College for Muhammadans

Approving the proposals of the Director of Public Instruction for the opening of college classes in the Government Madrasa-i-Azam, Madras.

READ—the following paper:—

Letter—from the Hon^{ble} Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—Camp, Optacamund, the 12th June 1918.

No.—9.

I have the honour to address you on the subject of opening a college for Muhammadans in Madras.

It has now been decided, though the discussions have not been committed to paper, that this college shall be maintained by Government and in connexion with the Madrasa-i-Azam. I propose that it shall prepare students for group III of the Intermediate Examination, teaching English, History, Logic, Arabic, Persian and Urdu, and that second-year students shall be admitted as well as first.

The headmaster reports that he can find accommodation in the school building as a strictly temporary measure for the classes and plans and estimate have been prepared for the erection of three additional class rooms which I shall very soon submit for the administrative approval of Government. These class rooms will meet the immediate needs of the college and when as is anticipated college buildings have been erected will be very useful for the school.

I propose that Mr. Moss, the Headmaster, shall be placed in charge of the college as Principal, his duties being mainly administrative, and that the Professor of Arabic in the Presidency College shall be transferred to the new college. He has practically no work in the Presidency College and if the study of Arabic is to be developed in the community it must be in the Intermediate classes. He with the help of the munshis of the Madrasa should be able to provide adequate instruction in Persian and Urdu in addition to Arabic. I propose to appoint as Logic lecturer a young man who has recently taken honours in Mental and Moral Science, and he will be able to help with the English work. The provision of thoroughly efficient teaching in English is essential and I therefore suggest that an officer of the department in the Indian Educational Service shall be deputed to be lecturer in English. I have in mind for this post Mr. W. C. Douglas. I hope to be able to recommend a particularly capable Indian Roman Catholic Christian as lecturer in History.

I therefore request sanction for the following temporary appointments and allowances:—

			Rs.	
(1) English lecturer	..	..	650—50—700	This pay is that which Mr. Douglas will be entitled to this and next year.
(2) Logic lecturer	..	..	125	
(3) History lecturer	..	..	200	This is intended for a first-class Honours man with two years' experience.
(4) Allowance for Arabic Munshi on pay of (60—3—75)			12	

ORIGINAL

	RS.	
(5) Allowance for Urdu Munshi on pay of (40—2—50) Rs. 44.	9	
(6) Allowance for Persian Munshi on pay of (40—2—50) Rs. 40.	8	
(7) Clerk	30	There is a clerk and librarian in the school on Rs. 15—1—20 and the work can be divided between the two as Principal finds convenient.
(8) Two peons on Rs. 10 and Rs. 9 without grain compensation allowance.	19	

I have considered whether Mr. Moss should have any allowance but as he is now acting in the Indian Educational Service I do not know that this is necessary. If he puts in a claim for one the matter may be further considered.

The expenditure of Rs. 8,504 allowing for Mr. Douglas drawing an increment from 12th January 1919 can be met by transfer of the amount in the budget for the current year "22. EDUCATION—Lump Allotment of Rs. 30,000 for the improvement of Muhammadan education".

Order—No. 820, Home (Education), dated 24th June 1918.

The Government approve the proposal of the Director of Public Instruction to open first and second year college classes in the Government Madrasa-i-Azam, Madras, in the current year. They also sanction the entertainment of the undermentioned staff and establishment in connexion therewith for a period of two years:—

One English lecturer on Rs. 650—50—700 per mensem.
One History " " 200 per mensem.
One Logic " " 125 " "
One clerk on Rs. 20 per mensem.
Two peons on Rs. 8 each per mensem.

The clerk will not be eligible for grain compensation allowance.

2. The Government approve the proposal to transfer to the Government Madrasa-i-Azam the temporary appointment of Professor of Arabic on Rs. 200 per mensem sanctioned for the Presidency College in G.O. No. 265, Educational, dated the 13th March 1916.

3. The proposal to pay allowances at the undermentioned rates to the munshis in the Government Madrasa-i-Azam is also approved:—

Arabic Munshi, Rs. 12 per mensem.
Urdu " " 9 " "
Persian " " 8 " "

4. The Government sanction the deputation of Mr. W. C. Douglas, Inspector of Schools, to hold the post of English lecturer newly created.

5. The extra expenditure on account of the opening of the college classes during the current year will be met from the lump provision of Rs. 75,000 for the improvement of Muhammadan education under "22. EDUCATION" in the Civil Budget Estimate for 1918-19.

NOTES CONNECTED WITH G.O. No. 820, HOME (EDUCATION),
DATED 24TH JUNE 1918.

[SUBJECT.—Opening of a college for Muhammadans at Madras.]

From the Director of Public Instruction, dated 12th June 1918, No. 69.

Submitted that it seems desirable to obtain the remarks of the Accountant-General on the proposals of the Director of Public Instruction. A draft endorsement is submitted for approval.

S.K.—13-6-18.

N.K.—13-6-18.

C. RAMANUJA ACHARIYAR—13-6-18.

The Director of Public Instruction has spoken to me about this and he wants early orders.

2. Students in group III will study in the new college: but the Director of Public Instruction is prepared in case any students come for other groups to admit them on the condition they study English and Second Language in the new college and Science elsewhere (e.g., the Presidency College).

3. As early orders are required, note and circulate to Financial even in advance of Accountant-General's reply.

R. RAMACHANDRA RAO—15-6-18.

The Director of Public Instruction submitted certain proposals last year for the improvement of Muhammadan education (vide his letter No. 13, dated 17th September 1917). One of the proposals was that the Government should aid in the establishment of a separate college for Muhammadans in Madras city. The Government approved the proposal and accordingly made provision in the current year's budget estimate for a grant to the college of Rs. 9,000, recurring, and Rs. 25,000 non-recurring (being a portion of the total grant of Rupees one lakh contemplated). The Director of Public Instruction states that "it has now been decided, though the discussions have not been committed to paper, that this college shall be maintained by Government and in connexion with the Madrasa-i-Azam". Presumably the

Not necessarily; on the other hand it is considered desirable to run the college as a Government institution.

R.R.—19-6-18.

attempt to establish a college under private management has failed. As the necessity for the opening of a separate college for Muhammadans has practically been admitted, the present proposal of

the Director of Public Instruction to establish the college under Government management may, it is submitted, be approved.

2. To begin with, the Director proposes to affiliate the college only in group III of the Intermediate course. He also proposes to have classes for the junior as well as A | the senior Intermediate students from the very beginning. As the accommodation in the Madrasa-i-Azam is limited, the proposal to provide for full instruction only in group III may be accepted for the present. When suitable accommodation is provided later on, arrangements may be made in the college for instruction in other groups also but, in the meanwhile, students taking subjects other than group III will be admitted on conditions mentioned in the Secretary's note above. The Director of Public Instruction states that plans and estimates for the erection of three additional B | class rooms are under preparation and will be submitted to Government in due course. In the meanwhile the classes will be accommodated in the existing buildings.

3. The Director of Public Instruction proposes the following scale of staff for the institution:—

	Rs.
One English lecturer	650—50—700
" Logic "	125
" History "	200
Allowance for Arabic munshi	12
" Urdu "	9
" Persian "	8
One clerk	30
Two peons	10 and 9

4. It is proposed to place Mr. Moss, the headmaster of the Madrasa, in charge of the college as Principal. No separate allowance is now proposed for him. Mr. Moss is now in the first grade of the Provincial Educational Service and acting in the Indian Educational Service, and, as such, draws a salary of Rs. 800 per mensem (Rs. 700 pay plus Rs. 100 allowance).

5. The Director of Public Instruction considers that the provision of thoroughly efficient teaching in English is essential and suggests that Mr. Douglas who is in the Indian Educational Service should be deputed for lecturing work in English in the college. As Mr. Douglas is in receipt of a pay of Rs. 650 per mensem, the Director suggests a scale of Rs. 650—50—700 for the English lecturer in the college. It is not usual to depute Indian Educational Service officers for work in second-grade colleges. The staffs in these colleges are generally members of the Provincial and Subordinate Educational Services. Presumably there is no suitable officer in the Provincial Educational Service who can be deputed for work in the college. It is for orders whether the Director's proposal may be accepted. As the arrangement is only temporary, it appears that the Local Government can sanction the proposed deputation, but the Accountant-General to whom a reference has been made will report as to whether there is any audit objection to the proposal.

6. In the circumstances explained by the Director of Public Instruction, the scales of pay proposed for the History and Logic lecturers may be approved. It is presumed that the History lecturer will be treated as a gazetted officer outside the regular cadres. It is proposed to grant allowances to the Arabic, Urdu and Persian munshis in the Madrasa-i-Azam for the work that they will have to do in the college. The proposed rates of allowances do not seem to be high and may be approved.

7. In the Madrasa there are at present a clerk on Rs. 25—1—30 and an assistant clerk and librarian on Rs. 15—1—20 per mensem (page 5 of the proposition statement with letter No. 129, dated 4th February 1918). It is for consideration whether an additional temporary clerk on Rs. 30 per mensem should be sanctioned in connexion with the opening of the college classes. If one is considered necessary the pay may perhaps be restricted to Rs. 20 per mensem. There are at present two peons on Rs. 8 each per mensem in the staff of the institution (page 5 of the proposition statement with letter No. 129, dated 4th February 1918). Two more peons (one on Rs. 10 and one on Rs. 9 without grain compensation allowance) are asked for. It is doubtful whether there will be work for two additional peons to begin with. If they are to be allowed, the pay recommended appears to be suitable.

8. In addition to the staff above the Director also proposes to transfer the Professor of Arabic in the Presidency College to the new college. The post of Professor of Arabic has been sanctioned temporarily for a period of three years to begin with, with a view to having the Presidency College affiliated in the Arabic language for the B.A. degree (G.O. No. 265, dated 13th March 1916). But the Director says that he has practically no work in that college. The appointment may therefore be transferred to the new college.

9. The proposed staff may be sanctioned temporarily for a period of two years in the first instance. The file may be sent to the Financial Department for remarks.

S.K.—17-6-18.

N.K.—17-6-18.

The proposals of the Director of Public Instruction may be supported in this Department. Both the first and second year classes will be opened immediately. The staff proposed will have therefore full work even at the outset. The proposed appointment of an Indian Educational Service officer for the college has already been accepted

in connexion with the recommendations of the Public Service Commission. That officer will eventually become the Principal of the College, though at present he is to take a subordinate position (an unusual feature) with a Provincial Educational Service officer as Principal, as the latter now draws higher salary.

The other proposals of the Director of Public Instruction seem also acceptable, except probably that in respect of an additional clerk, in whose case it seems doubtful

C.H.B.—18-6-18.

whether there will be sufficient work immediately to justify his appointment.

The Director of Public Instruction has apparently satisfied himself that the present clerk cannot take additional work.

C. RAMANUJA ACHARIYAR—17-6-18.

This had better wait till Secretary's return as he had a personal talk with Mr. Stone about it (page 1 ante). Show Secretary on his return.

C. H. BROWN—18-6-18.

A. If the response for admissions in the Senior Intermediate class is not large, the senior class will have to be held over.

B. No additional expenditure on this ground except perhaps conveyance allowance. This may be considered later on if students are forthcoming.

C. The Director of Public Instruction is of opinion that the college will be a failure unless really a good English professor is appointed. We shall probably have to compete with a private college. Muhammadan gentlemen have informed the Director of Public Instruction that unless the new college is suitably officered it will not attract students.

Paragraph 7, page 2.—I would sanction the Director of Public Instruction's proposals.

R. RAMACHANDRA RAO—19-6-18.

FINANCIAL DEPARTMENT.

It is proposed to open college classes for Muhammadans in connexion with the Madrasa-i-Azam, Madras, to prepare them for the Intermediate examination (Group III), and to sanction the following appointments and allowances in connexion therewith for a period of two years:—

	Rs.
(1) Professor of English	650—50—700
(2) Lecturer in Logic	125
(3) " in History	200
(4) Allowance for Arabic munshi (60—3—75) Rs. 60	12
(5) " for Urdu munshi (40—2—50) Rs. 44	9
(6) " for Persian munshi (40—2—50) Rs. 40	8
(7) Clerk	30
(8) Two peons 1 (10), 1 (9)	19

Total ... 1,053 per mensem in the first year and Rs. 1,103 per mensem in the second year.

The necessity for the opening of college classes in the Madrasa-i-Azam may be accepted.

2. Turning to the details, item (1) represents the pay of Mr. Douglas of the Indian Educational Service. The real extra cost is only an acting allowance of Rs. 100 to a Provincial Educational Service officer acting in the Indian Educational Service, and the pay of a last grade Subordinate Educational Service officer, collegiate branch (Rs. 100) or Rs. 200 in all. The Local Government can sanction the deputation of Mr. Douglas for two years—vide rule 4 (a) on page 302 of the Madras Supplement to the Civil Service Regulations.

3. Items (2) and (3).—Lecturers in second-grade colleges are in the Subordinate Educational Service, the pay of the last grade being Rs. 100. The rates now proposed, viz., Rs. 125 and Rs. 200 for Logic and History, respectively, exceed the minimum. The Home Secretary points out that Muhammadan gentlemen have informed the Director of Public Instruction that unless the new college is suitably officered it will

4 NOTES TO G.O. No. 820, HOME (EDUCATION), 24TH JUNE 1918

not attract students. The officers whom the Director of Public Instruction recommends are evidently not in Government service at present. It is for orders whether it will not suffice to give Rs. 100 to the young man who recently took Honours in Mental and Moral Science, and Rs. 150 to the first-class Honours man in History with two years' experience.

Financial would ordinarily advise this, but the circumstances are special and if Home consider the higher rate necessary to attract certain individuals, we need not object.

L.E.K.—20-6-18.

L.D.—20-6-18.

4. Items (4) to (6).—The three munshis are to assist the Professor of Arabic (to be transferred from the Presidency College) in teaching the college classes. In view of the temporary nature of the scheme, the system of giving allowances to existing munshis seems suitable. The allowances proposed are 20 per cent of pay and are reasonable.

L.E.K.—20-6-18.

L.D.—20-6-18.

5. Item 7.—There is already a clerk on Rs. 25—1—30 in the school. It would seem sufficient to sanction an additional clerk on Rs. 20.

L.E.K.—20-6-18.

L.D.—20-6-18.

The existing men are on Rs. 8. These two temporary men should have the same, I think.

L.E.K.—20-6-18.

L.D.—20-6-18.

* Not the peons if Rs. 8 is to be given.

L.E.K.—20-6-18.

L.D.—20-6-18.

7. If the foregoing suggestions are accepted, the extra cost in the current year will amount to Rs. 8 × 968 or Rs. 7,744 and can be met from the lump provision of Rs. 75,000 in the budget for Muhammadan education. The Director of Public Instruction has not given an estimate of the non-recurring expenditure on furniture and equipment.

HOME (EDUCATION) DEPARTMENT.

A draft order is submitted for approval. The Director of Public Instruction proposes to appoint particularly capable men for the posts of lecturers in History and Logic. The rates of pay proposed by him may therefore be accepted. Subject to approval the rates as recommended by him have been entered in the draft.

2. As regards the clerk and peons the suggestions of the Financial Department may be accepted. It is not clear whether the Director of Public Instruction has finally decided to depute Mr. Douglas as English lecturer. It is for orders whether paragraph 4 should stand.

Yes.

R. RAMACHANDRA RAO—15-6-18.

The Director of Public Instruction submitted certain proposals last year for the improvement of Muhammadan education (vide letter No. 13 Home (Education) dated 17th September 1917). One of the proposals was that the Government should aid in the establishment of a separate college for Muhammadans in Madras city. The Government approved the proposal and accordingly made provision in the current year's budget estimate for a grant to the college of Rs. 9,000, recurring, and Rs. 2,500 non-recurring (being a portion of the total grant of Rupees one lakh contemplated). The Director of Public Instruction states that "it has now been decided, though the discussions have not been committed to paper, that this college shall be maintained by Government and in connexion with the Madrasa-i-Azam". Presumably the

R.R.—19-6-18.

attempt to establish a college under private management has failed. As the necessity for the opening of a separate college for Muhammadans has practically been admitted, the present proposal of

the Director of Public Instruction to establish the college under Government management may, it is submitted, be approved.

2. To begin with, the Director proposes to affiliate the college only in group III of the Intermediate course. He also proposes to have classes for the junior as well as A the senior Intermediate students from the very beginning. As the accommodation in the Madrasa-i-Azam is limited, the proposal to provide for full instruction only in group III may be accepted for the present. When suitable accommodation is provided later on, arrangements may be made in the college for instruction in other groups also but in the meanwhile, students taking subjects other than group III will be admitted on conditions mentioned in the Secretary's note above. The Director of Public

B Instruction states that plans and estimates for the erection of three additional class rooms are under preparation and will be submitted to Government in due course. In the meanwhile the classes will be accommodated in the existing buildings.

3. The Director of Public Instruction proposes the following scale of staff for the institution:—

	Rs.
One English lecturer	650—50—700
" Logic "	125
" History "	200
Allowance for Arabic munshi	12
" Urdu "	9
" Persian "	8
One clerk	30
Two peons	10 and 9

4. It is proposed to place Mr. Moss, the headmaster of the Madrasa, in charge of the college as Principal. No separate allowance is now proposed for him. Mr. Moss is now in the first grade of the Provincial Educational Service and acting in the Indian Educational Service, and, as such, draws a salary of Rs. 800 per mensem (Rs. 700 pay plus Rs. 100 allowance).

5. The Director of Public Instruction considers that the provision of thoroughly efficient teaching in English is essential and suggests that Mr. Douglas who is in the Indian Educational Service should be deputed for lecturing work in English in the college. As Mr. Douglas is in receipt of a pay of Rs. 650 per mensem, the Director suggests a scale of Rs. 650—50—700 for the English lecturer in the college. It is not usual to depute Indian Educational Service officers for work in second-grade colleges. The staffs in these colleges are generally members of the Provincial and Subordinate Educational Services. Presumably there is no suitable officer in the Provincial Educational Service who can be deputed for work in the college. It is for orders whether the Director's proposal may be accepted. As the arrangement is only temporary, it appears that the Local Government can sanction the proposed deputation, but the Accountant-General to whom a reference has been made will report as to whether there is any audit objection to the proposal.

6. In the circumstances explained by the Director of Public Instruction, the scales of pay proposed for the History and Logic lecturers may be approved. It is presumed that the History lecturer will be treated as a gazetted officer outside the regular cadres. It is proposed to grant allowances to the Arabic, Urdu and Persian munshis in the Madrasa-i-Azam for the work that they will have to do in the college. The proposed rates of allowances do not seem to be high and may be approved.

7. In the Madrasa there are at present a clerk on Rs. 25—1—30 and an assistant clerk and librarian on Rs. 15—1—20 per mensem (page 5 of the proposition statement with letter No. 129, dated 4th February 1918). It is for consideration whether an additional temporary clerk on Rs. 30 per mensem should be sanctioned in connexion with the opening of the college classes. If one is considered necessary the pay may perhaps be restricted to Rs. 20 per mensem. There are at present two peons on Rs. 8 each per mensem in the staff of the institution (page 5 of the proposition statement with letter No. 129, dated 4th February 1918). Two more peons (one on Rs. 10 and one on Rs. 9 without grain compensation allowance) are asked for. It is doubtful whether there will be work for two additional peons to begin with. If they are to be allowed, the pay recommended appears to be suitable.

8. In addition to the staff above the Director also proposes to transfer the Professor of Arabic in the Presidency College to the new college. The post of Professor of Arabic has been sanctioned temporarily for a period of three years to begin with, with a view to having the Presidency College affiliated in the Arabic language for the B.A. degree (G.O. No. 265, dated 13th March 1916). But the Director says that he has practically no work in that college. The appointment may therefore be transferred to the new college.

9. The proposed staff may be sanctioned temporarily for a period of two years in the first instance. The file may be sent to the Financial Department for remarks.

S.K.—17-6-18.

N.K.—17-6-18.

The proposals of the Director of Public Instruction may be supported in this Department. Both the first and second year classes will be opened immediately. The staff proposed will have therefore full work even at the outset. The proposed appointment of an Indian Educational Service officer for the college has already been accepted in connexion with the recommendations of the Public Service Commission. That officer will eventually become the Principal of the College, though at present he is to take a subordinate position (an unusual feature) with a Provincial Educational Service officer as Principal, as the latter now draws higher salary.

The other proposals of the Director of Public Instruction seem also acceptable, except probably that in respect of an additional clerk, in whose case it seems doubtful

C.H.B.—18-6-18. | whether there will be sufficient work immediately to justify his appointment.

The Director of Public Instruction has apparently satisfied himself that the present clerk cannot take additional work.

C. RAMANUJA ACHARIYAR—17-6-18.

This had better wait till Secretary's return as he had a personal talk with Mr. Stone about it (page 1 ante.) Show Secretary on his return.

C. H. BROWN—18-6-18.

A. If the response for admissions in the Senior Intermediate class is not large, the senior class will have to be held over.

B. No additional expenditure on this ground except perhaps conveyance allowance. This may be considered later on if students are forthcoming.

C. The Director of Public Instruction is of opinion that the college will be a failure unless really a good English professor is appointed. We shall probably have to compete with a private college. Muhammadan gentlemen have informed the Director of Public Instruction that unless the new college is suitably officered it will not attract students.

Paragraph 7, page 2.—I would sanction the Director of Public Instruction's proposals.

R. RAMACHANDRA RAO—19-6-18.

FINANCIAL DEPARTMENT.

It is proposed to open college classes for Muhammadans in connexion with the Madrasa-i-Azam, Madras, to prepare them for the Intermediate examination (Group III), and to sanction the following appointments and allowances in connexion therewith for a period of two years:—

	Rs.
(1) Professor of English	650—50—700
(2) Lecturer in Logic	125
(3) " in History	200
(4) Allowance for Arabic munshi (60—3—75) Rs. 60 ...	12
(5) " for Urdu munshi (40—2—50) Rs. 44 ...	9
(6) " for Persian munshi (40—2—50) Rs. 40 ...	8
(7) Clerk	30
(8) Two peons 1 (10), 1 (9)	19

Total ... 1,053 per mensem in the first year and Rs. 1,103 per mensem in the second year.

The necessity for the opening of college classes in the Madrasa-i-Azam may be accepted.

2. Turning to the details, item (1) represents the pay of Mr. Douglas of the Indian Educational Service. The real extra cost is only an acting allowance of Rs. 100 to a Provincial Educational Service officer acting in the Indian Educational Service, and the pay of a last grade Subordinate Educational Service officer, collegiate branch (Rs. 100) or Rs. 200 in all. The Local Government can sanction the deputation of Mr. Douglas for two years—vide rule 4 (a) on page 302 of the Madras Supplement to the Civil Service Regulations.

3. *Items (2) and (3).*—Lecturers in second-grade colleges are in the Subordinate Educational Service, the pay of the last grade being Rs. 100. The rates now proposed, viz., Rs. 125 and Rs. 200 for Logic and History, respectively, exceed the minimum. The Home Secretary points out that Muhammadan gentlemen have informed the Director of Public Instruction that unless the new college is suitably officered it will not attract students. The officers whom the Director of Public Instruction recommends are evidently not in Government service at present. It is for orders whether it will not suffice to give Rs. 100 to the young man who recently took Honours in Mental and Moral Science, and Rs. 150 to the first-class Honours man in History with two years' experience.

L.D.—20-6-18.

4. *Items (4) to (6).*—The three munshis are to assist the Professor of Arabic (to be transferred from the Presidency College) in teaching the college classes. In view of the temporary nature of the scheme, the system of giving allowances to existing

L.E.K.—20-6-18.

L.D.—20-6-18.

5. *Item 7.*—There is already a clerk on Rs. 25—1—30 in the school. It would seem sufficient to sanction an additional clerk on Rs. 20.

L.E.K.—20-6-18.

L.D.—20-6-18.

The existing men are on Rs. 8. These two temporary men should have the same, I think.

* Not the peons of Rs. 8 is to be given.

L.D.—20-6-18.

7. If the foregoing suggestions are accepted, the extra cost in the current year will amount to Rs. 8 × 968 or Rs. 7,744 and can be met from the lump provision of Rs. 75,000 in the budget for Muhammadan education. The Director of Public Instruction has not given an estimate of the non-recurring expenditure on furniture and equipment.

HOME (EDUCATION) DEPARTMENT.

A draft order is submitted for approval. The Director of Public Instruction proposes to appoint particularly capable men for the posts of lecturers in History and Logic. The rates of pay proposed by him may therefore be accepted. Subject to approval the rates as recommended by him have been entered in the draft.

2. As regards the clerk and peons the suggestions of the Financial Department may be accepted. It is not clear whether the Director of Public Instruction has

Yes.
