R.C. No. 194/18

Station Madras, Dated the 28 May 1918

From (Name) the Hon'ble Mr. J. H. Stone, M.A., F.R.H.S., C.I.E.,
(Designation) Director of Public Instruction,
MADRAS.

To The Secretary to the Government of Madras,
HOME (EDUCATION) Department.

Sir,

The post of Instructor in Physical Training for European Schools was sanctioned temporarily for five years in G.O.No.43, Educational, dated 15th January 1913, and Mr.S.J. Hall who was appointed to the post (vide G.O.No.706, Mis., Educational, dated 31st July 1913 and G.O.No.1188, Mis., Educational dated 12th December 1913) having joined the appointment in the forenoon of the 2nd September 1913, the period of five years expires on the 1st September 1918. Mr.Hall was granted leave on medical certificate with effect

ital as an in-patient from the 18th September 1917 and although he has since been discharged therefrom the Medical Officer is of opinion that he will not be fit to rejoin duty and that he will not even be able to walk for many months. He holds a permanent appointment under the Bengal Government as the Gymnastic and Games master, Victoria School, Kurseong, and his lien in that appointment/in this Department lasts, vide G.O.No.756 ^{for which his appointment}

(W) Educational, Miscellaneous, dated 30th June 1914. The Medical Officer will again be consulted about the end of August 1918, and if he is then of opinion that Mr. Hall will not be fit for the duties of the Physical Training Instructor, his services will have to be replaced at the disposal of the Bengal Government after the expiration of the leave on medical certificate up to the 1st September 1918 granted to him. I have the honour to request that the Government of Bengal may be informed accordingly.

2. As regards the post itself which has been sanctioned temporarily for a period of five years, I beg to submit that the experience of the last five years has justified the institution of the appointment and that physical instruction in the Schools has greatly improved both as regards pupils and teachers. This advance would probably be lost if the post of Physical Training Instructor were discontinued now. As its continuance is necessary to establish permanently the new methods of instruction, I beg to recommend that the post

be made

NOTES.

at present, Mr. Hall is not likely to continue after the expiry of the present tenure of app't.; and the Director has apparently no intention of giving more than Rs 200 p.m. to Mr. Hall's successor. If however an increase of pay is found necessary, the Director will apply for it later on and such application will have to be considered with refer. to the merits of the individual that may happen to ^{take} Mr. Hall's place. The Director's present proposal is only to make the app't. permanent. In this view the drafts in the files may issue.

Mr. S. J. Hall, Gymnastic and Games Master, Victoria School, Kurseong, to Madras. In that letter, the Madras Government agreed to the suspension of Mr. Hall's lien on his permanent appointment in the Victoria school for the full period of five years for which he was appointed as Physical Training Instructor in Madras.

2. The Madras Government have since made the appointment of Physical training instructor permanent. But Mr. Hall has been on leave on medical certificate since 18th September 1917 and though he has been discharged from the General Hospital where he was all along under treatment as an in-patient, the Medical Officer is of opinion that he will not be fit to rejoin duty for some time. As the period of his engagement expires on the 1st September 1918 up to which date his leave on medical certificate also has been extended, the Medical Officer will again be consulted by the end of August next, and should that officer be again of opinion that Mr. Hall will not be fit for the duties of Physical training instructor, his services will be replaced at the disposal of the Government of Bengal after the expiry of the leave.
