Subject Requesting sanction for the local purchase of an English publication.

For the Registrar

According to paragraphs 90 and 93 (supp. 24) of the Stationery Manual, Vol I, "books published out of India, which are required for use in public offices, shall, unless in case of emergency, be procured from Messrs. Baker & Co, through the Supdt. of Stationery." In the present case, the A. A. S. for Epigraphy does not state that there is any urgent necessity for the book. Apparently the book, as the name indicates, is required for reference in connection with research work by the A. A. S. Further there would be considerable delay in getting the book now through Mess Baker & Co. It is, therefore, for consideration whether sanction may be accorded to its local purchase. If so, the draft below is for approval.
