To

The Secretary to Government,
Political Department,
Hyderabad Deccan.

Sir,

With reference to the correspondence ending with this office letter No. 1449, dated the 7th April 1918, I have the Honour to say that the Superintendent of Archaeology in reply to my letter No. 1449 dated the 7th April 1918, has observed that the Telugu manuscripts in the Dominions are generally the property of private individuals and that his office does not possess sufficient information regarding the addresses &c, of the owners of the inscriptions. The Superintendent therefore suggested that a circular letter be issued to the Taluqdars who may be asked to notify the object of the visit of the Madras party within their respective districts and also to render necessary assistance to the party when they come over to the Dominions. He also suggested that a notification on the subject might be published in the Jarida for the information of the people of Hyderabad. As these suggestions are likely to facilitate the visit of the Madras Research party a circular letter to the Taluqdars and a notification in the Jarida for the information of general public have been issued by me.
