B.Sc., (Oxford) Lal Agraharam, Madura.

To

The Secretary, Department of Education,

Government of India, Simla.

Sir,

I beg to apply for an appointment in the Indian Educational Service as Professor of Philosophy.

I have taken the Bachelor of Science (research) Degree in Philosophy of the University of Oxford, by writing a thesis on a comparative study of the Metaphysics of Sankara and Mr. F.H. Bradley. The testimonials from my Professors and Examiners, copies of which I have enclosed, will show that my work was of a high order of merit. I was a member of Merton College, Oxford, for three years and during the whole of this period I was drawing a scholarship from the Government of India.

I was a Master of Arts of Madras University before proceeding to England. I took the M.A. degree in Philosophy in 1913 with a first class. I also obtained the first place in the first class in Philosophy in the B.A. Degree examination of 1911.

During the year 1911-1913 I was on the Philosophy staff of Pachayappa's College, Madras, preparing students for the B.A. Degree. I relinquished it before proceeding to England.

I was born on the 5th October 1894 and shall be 24 years old next October. My father was for a long time in Government service in the Public Works Department. My family has been settled for some time in Madura district and we have landed property in that district.

Professor Gilbert Murray and Professor J.A. Smith of Oxford and Diwan Bahadur Govindaraghava Ayyar Avargal of Madras will be glad to act as references.

I beg to request you also to keep my name on the list of those qualified to fill up acting vacancies in the Indian Educational Service even if you cannot see your way to appoint me permanently just now.

I beg to remain &c.,

S.S. Suryanarayanan.
