Lovedale,

14th May 1918.

Sir,

*It has been
decided to consider
them in connection
with the provision
of the School.*

I am desired by the Committee of the Lawrence Memorial School to ask if Government would be pleased to pass orders on the proposals of the Committee regarding the pay etc., of the staff submitted in my No.2566 dated 16th October 1917 at their early convenience.

2. In the meantime, the Committee would be grateful if the Government would be pleased to continue the bonus to the staff, as sanctioned in G.O.No.955 Home (Education) Department, dated 20th July 1917, for the year 1918-19, pending the receipt of such orders.

3. The continued rise in prices adds additional urgency to the grant of the bonus - and certain members of the staff with every desire to work at this school, have been compelled by the rise of prices to seek work elsewhere. This month, for instance, two members of the staff have sent in their resignation - one obtaining a post on three times his salary here at the Cadet College, and another obtaining a post at twice her salary here at Bombay.

I have the honour to be,

Sir,

Your most obedient servant,

A. Phayre L.G.

G.O.C. 9th (Secunderabad) Dn
and Chairman of the Committee of the
Lawrence Memorial School.

The Govt. sanction the continuance
in 1918-19 of the increased rates of

Sanctioned in G.O. No. 667 Est. of the 17-

(This was a misunderstanding in
the D.P.G.'s office)

Proposals for the revision of the pay
of the school staff referred to in para. 1 of the
current letter will be considered along with the
proposals for the provincialization of the
schools it will take time to come to a
decision thereon. In the meanwhile the
increase in the salaries already sanctioned
may be continued since without such
increase it would be difficult to
make the staff stick on.
