Sir,

I beg to bring the following few lines to your kind consideration and favourable disposal.

The Special Test Examinations have been instituted for the purpose of testing the fitness of candidates for the special duties appertaining to particular appointments. I have been granted a certificate under the Indian Companies Act, Life Assurance Societies Act, The Provident Insurance Societies Act to do the special duties of auditing accounts as an Auditor. No test has yet been prescribed for Auditors, but the subjects prescribed for the CIVIL JUDICIAL TEST are almost the same as the legal subjects prescribed for the examination of Chartered and Incorporated Accountants. I understand that a person who has been exempted by Government from the examination rules because of his holding a specified appointment for which a special test has been prescribed, is allowed to appear for the Special Test. Since I am granted a certificate to audit accounts under the Government Acts and a pass in the CIVIL JUDICIAL TEST will make me very efficient and fit in discharging the duties of an Auditor, I beg to request you to

and

to grant me permission to appear for the Special Test Examination in Civil Judicial Test.

I may say that I am ineligible for Government service as my age is over 35 and my sole object in desiring to pass this test is to qualify become a very efficient auditor by such qualification.

I act as Accountant in Messrs. T. Stanes & Co. Ltd. on a salary of Rs. 200/-. As regards my general educational qualifications I beg to state that 10 years ago I appeared for the Matriculation examination and failed in one subject having been absent from it owing to sudden illness, and I did not care to appear for it again as I was well off in my profession. I hold Senior Commercial Education certificates of the London Chamber of Commerce.

Under the circumstances I beg to request that, as a special case, you will be so good as to grant me permission to appear for the CIVIL JUDICIAL TEST,

I beg to remain,

Sir,

Your most obedient servant,
