From (Name) The Hon. Mr. J. H. Stone, M.A., C.I.E., F.R.H.S.,

(Designation) DIRECTOR OF PUBLIC INSTRUCTION.

To The Secretary to the Government of Madras,

H O M E Department.
(EDUCATION)

Sir,

I have the honour to submit herewith the plans bearing Nos. 195 A to C with estimates amounting to Rs. 11,000/- for providing additional accommodation for the high school classes of the Madanapalle College and to recommend that a grant not exceeding one-half of the estimated cost may be sanctioned to be paid when funds become available.

2. The necessity for the proposed accommodation is explained in page 5 of the enclosed application.

I have the honour to be,

Sir,

Your most obedient servant,

G. V. S. S. S.

for Director of Public Instruction.

APPENDIX M.

CHAPTER VIII, RULE 52.

Application for aid towards the cost of constructing extensions to
the Madanapalle Collegiate High School
 School _____ at Madanapalle in the District
 College _____
 of Chittoor.

Number and date of the Proceedings or Memorandum recognizing the school under the
 Madras Educational Rules.

4545 of 1913 dated 7th August 1913.

Brief history of the institution from the date of its establishment to the date of
 application tracing its growth and development and furnishing among other things an
 accurate account of its financial condition.

There was at Madanapalle a Government Middle school which worked for
 four years (1878-1882) and was in 1882 transferred to the Local Board
 Management. This school developed in course of time into a High School
 It was, however, closed, as a Board Middle school, in the year 1887-88;
 and the building, furniture, and the library were transferred to the
 management of a new school that had been started under the name of the
 Town High School. This was subsequently amalgamated with another school
 known as "The Congress High School, Madanapalle" and started by Mr. O.L.
 Sarma and Mr. R. Giri Rau and other friends on the 13th March 1888. A
 Mission Boarding High School that had had a short existence was also
 amalgamated with the same and the amalgamated institution came to be
 known in 1892 as the Madanapalle High School.

The High school was in 1892 under the management of a committee
 of which Mr. (now Sir) John N. Atkinson was the President, Rev. W.I.
 Chamberlain was the Treasurer and the late Mr. O.L. Sarma a leading
 pleader was the secretary and Correspondent. After nine months the
 first two resigned membership on the committee and the entire burden

History of the Institution—cont.

of management fell on Mr. O.L. Sarma aided by Mr. R. Giri Rau, the Headmaster. Mr. O.L. Sarma having died in 1901, Mr. Giri Rau, B.A., became the sole managing proprietor and Headmaster.

The school was located for many years in the Government Middle school building which could not afford sufficient accommodation for the growing institution and Mr. Giri Rau, with the co-operation of the Public, collected funds for extending the buildings but a sum of Rs.3000 was lost in the Arbuthnot crash. Undaunted by this crash he set about collecting funds again and constructed a building for the Primary classes at a cost of about Rs.1500 in 1907. Another attempt was made to collect a permanent fund for the school and through the help of an Advisory Committee a sum of Rs. 5000 was collected and invested as a permanent fund. The school was affiliated to the Central Hindu College, Benares for religious instruction in 1906. It has since been preparing students for the All India Religious examination.

In the year 1909-10, M.R.Ry. K. Ramachandra Reddy of Suddapalle, Jammalamadugu Taluk, made a gift of a beautiful hall at a cost of about Rs.2600 which slightly improved the accommodation.

The management continued entirely in the hands of Mr. R. Giri Rau till the close of the year 1910 when at his request Mrs. Annie Besant extended her helping hand to the school and Mr. Ernest Wood was sent to Madanapalle to help Mr. Giri Rau in its management.

During this period liberal donations were received from many prominent Theosophists and others; and extensive buildings were constructed both for school ~~xxx~~ work and for the Hostel. The Harvey Hall, Harvey Dormitory, Krishnamoorthi Institute of Science (Science Laboratory) and another large dormitory for the residence of students were all built during this period. Also Venkoba Rao Library room was constructed by an old boy Mr. M. Rama Rau.

Meanwhile the Theosophical Educational Trust having been duly formed and incorporated in May 1913, the school was formally transferred to the Trust in June 1913, the permanent Endowment Fund, the buildings, Furniture, library, laboratory etc. all valued at about Rs. 5000 becoming the property of the Trust.

In response to the wishes of several sections of the Indian society

History of the Institution—cont.

the Trust resolved to establish a college, in which religious and moral instruction should form a distinctive feature, and in which pupils should be given religious instruction in the religion of their birth.

In pursuance of that resolution, arrangements were made for the establishment of a college: the necessary buildings were constructed and equipment secured; and on the 19th of July 1915, His Excellency The Rt. Hon'ble Lord Pentland, P.C., G.C.I.E., Governor of Madras, formally opened the second grade college under the name of the "Madanapalle Theosophical college". The college is affiliated to the University of Madras in Group III in the following subjects and languages—Modern History, Ancient History, Logic, Telugu, Tamil, Cannarese, Malayalam, Urdu, Sanskrit, and Persian. The college is managed by a Governing Body consisting of Mrs. Annie Besant, Mr. Ernest Wood, Mr. M.U. Moore, Mr. C.S. Trilokekar, and Mr. R. Giri Rau.

The property of the whole college in its land, buildings, furniture, apparatus and endowment is worth now about Rs 80,000

NOTE.—(1) This need not be given if a reference to a history previously given can be furnished.

(2) The names and designations of the persons who form the committee of management should be specified.

NOTE.—If there be any striking variations in the strength as shown above such variations should be accounted for.

Character of and necessity for the proposed work in detail.

To provide additional accommodation for the classes which have very much increased in size. At present, the sixth form consists of 3 sections and each of the remaining forms, of two. The accompanying ^{rough} sketch gives the distribution of the classes in the existing buildings. It will be seen that there is no room available for two of the divisions of the sixth form, which are now being held in one of the college rooms and in the college library. Form II A is now located in an open Cudjan shed and form I, B and class IV in rooms which were formerly used as kitchen ^{living hall} and which ~~as they~~ are quite unsuited for class rooms.

All the second language classes are now held in open varandas and in one thatch shed.

When the sixth and fifth forms divide for optional subjects--three subjects at a time, great difficulty is felt to provide accommodation for them.

Hence the proposed extensions are found absolutely necessary.

Further a need is felt for providing special rooms for Geography and History and Mathematics and for Drawing. The Inspector of schools has also drawn attention to the need for such provision. When the proposed extensions are carried out, the necessary re-distribution of classes will be made.

(i) Is a sketch plan of the proposed site and building attached?

Yes

(ii) Does it show—

(a) The relation of the proposed building or extension to the existing buildings?

Yes

(b) Any alteration in existing buildings necessitated by it?

No alteration

(c) The purpose to which the existing buildings are now put?

A rough sketch of existing buildings noting the distribution of the classes therein is enclosed. Vide Encl.

No. 1

(d) The purpose to which they will be put when the new building or extension is complete?

Another sketch of the old building with the proposed extensions is enclosed. The purpose to which the extensions when completed will be put is also noted therein. Vide Encl. 2.

1

NOTE.—Any notes that cannot be conveniently inserted in the plan may be given under each of the above headings.

(a) Probable cost of the proposed work. Rs. 11,000

(b) Whether the management has the necessary funds to complete the work in the event of the application being favourably considered.

Yes

(c) Whether the managing body has been registered under the Indian Companies Act of 1882 and, if so, whether attested copies of the Memorandum of Association and the Articles of Association are submitted.

Yes

(d) If the aid sought for is towards the cost of site, declaration that it is the cheapest suitable site.

Not towards the cost of site.

(e) Declaration that the management is prepared to execute the prescribed deed if required by the Director to do so.

Yes

(f) If the property is not owned by the correspondent, declaration that the owner or his or her legal representative will execute the deed or will be made a party to the deed.

Yes

(g) In the case of mission institutions the name and address in full of the person who holds a power of attorney on behalf of the mission to execute the prescribed deed.

(h) Name, designation and qualification of the person by whom detailed plans and estimates and specifications will be prepared.

By the district board Engineer M. C. Ramaswami Iyer
Chittoor Dt.

(i) Whether the title to the property is clear and in order and by whom the title-deeds were examined.

Yes

By Mr. Ernest Wood, Secretary to the Theosophical Educational Trust.

(j) The latest date on which the management wishes to (i) begin the work and (ii) complete the work.

1. At once.

2. By the end of July 1917

(k) Is the declaration with regard to encumbrance, alienation and the conditions of recognition and aid attached?

- (l) Amount of building grants drawn by the institution in previous years with the number and date of the sanction and the purposes for which given. (Particulars should be given for 20 years.)

None

- (m) If the aid sought is towards the construction of a hostel, declaration that the hostel will be managed according to rules approved by the Director of Public Instruction.

No

- (n) The treasury at which the grant if sanctioned is to be payable.

Madanapalle.

- (o) The annual expenditure incurred in the upkeep of the institution and how much of it is met from—

Note by the B.E., P.W.D., ~~T.W. NOTE~~ No. 2915 c of 3-5-17

The Director of Public Instruction submits 3 plans bearing Nos. 195 (A), 195 (B) and 195 (C) and a detailed estimate amounting to Rs. 11,000 for a grant-in-aid towards the cost of providing additional accommodation for the High School classes of the Madanapalle College at Madanapalle, Chittore District.

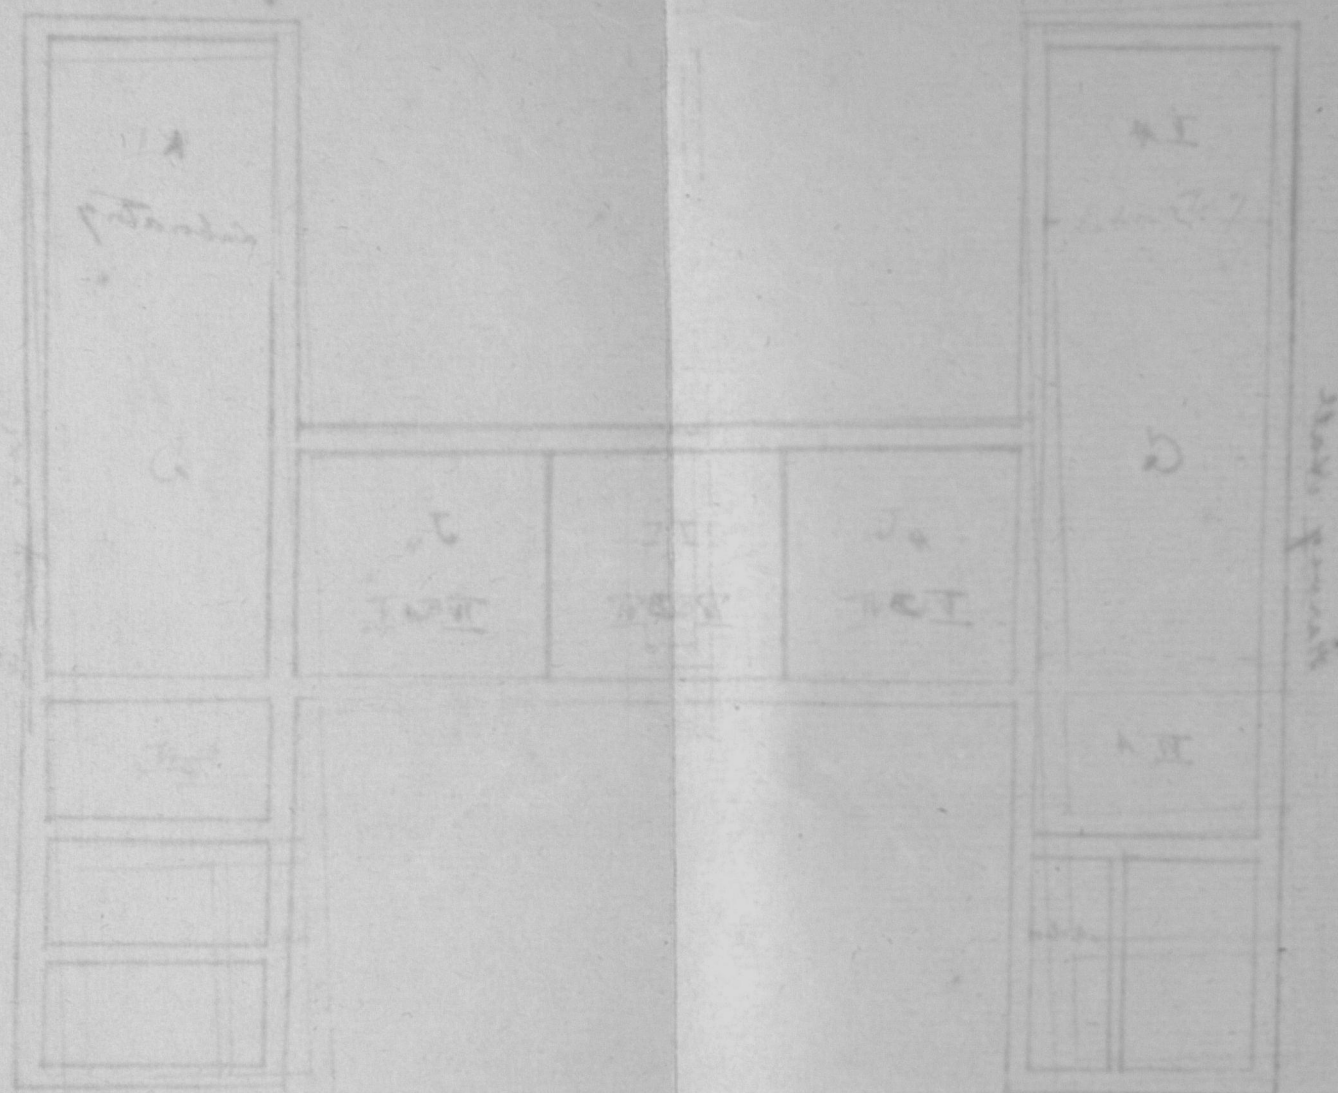

II. The plans and the estimate have been examined in the Chief Engineer's Office, and it is observed that they contain various defects a few of which are pointed out in the following remarks:-

(1) The distance between the blocks A and B measures only 3 feet; and the Geography room is, in consequence, badly lighted and ventilated.

(2) The class rooms now proposed to be constructed would be used as passages owing to the provision of doors in the cross walls separating one room from the other - an objectionable arrangement. A satisfactory method would be to provide entrances to the rooms accessible from a common verandah.

(3) The site plan D.P.I. No. 195-A and the Ground Floor plan D.P.I. No. 195-B do not agree with each other in regard to the disposition of the proposed extension relatively to the existing blocks. Presuming that the drawing D.P.I. No. 195-B is correct, a feasible arrangement has been shewn on the sketch plan C.A. No. 109/1917 which is recommended to be adopted.

(4) The front and side elevations of the

18

proposed extensions have not been submitted.

(5) The sizes of rolled steel girders and roof timbers should be as figured in green on the Drawings.

(6) The ventilators over doors and windows as shewn on D. P. I. No. 195 (C) are omitted in the estimate.

(7) Stone templates for bearings of girders and lintels over ventilators are not provided for.

III. With these remarks the plans and the estimate are returned for revision according to the instructions contained in Circular Memorandum No. 116-C dated 4th January 1913.
