Madras

Sir,

I have the honour to inform you that, by an order of the Government of French India dated 15th March 1918, the English school at Mahé has been converted into a branch of Collège Calvé, Pondicherry, under the name of "Section Mahésienne du Collège Calvé" de Pondichéry (Mahé branch of Collège Calvé Pondichéry) and that <sup>His</sup> ~~Her~~ Excellency the Governor of Madras has been pleased to let us know, by his letter N° 535<sup>3</sup> dated 25th April 1918, addressed to <sup>His</sup> ~~Her~~ Excellency the Governor of French India, that the above mentioned School at Mahé being a branch of a School already affiliated to the University of Madras need not obtain a separate recognition from the University.

I therefore request you to order your subordinates to admit the pupils of the said Mahé branch of Collège Calvé into the schools in British India under the same conditions

as those that apply to pupils seeking admission from other  
schools recognised by the Director of public instruction or  
the University of Madras.

I have the honour to be,

Sir,

Your obedient servant

McC. Vallabhai

Under rule 8 of the Madras Educational Rules all collegiate institutions within British Territory in the Presidency which are affiliated to the University, are recognised. Calve's College at Pondicherry is already an affiliated institution and the school

at Mahe teaches up to the III form and occupies the position of a feeder to the College. H.E. the Governor of French Settlements in India, Pondicherry was also recently informed that it was therefore not necessary to secure the separate recognition of the school by the University of Madras - Vide letter No.533 Edl. dated 25-4-18. In the circumstances there is no objection to the recognition of the school under the Madras Educational Rules for the purposes of Rule 44 thereof.
