Previous to his employment on the Hospital Ship he was Typist in the General Hospital, Madras, where he had served for 8 years before volunteering to go on service with the Hospital Ship. His work has been very highly spoken of by the different officers under whom he has served on the Hospital Ship and I enclose copies of their testimonials. He has passed the following examinations:-

Owing to his private family affairs he applied to be relieved of his appointment on the Hospital Ship and the Senior Medical Officer was I know very reluctant to let him go. SUBJECT.

Exemption of P. S. Sundaram clerk in the Postal Dept. from educational qualifications with a view to his employment as a clerk on Rs. 40 pm in the S. G.'s office

The Surgeon. General recommends that P. S. Sundaram a clerk in the Postal Dept. may be exempted from the examination qualifications necessary for appointments on Rs. 40 and above in his office.

P. S. Sundaram has worked in the General Hospital, Madras, for seven years (as clerk) and in the Hospital ship "Madras" for nearly two years (as head clerk), and is well spoken of. The S. G.'s proposal to exempt him permanently from educational qualifications may therefore, it is submitted, be supported in this Dept. ~~It is recommended that the exemption should not be limited to appointments carrying a salary of Rs. 40 and above. It is suggested that in the case of such exemption to check in the Secretariat to limit the exemption to appointments in the lower division.~~

I should be inclined to suggest exemption so as to admit of his appointment on Rs 40; promotion thereafter to depend on his practical usefulness
