From (Name) The Hon'ble Mr. J. H. Stone, M.A., F.R.H.S.,
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
HOME (EDUCATION) Department.

Sir,

In continuation of my letter No. 7968/17 dated 21st April 1918 (para 4) and with reference to para 4 (1) of G.O. No. 757 Home (Education) dated 11th June 1918, I have the honour to report that the Sree Dandapani National Secondary school, Palni, has passed to the management of the National Board of Education and that recognition may be withdrawn from it as it is not desirable that the school should continue to be recognised under its present management. There is at present a Municipal Hindu Elementary School in Palni and the Inspector of schools recommends that it may be raised to the grade of a middle school. I am in

favour

Proceedings of the Meeting of the Palni
People's association held on Monday
the 24th June 1918.

Resolutions.

1. This association most respectfully
begs to submit that the only incomplete
Secondary School in this town of Palni
which was under private manage-
ment for a period of nearly 25 years
having lost its government recognition
some 3 years ago owing to inefficient
management and want of proper
equipment. As per the Conditions of the
new Educational Rules, the Theosophical
Educational Trust then took up
the management of the School and
has been conducting it as a recognised
institution till the end of the last
school term. But consequent on
the non-existence of the Theosophical
Educational Trust as a school manag-
ing body on account of its being
merged with the new National
Education Board, the grant as well
as the recognition of the Palni School
has already been withdrawn by the
Department with the result that
the town which besides being a
Municipality of over 30 years standing
is the headquarters of the Taluk and
also a great pilgrim centre, is now
left even without a middle school
of government recognition. It is well
known

favour of the proposal as one provision already exists for
Elementary Education in the place. It is also reported that the
building of the Municipal Hindu Elementary school will provide
sufficient and fairly suitable accommodation for a middle school
In these circumstances, I recommend that sanction may be accorded
to the raising of the Municipal Hindu Elementary school, Palni,
to the status of a middle school and to the opening of the
same at a very early date.

I beg to enclose herewith a copy of the resolutions
passed at a meeting of the Palni People's Association which
shows the need for a recognised middle school in Palni.

I request the favour of very early orders on the subject
as the current school year has already commenced.

I have the honour to be,
S i r,

Your most obedient servant,

R. A. Arum.

For Director of Public Instruction.

Known ^{to} the Educational Authorities that this town and Taluk of Palni is very much backward in point of Secondary education, and the existence of at least a Middle School is one of great necessity to this town which has a population of about 20000 with many surrounding big villages and unions such as Ayakudi, Balasamudram, Kalayambutoor, Naickarapatti & within a distance of about 2 miles. It is also to be very much regretted that there while there are flourishing Municipal High Schools in Dindigul 36 miles on the east, in Dharapuram 22 miles on the north, in Udumalpet 22 miles on the west, even the Middle School which has been in existence in this Municipal town of Palni for over quarter of a century and which was also on the eve of its being raised into a High School, has now been purposely allowed to be abolished by the Theosophical Educational Trust people who with their own object of converting the same into a National Education School under the management of the new National educational Board have coolly allowed

allowed the withdrawal of the recognition of the school without the knowledge and Consent of the people. As the townsmen now understand that on the recommendation of the Director of Public Instruction the Government have already sanctioned to newly open 18 High Schools and 18 Middle Schools in various parts of the Presidency and as there is no recognised School at all at present in this important place of Palni which for reasons stated above has a preferential claim over every other place for which sanction might already have been accorded, we the townsmen of Palni most respectfully pray the Government and the educational authorities will be pleased to sanction and establish in Palni at least a Middle School and thereby improve the Secondary education of this backward locality which is admittedly in great and urgent need of a recognised Middle School on the departmental lines rather than a new kind of school under the ^{new} National Board which aims at introducing by slow degrees a different system of education altogether ill-suited to the higher and collegiate

collegiate course.

CNo. 1804 A from the D.I.D. no. 7968 d 9.7.18.

Subject. Raising of the municipal Hindu elementary school at Palni to the status of a middle school.

Submitted that the Director's proposal to raise the municipal Hindu elementary school to the status of a middle school ^{may be approved}. The Municipal Council may be permitted to employ the staff mentioned in Col. (4) of Annexure III on p. 9 of no. 757 d 4.6.18.

(5) As regards the contingent charges entered in col. (5) it does not appear necessary to sanction any expenditure on account of rent (Rs. 250) as the middle school is proposed to be located in the ~~existing~~ building newly constructed for the elementary school. The total charges for the current year ^{submitting} will then come to Rs. 3,046. In ~~the~~ his original proposals the Director estimated the fee income at Rs. 1,500. The net expenditure may thus be taken at Rs. 1,546 and half of this together with a lump sum of Rs. 950 for equipment may, as in the case of other middle schools, be placed at the disposal of the Municipal Council.

2. A draft order is submitted for approval. It may be sent to D.M. and Financial for acceptance.
