Sir

In submitting my travelling allowance bill for the
journeys from Madras to Ootacamund and back for having at-
tended the Educational Conference held at Ootacamund on 14th
and 15th instant, I have the honour to state that (1) I have,
for the purpose of the allowance, regarded myself as a non-offi-
cial, though I am not sure of it, I being Registrar of Books
as well, and (2) that under the supposition that the Conference
would last three days instead of two, as it did, I registered
my seat for the back journey a day later than I should have
done. If you think the bill requires revision, I beg you will
kindly return it, or pass it for the revised amount.

Subject. - Travelling allowance of bill for attending the Educational Conference

The following points are noticed in the bills received from the above-mentioned gentlemen:

(1) Messrs M.C. Rajah and Habibullah Sahib have claimed daily allowance for 3 days (14th to 16th May) in their bills while the Conference sat only for two days (14th & 15th May). Mr. Hanabakhanlyar in his covering letter states that under the supposition that the Conference would last three days as intimated to him as likely instead of two, as it did, he registered his seat for the back journey a day later than he should have done and that if the daily allowance for the 3rd day is admissible, the bill may be returned to him for revision or passed for the revised amount. It is submitted that daily allowance is admissible only for the two days in which the Conference sat. For orders whether the gentlemen may be informed accordingly

by road (one mile) from the Ry. station to the town,
while Mr. Habibullah Sahib has claimed mileage for

12 miles against one mile. For orders where the mileage
should be provided in the case of persons who have not claimed it.

Mileage at Ooty in the case of first class office
officer is fixed at the rate of 12 as per mile and
Mr. Banatashi-hara Aggarwal alone has adopted this
rate while others have claimed only at the rate
of 8 as the rate allowed in the plains. Orders
are solicited whether a uniform rate and if so,

what rate should be adopted. We may adopt
a uniform rate of 8 as Mr. Banatashi-hara Aggarwal's case will be provided
separately. (3) The first class railway fare from Madras
to Ooty is wrongly entered in the Bishop of
Dornakal's bill as Rs. 34 instead of Rs. 35-10-0.

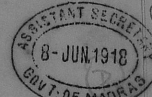

The necessary alterations may be made.

(4) Mr. Habibullah Sahib has claimed only
a single first class fare by a circuitous route
(via Villupuram, Trichinopoly & Erode) at Rs. 44-14-0.
(the correct price being Rs. 43-14-0) instead of ~~Rs. 44-14-0~~
double the fare by the shorter route (via Kattappalli
& Erode) at Rs. 22-7-0. He may be
asked to adopt the latter and revise the bill.

(5) Mr. Moore has not forwarded the bill
in the printed form. One may be sent to him
and he may be asked to fill it up, stamp and
sign it.

Mr. Mc. Rayah has not stamped the
bill. He may be asked to do so.

I return herewith duly countersigned your travelling allowance bill in connection with your journey to attend the Educational Conference held at Cotacamund in May last. In the bill, daily allowance has been claimed for 3 days' halt at Cotacamund. It is true that in the invitation issued to members it was intimated that the conference would last for 7 days, but I am to express regret that, under the rules governing such matters, daily allowance is admissible only for the days on which the conference actually sat. A sum of Rs. 5/- has therefore been deducted ^{from the amount claimed} and the bill passed for Rs. 154/-. A one anna stamp should be affixed to the bill before it is presented to the A.C. for encashment.

Yours faithfully
