The Fourth Presidency Magistrate.

Sir,

I am an attender on Rs.12 per mensem and I have put in a total service of 11 years in the Presidency Magistrates' Courts, Madras. During this period I have become conversant with all the routine work of this Office and I have been all along assisting the Summons Clerk in Summons work and also in the preparing of Calendar work. Although I am an Attender, I have been practically doing a clerk's work and that too many a time independently. By virtue of a Government Order, now abrogated to my great misfortune, which enabled an unpassed man eligible for appointment in the superior service on Rs.20, a brother attender of mine was appointed three years ago as clerk in this Office on Rs.20 and was recently permitted by the benign Government to hold appointment up to Rs.35 in the superior service. That brother attender of mine has now a chance in the near future of being promoted to Rs.25. By the recent order of Government, that the minimum education qualification for appointment in the superior service should be S.S.L.C., I am now debarred from being promoted to the appointment on Rs.20 unless Government exempt me for it. In this connection, it may not be out of place, if I should submit, that I belong to a family very loyal to Government, as my paternal uncle who has put in a service of nearly 37 years, is still a Muchi on extension in the Presidency Magistrates' Court. He is shortly to retire from service and I am the only other male member to support my big family.

In the circumstances I request that the benign Government may be pleased to declare me as eligible for
