The Well in question is not of sufficient architectural interest to justify any subvention at Government expense and has been included by mistake in the Standard List.

Sir,

p. 2 under

With reference to Government Endorsement No. 860-B-1 dated 26th April 1918, ~~herewith resubmitted~~, I have the honour to state that no importance is said to attach to the monument "Bogamdani Bavi" except a tradition that it was constructed by the late Nawab of Cuddapah. It is also reported that such works are not a rarity in the district. It may therefore be removed from the list of ancient monuments.

I have the honour to be,
 Sir,
 Your most obedient servant,

The monument
referred to is the one shown at
item 189 at p. 7 of the list of ancient

⑤ monuments selected for conservation.
A short description of it is at page
15 of the annual report on archaeology

② for 1906-07. The monument is
Govt. property and was declared
a 'protected' monument ^(in 1908) on the
recommendation of Mr. Row, late
Arch. Supdt. ^(and) of Mr. Vaughan, I. A. S.,
then Secy. of Luddah. From
the collector's letter at p. 2 of S.C.

⑦ No. 244 Pule, d/ the 21st March 1908
^{it will be observed}
that the well is really of some
historical interest, having been
built by Abdul Ali Khan in 1113
and forms a good specimen
of a Muhammadan built well.
Mr. Vaughan's present state: that the
well is not of sufficient archi-
tectural interest to justify any
intervention from Govt. seems
to be irreconcilable with the
above report. Before the well is
struck off the list the collector

remains may be obtained.
