From (Name) The Hon'ble Mr. J.H. Stone, M.A., F.R.H.S.,

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

Home (Education) Department.

Sir,

With reference to G.O.No.518 Home (Education) dated 23-4-18, I have the honour to state that the Hon'ble Rao Bahadur V.K. Ramanuja Acheriyar has again written to me urging that in as much as the order to discontinue the grants was issued only in January last he has a reasonable claim to receive the teaching grant of Rs.605 assigned to the Sri Saraswati Patasala for 17-18, further continuance of the grant being contingent upon the placing of the school under definite management.

P.T.O.

as laid down

in G.O. 518 dated

Discontinuance of

[6-1108/18] from the D.P.D., P. 6-112/2-18, 23.5.18.

The question for consideration is whether the teaching grant of Rs 605 assigned to the Patasalai for 1917-18, during the greater part of which it remained under the management of the Theosophical Educational Trust, can now be paid to it. This point was specifically considered at the time of passing G.O. No. 518 Edn., d/23rd April 1918 and it was held that the orders in G.O. No. 1296 Edn., d/12th Oct. 1917 precluded the payment of the grant. Vide Registrar's note at 'K' at p. 4 of the G.O. (14).

The present contention of the holder, Rao Bahadur V. K. Ramaswami, Acharyar, which is supported by the D.P.D., is that as notice of discontinuance of grant to the school was issued only in January 1918, the school can reasonably claim the grant assigned to it for the year 1917-18. If this argument of belated notice is allowed to pass, it must hold good in the case of all the institutions

In my letter R.C.No.112/3/18 dated 25-3-18 read in the G.O. quoted above orders were requested as to whether the grant assigned to the school for the last year might be paid, and though I must assume that the G.O. was passed on a due consideration of the specific point raised, I beg leave to submit that it seems to me that there is considerable force in the correspondent's argument set forth above. It is therefore requested that you will be so good as to obtain the orders of Government as to whether the last year's grant of Rs.605 may not be paid on the analogy of the Olcott Panchama Training school under Miss C. Kofel's management because the Theosophical Educational Trust met none of the expenditure.

I have the honour to be,

Sir,

Your most obedient servant,

over which the Theosophical Education
-al Trust had control originally.
Orders are therefore solicited whether
the Govt. would be prepared to
restitute the grant to the school.

There is no true analogy between
this & the case of the Christ Church
near Training School since in the
latter case the Govt. were given a definite
assurance that the Theosophical Trust
had never exercised any control
over the institution.

The Pauchama's school question is
entirely different. More schools were
never under the T.E.T & were entirely
under Miss Kofel's management

2. No one, on the other hand, can
dissociate the Hon'ble Mr. V.K. Ramanujachari
from his theosophy.

3. So far as claims are concerned,
there can be no legal claim.

4. If the argument advanced be
conceded, we shall have to give in
