The humble memorial of

Abdul Qadir Quraishi, B.A., Ex-Sub
 Assistant Inspector of Schools,
 Trichinopoly, Muhammadan Range.

Honourable Sir,

Adverting to the orders passed in G.O. No. 1134
 Educational Mis. D/ 10th October 1915, communicated to me
 with proceedings Ref. on Cur. No. 700 D/ 21-10-1915, by the
 Director of Public Instruction, Madras, I most respectfully
 beg to submit for the generous and sympathetic consideration
 of the benign Government, the following humble representation
 in regard to my most deplorable and distressed condition and
 that of my poor and innocent family.

2. A malicious petition from one of the teachers of
 the Salem District submitted by him in collusion with the
 supervisor has unfortunately culminated in my removal from
 Government service after a faithful, strenuous and unble-
 mished service of a long term of 18 years, inspite of my
 humble appeal and importunity pointing to the malicious and
 vindictive nature of the infamous charge laid against my
 conduct which I maintain^{ed} spotless during 40 years of my life.

3. As irony of fate would have it no reasonable
 opportunity was given me nor did I think it necessary to ask
 for ~~him~~^{it} being conscientiously convinced of my innocence to
 make my defence or to controvert the charge against me as
 provided

provided by Act 37 of 1850 or to adduce respectable evidence in proof of my unimpeachable conduct and unsullied character.

4. My antecedents, previous character and respectable connections as borne out by the copies of my testimonials which are herewith enclosed were not taken, to my grave misfortune, into consideration in judging against me on a frivolous, unfounded and malicious charge laid against me several months after the alleged occurrences, and the capital punishment of dismissal, was eventually passed against me depriving me -- and my innocent family consisting of ten souls of their sole means of sustenance of life. Nor was my spotless service in 19 out of 25 districts of the Presidency during 18 years of my faithful service taken into consideration.

5. A large outlay of money, great labour and mental work bestowed upon my education and great diligence employed by me to take B.A. Degree with Mathematics and Natural Philosophy as my optional subjects in which not even half a dozen members of my community have succeeded in this Presidency, have all proved fruitless.

6. My education, my spotless career, 9 years as a clerk in the Revenue Secretariat and 9 years as a Sub-Assistant Inspector of Schools, were not helpful in averting my insurmountable destiny and my miserable ruin.

7. The capital punishment awarded to me has, it is submitted, made me ineligible for any appointment under the British Government, Native states, or private bodies, and deprived me of the sole means of maintaining myself and my innocent family which has been under-going unbearable hardships and privations.

8. The Hon'ble the Director was gracious enough to spare me some means of sustenance on humble representation to him and favoured me in modification of his original order

with

with a requisition letter to the medical officer to see whether I could not be granted an invalid pension but to my sheer misfortune his act of grace proved fruitless and the medical officer certified that I was not physically unfit to retire on an invalid pension. Even inspite of it the Director exercised his deepest mercy towards me and reduced me to a clerk's place on Rs 40/- a month in his office which, as my ill-luck would have it I did not, in the blind conviction of my righteousness, take advantage of it, also being of the view, that it would cast an indelible stain on my character and reputation under the bare of official condemnation, if the matter was left unredressed.

9. But on the advice of some of my well-wishers and in view of my dogged persistence and adherence to my firm faith in my righteousness, I indiscreetly appealed to Government against the order of reduction only to merit the order of dismissal finally passed against me to my utter dis-appointment and to thus cut the grass under my own feet and deprived my self and my desitute family consisting of ten souls of the bare subsistence allowance which the Director had very compassionately spared me.

10. In view of my present distressed condition and in the light of the foregoing circumstances, I most respectfully and humbly appeal once again to the merciful and sympathetic feelings of the Government of Madras and pray that they may be pleased to take special consideration of my faithful service of 18 years and recommend to the Government of India for the grant, as an act of grace, of a compassionate allowance or reduced pension as provided by Article 353 of the Civil Service regulations 1915. Edition based on the despatch from the Right Hon'ble the Secretary of State for India in Council authorising the Government of India to grant compassionate allowances to officers removed from the service for mis-conduct or inefficiency, which was communicated to the Government of Madras with the letter of the Government of India

finance Department No.5037-P. D/ 28th August 1907 (Please see G.O.No. 459D/ 10th September 1907 Financial of the Government of Madras).

11. For which Act of kindness and benevolence, I shall, as in duty bound, ever pray.

Abdul Kadir Quraishi was a student of this college for several years and I have much pleasure in stating that he has acquired a sound knowledge of all the subjects he has studied. He is a young man of respectable parentage and of excellent conduct. He has just passed the B.A. Degree examination taking Mathematics as his optional subject. It is very creditable that he should have taken up such a subject as it is considered exceedingly difficult by the students generally and by Muhammadans in particular.
