Mc No. 4732/17

Station MADRAS, Dated the 5th June 1918. 191

From (Name) The Hon'ble Mr. J. H. Stone, M.A., F.R.H.S., C.I.E.,

(Designation) Director of Public Instruction

To The Secretary to the Government of Madras,

Home (Education) Department.

Sir,

The Principal of the Presidency College proposes to change the previously existing practice as regards the management of the Athletic funds of the College, which now that Government have in their order No. 443 Educational dated 14-5-1913 resolved to make an annual grant, he considers somewhat haphazard. He reports that it is difficult to obtain exact accounts from the various Club secretaries, who are mainly students and even the Honorary Secretary of the Athletic Association, who is a member of the college staff, it is liable to be transferred. He therefore considers that it will be better to bring

bring the funds into the college office and have payments made on the analogy of laboratory contingencies. This will throw upon the Headclerk of the college extra work and responsibilities for which the Principal proposes a remuneration of Rs.6 per mensem tenable for ten months in the year viz., from July to April. I beg to support the Principal's proposal and recommend it for the sanction of Government.

2. The charge will be met from the funds of the Athletic Association composed of the subscriptions by students together with the Government grant thereon.

3. The extra work will be performed by the Headclerk without prejudice to his ordinary official duties.

I have the Honour to be,

Sir,

Your most obedient servant,

G. K. Maheswari

B.R.

For Director of Public Instruction.
