Hon'ble Mr. H. Sharp, C.S.I., C.I.E.,

Offg. Secretary to the Government of India.

The Secretary to the Government of Madras,

Home (Education) Department.

Sir,

1832A

The Government of India have been informed that the authorities at the India Office have been greatly handicapped in the past in arranging for the training of State technical scholars by reason of their lack of knowledge as to the kind of employment the scholars are likely to secure on return to India. In this connection I am to invite attention to the concluding sentence of paragraph 7 of the revised rules relating to these scholarships forwarded with this Department letter no.175, dated the 18th March 1918, and to request that the particulars furnished to the Under Secretary of State for India in regard to the candidates who may be selected for training abroad may contain as detailed information as possible on this point.
