To The Secretary to the Government of Madras,

Home (Education) Department.

Sir,

With reference to your Memorandum No. 670 B-4 dated 2-5-18 forwarding a copy of question No. 76 asked by the Hon'ble Sri Sobha Chandra Singh Deo at the meeting of the Legislative Council held on the 3rd April 1918 on the subject of the teaching of Uriya in the Mrs. A.V.N. College, Vizagapatam, I have the honour to submit herewith a copy of my letter to the Secretary, Uriya Samaj, Ganjam, (Dis.No. 2507 dated 26-4-18) on the subject.

I have the honour to be
Sir,
Your most obedient servant,

W. K. S. S. S.
for Director of Public Instruction

R.C. 27-5

P. J. O.

Letter Dis.No.2507, dated 26-4-18 from the Director of Public Instruction to the Secretary, Uriya Samaj. G a n j a m.

The Secretary, Uriya Samaj, Ganjam is informed that in his report on the inspection of the Mrs. A.V.N. College, Vizagapatam, conducted in the middle of February last the Inspector of schools, 1st ~~circle~~ *circle* has stated that there are very few genuinely Uriya boys in the institution and that there does not seem to be a real need for the teaching of Uriya. This view is borne out by the fact that there are at present according to a report from the Principal of the college, only 16 Uriya boys distributed among the several classes of the school department excluding 18 Sishta ^m ~~Kamams~~ who are Telugu speaking boys. The Inspector has also added in his report mentioned above that the progress of the few boys who have changed from Telugu to Uriya is very bad. Further it does not appear from the Secretary's letter that any representation has been made to the Samaj on the subject of dropping the teaching of Uriya in the college. In these circumstances the Director does not consider that any attempt at interference with the discretion of the authorities of the college would be justified.

The Hon'ble Sri Sobha Chandra Singh Dec.

74 Q.—(a) Are the Government aware that in compliance with the representations of the Uriyas, the college authorities of the local college in the Vizagapatam town appointed an Uriya pandit some eight years ago to meet the want of the Uriya students of the college,

(b) That owing to the remarks of the Inspector of Schools, I Circle, that the paucity of the Uriya students in the college did not justify the provision for teaching Uriya in the college, the college authorities now propose to dispense with Uriya vernacular teaching in the college at Vizagapatam?

75 Q.—Will the Government be pleased to direct the retention of the existing arrangement regarding the teaching of Uriya in view of the fact that there are 40 Uriya students in the college paying a total monthly fee of Rs. 150 while the Uriya pandit teacher is paid a monthly salary of Rs. 25 and the fact that the backward Jeypore Agency where Uriya is the prevailing school language requires the continuation of Uriya vernacular culture in the higher classes in the college at Vizapatam, the only college affording facilities for the teaching of Uriya and that it is undesirable to cut off the only means of developing the local supply of Uriya teachers for the Jeypore Agency whose want has hitherto seriously hampered the educational progress of the Uriyas in these tracts?

[Meeting of 3rd April 1918.]

The College referred to in the question is apparently the Mrs A. V. N. College, Vizagapatnam. It is a private institution under the management of a Committee and is aided by the Govt. The appointment of the members of the Staff and their removal vest entirely in the Committee; and the Govt. are not kept informed of ^{the details} ~~the details~~ connected with the management of the ~~the~~ ^{the} College. They have therefore no information whether Mr Krishna Pandit was appointed eight years ago and whether it is now proposed to do away with the Pandit's appointment. As the Additional Member does not ask for an enquiry in the matter or suggest any other action he may be reported to as follows: -

they have to have a scheme preliminary to this course which is probably the real reason for delaying the larger matter. If however they really have 400 boys - then it is doubtful whether they ought to have done it. Perhaps the best answer would be that Govt. have no information as to how the matter finally will be handled if this file were given me in Council. 1/21 in 18
