To

The Assistant Archaeological Superintendent for Epigraphy,
Southern Circle, Madras.

Respected Sir,

I respectfully beg to bring to your kind notice
and favourable orders the following few lines.

In this office letter No. 22, dated the 10th January 1914,
a revised scale of pay for the peons, attender and the clerk was
addressed to Government and the Government have accordingly san-
ctioned the revised scale for only the menials of the office (Vide
G.O. No. 513, Public, dated the 28th April 1914). The appointment
of a typist in this office was not then foreseen. Again, when
the Government was addressed in this office letter No. 133, dated
Ootacamund, 19th February 1916, for the new appointment of a
typist the question for the grant of Grain Compensation Allowance
for the typist was not considered on the score that there would
be no objection by the Government for the grant of such a conces-
sion to the typist of this office in as much as the effect of
G.O.No. 513, Public, dated the 28th April 1914 would naturally
affect the then existing establishment and not any future appoint-
ments that would arise in the course of reorganising or strengthen-
ing the establishment by additional members. The office was how-
ever pleased to treat my case in the light of a new appointment
and has consequently drawn the Grain Compensation Allowance, for
which I was entitled and besides addressed Government again con-
sequent on the objection of the Accountant-General depriving me
of such a concession for the re-consideration of my case, which
unfortunately was declined (vide G.O.No. 693, Home, (Education)
dated the 25th May 1917).

the
Owing to abnormal increase in the price of food stuffs on ac-
count of war and the high house rent in the city of Madras, I

I respectfully submit my humble petition for the re-consideration as a special case of the grant of either a Presidency allowance or a Personal allowance whichever the office may think fit.

I beg to remain,
Respected Sir,
Your most obedient servant,

K. Somasundaram Pillai,

No. 345, d/ 1.7.18.

In any shape or other, the question of the grant of an allowance to the typist in question was brought up by the A.A.S. on two successive occasions last year and the proposal was twice referred by the Govt., the attention of the A.A.S. having been drawn to the general order withdrawing g.e.A. from his entire establishment.

2 The A.A.S. now forwards, in original, a memorial preferred by the typist with the sub: that the typist "has been doing good work in the office and deserves encouragement". The only new argument discernible in the memorial is that based on inflated prices of food-stuffs caused by the war and the abnormal house rents prevailing in Madras. These circumstances, the reality of which no one can deny, affects all classes of people and all grades of Govt. servants. It has also been on a measure recognized by
