2. It is observed that the Municipality is spending only 6.6% of its income on education against a presidency average of 8.3%. Moreover, the additional expenditure to be incurred is only Rs.36 per annum. In these circumstances the application need not be entertained. The extra charge may be met from Municipal funds.

THE Assistant Inspectress of schools

Madras Girls' Range, Madras.

Madam,

I have the honor to state that the Government has in their order No. 170/Mys dated 12-2-18 allowed Rs. 12/- towards the contingencies for the newly opened girls' school. This is inadequate as the rent of the school house comes to Rs. 9/- per mensem and the wages of the conductress comes to Rs. 3/- per mensem. The house rent is ~~high~~ high in this town and consequently cheaper house could not be procured. These two items cover up the amount allotted. Then there are charges for the sweeper, other petty charges, stationery &c., So I request that you will be pleased to recommend to Government for an increase of provision Viz., Rs. 3/- per mensem.

I have the honor to be,
Madam,
Your most obedient servant,

Chairman.

CNo. 1367 A from the D.D. no 4409 823.5.18

Subject - Enhancement of the provision made for contingencies in respect of the new girls' school in the Changlept municipality

Submitted that the remarks of the L.M. Dept. may in the first instance, be circled on the Director's endorsement.

It appears to be no case for an advance - cost subsidy.

There is no doubt some force in this Department may agree with the D.P. Is remarks in his endorsement. and the file may be referred to Home Secy for the financial condition of the municipality is very unsatisfactory & the estimated balance at the end of the current year being under several hundred pounds

x I think he
about Rs 200
Sica

x funds is too low. The Council is unable
to meet the bill for medicines supplied
to the hospital from medical stores in
1917-18 & has applied to Govt for a
grant. Though the amount applied for
required by the Council for the maintenance
of the Girls' school is only Rs 36, yet
as it is a recurring expenditure & the
Council is poor, it seems to be desirable
that the grant should be sanctioned.

Sica

I do not think there is a
case for an increased grant.
