 D. O. TALUK BOARD'S OFFICE,
 Madanapalle, 15 June 1918.

Dear Mr. Ramachandra Rao,
 I have just received from
 the Board G.O. 757
 of 11 June 18 but am disappointed
 to find that you have provided
 only Rs 125 to the Head Master. It
 is the same as that provided for
 a High School with the IV form
 at the top class in Annexure I.
 The Madanapalle High School
 starts with the VI Form as the
 top class as it has to take in
 the students of the old Theosophical
 College. I am sure you know
 that it is difficult to get a Head

Home Education Dept.

In suggesting a uniform scale the
 Director proposed a scale of Rs. 125-5-150 for the
 post of headmaster. The Financial Dept.
 however was of opinion that the pay should be

3
Master on Rs 125 to a High School
teaching up to the VI Form; and
I suspect therefore that it is owing
to some inadvertence that the
same scale of pay as that of
a IV Form High School has been
provided for the Madanapalle
High School. If you consider
it necessary I trust you will
consult with the D. P. I and
rectify the mistake so that our
task in securing a suitable Head
Master may be made easier. I
would like to remind you that
we have to compete here with
two other schools viz the Theosophical

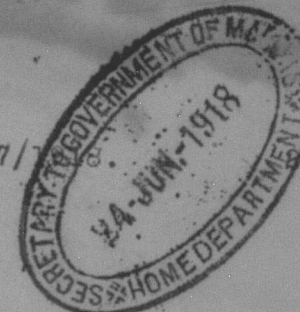

and Mission and therefore
it is quite necessary that our
staff must be quite efficient.

Yours sincerely

My dear Diwan Bahadur,

Please read the enclosed. It appears to me that it will be necessary to wire at once to him to the effect that he may engage a headmaster on Rs. 150/- and incur expenditure up to Rs. 2,000/- on laboratory equipment.

Yours sincerely,

TALUK BOARD'S OFFICE,
Madanapalle, 19 June 1918.

Dear Sir,
I have just received G.O.
No. 757 of 11 June 1918 (Home).
The pay of the Head master for
the Madanapalle High School
is given as Rs 125 which is the
same as that provided for the
Head master of the IV Form High
School referred to in Annexure 1.
In the Madanapalle High School
the top class will be the VI Form
and I doubt whether we shall
be able to secure the services
of a suitable man for the post
on Rs 125. Amongst the appli-

Cant. There are persons who are at present head masters of high schools drawing Rs 150. Unless that amount is fixed as the salary of the head master of the Madanapalle High School I don't think it will be possible to get a competent head master. Thinking that the scale now fixed may be due to some mistake I am writing this to invite your attention. I trust that my conjecture is right and that you will kindly take steps to rectify the mistake.

Among the applications that I have now received there are

a number of students whose optional subject in the Theoretical School was Physics and Chemistry. It seems they cannot under the rules change the subject now - To discuss these matters and to select the staff (which the President of Board has entrusted to me) I wrote to the Inspector of Schools in Circle but Mr. Raman Rao would to me yesterday that he was engaged in inspection of Secondary Schools in the Anantapur Dist. and could not therefore meet me now. As we have

4

hardly time before the next
School year commences, and
I think the regular work must
commence at the latest by 8th July
next, I would like to be advised
as to whether Physics & Chemistry
could be taken up as subjects
in the new High School and if
so whether the necessary apparatus
would be made available. The
provision made for equipment is
so meagre that I fear that
it will hardly meet the cost of
furniture & books.

Trusting that you will kindly
favour me with an early reply.

Yours sincerely

R. Khabbani Ram

NOTES.

Home Education Department

In submitting proposals for the opening of new secondary schools the Director suggested the employment of a uniform scale of establishment for all schools and according to his proposal the headmasters were to get Rs. 125-5-150. The Financial Department, however, ^{proposed} ~~decided~~ that the pay should be fixed at Rs. 125 pending further consideration of the uniform scale of establishment ~~also~~ and this has been adopted. ~~However~~ The P.T.B. states that it is not possible to secure a competent headmaster on Rs. 125. It is therefore for consideration whether as recommended by the Director, the employment of a headmaster on Rs. 150 may be approved. ~~See the table attached on page~~

2. As regards laboratory equipment a grant of Rs. 1,100 has been sanctioned in f.o. no. 757 of 11.6.18 for this purpose. The P.T.B. has not specified the additional amount required. From the Director's d.o. on p. 2 ante, it appears that he recommends an increase of Rs. 900 ~~of this~~ to this provision. Besides this provision ^{meaning} of Rs. 550 has been provided for furniture and science apparatus, ^{under recurring charges} and apparently this will not be available for initial expenditure. It is for consideration whether an additional sum of Rs. 900 may be sanctioned for the laboratory

The original scale of Rs 125-150 proposed by the D.P.I was intended for the head master in a school teaching the sixth form. Please see page 3 of fo. 757. D. 8. 11. 6. 18. By adopting the initial pay of that scale, ~~and~~ ~~in~~ the tentative arrangement sanctioned in the fo., ^{senior} alteration has been made in the pay proposed. There seems to be no doubt that the above scale was intended to be the ultimate prevailing scale ~~in~~ even in a full grown high school, and not the pay of a head master with a school with the fourth form alone. There has thus been no mistake in adopting that scale for the Madanapalle high school.

(D)

Please see the tabular statement on page 3 of the notes with fo 757. D. 8. 11. 6. 18. While there are some schools with the initial pay of Rs 150 for head masters, there are others which start their headmasters on lower pay. The Taluk Board President's current ^{actual} correspondence does not show that he has failed to secure a headmaster on the

8

pay sanctioned. He ~~is~~ only "doubts" that he may not be able to get one; this representation ~~appears~~ for increased pay seems ^{chiefly} ~~more~~ to be based upon the idea that there has been a mistake in fixing the same scale of pay for the ~~a~~ headmasters of schools with fourth forms for the present & those with ^{5th} sixth form at the outset. We have adopted, as a matter of fact, the ultimate scale suited to a school with a sixth form uniformly throughout, i.e. the highest ~~the~~ scale ~~that~~ the lower scale. A change here will affect the scale in the other schools also.

The case of Madanapalle is peculiar. We propose to start a full high school up to the VI form & compete with the existing National & Mimi Schools.

The Pres TK B? who is organising the school evidently wishes to appoint an experienced headmaster. If he is drawing over Rs 125, he is obviously not available for Madanapalle unless the pay is increased.

I would reply to Mr. Pallabharu as follows:—

D.O. No 1603A-2 of 27.6.18

My dear Pottabhisama Rao,

I am in receipt of your letter of the 19th June & Mr. Stone has forwarded to me your letter of the same date.

We realise the importance of securing the services of an experienced headmaster for the Board High School Madanapalle.

They have sanctioned a salary of Rs 125 pm. If however you have a good man in view recommended by the Educational authorities who is already drawing elsewhere more than Rs 125, the Govt have no objection to your employing him & paying him what he already draws subject to a maximum of Rs 150 p.m.

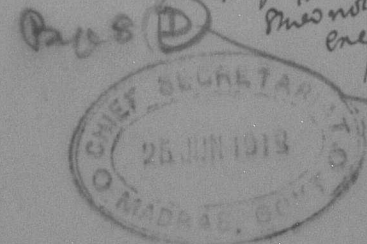

Regarding your provision for equipment, the Govt observe that a grant of Rs 1100 has been sanctioned in G.O. 757 dated 11 June 1918 and under there is a provision of Rs 550 for furniture & science apparatus. If you need more, please send an application with details to the Inspector of Schools.

Yours faithfully,
R. P. B. Madanapalle

NOTES.

Financial Dept.

The Registrar Home dept. rightly points out that Rs 125 is the minimum pay for all High Schools. The present proposal amounts to giving the suggested maximum pay straight away. Personally I do not like the idea, but as the circumstances of the case of Madanipalle are special Chief Secretary might perhaps agree to such scheme as may be necessary being given in the shape of an allowance not exceeding Rs 25 a month to be personal to the Head Master selected to start the school.
