of the Director of Public Instruction being sanctioned by Government.

3. The proposal to utilise the saving in the provision for the salary of a Temporary Lecturer in Needlework and Dressmaking, to meet the extra ~~EXPENDITURE~~ cost on account of the carriage allowance recommended for the assistant to Miss Harding (vide last paragraph of the Director of Public Instruction's letter) involves a reappropriation of grants from "salaries" to "Allowances". This requires the sanction of Government in the Financial Department.

Subject-

Reorganization of the Domestic Science classes for European schools.

[Cre. 102115]. From the S.P.D. No. 3305 to the 2-5-18.

The domestic science classes for European schools are now conducted by two lecturers - one on domestic economy and the other on needlework and dress-making. The former ^(was till recently) given a salary of Rs 350 ^(but is now given Rs 320 as stated below) and the latter Rs 300 p.m. The lecture on domestic economy (Miss Park) was granted leave without allowances towards the end of last year and Miss C. M. Hardwig was appointed in her place on a salary of Rs 300 p.m. The term of appointment of the lecturer in needlework and dress-making (Miss Kenny) expired on the 30th April 1918.

2. The S.P.D.'s present proposals are - ① to do away with the separate lecturer in needlework and dress-making, ② to entrust that work to Miss Hardwig, lecturer in Domestic Economy, ③ to increase her pay from Rs 300 to Rs 350 as in the case of her predecessor, in view of the increased responsibility to be thrown on her and ④ to give her an assistant on Rs 100 + Rs 25 for carrying allowance. Under the existing arrangements the two lecturers together cost Rs 600 p.m. but according to the Director's proposals the total cost is only Rs 475 p.m. financially the arrangement is economical. The S.P.D. is apparently satisfied that

For the Asst. Secy.

As pointed out in the Home (E.S.) Dept. note above, the new arrangements proposed by the D.P.D. are cheaper than the in force till now. The proposals and draft order may, if it is submitted, be accepted, subject to the following remarks:

(1) The scheme for the extension of work in domestic science in connection with European schools has been at present sanctioned only up to 31-12-18. (S.O. 1015 Home (E.S.) 20.9.16). Perhaps it may be specified in the draft that the increase of to Miss Harding and the employment of new assistant are also sanctioned up to 31-12-18.

(2) The lecturers in Domestic Science have not hitherto been granted an

carriage allowance. No special reasons have been adduced for the grant of such an allowance to the new Assistant proposed and it is for orders whether Home Dept. may be requested to ask the D.P.D. to justify it in fuller detail.

(3) The D.P.D. has indicated the source from which the extra cost will be met.

The A.G. points out that the sanction of Govt in the Finl. Deptt is required to the reappropriation. Home

(Ed.) (Int.) may be requested to substitute the following for para: 3 of the draft: "The reappropriation of funds proposed by the D.P.D is sanctioned."

It will be sufficient if the order is communicated to the A.G. by this Deptt.

Miss Kenny did not get it, nor is it for para 3 for Miss Harting. It might be re. para 3 in the case of the Am. in Lond. The D.P.D. can return to this charge if he wishes.
