23.7.1918.

It is entirely a question of relative need of which I am no judge. Mr. P. Call. work of course super but the chemistry work could be carried on. There is a man available who has had two years research scholarship under Dr. Simonson and of whom he has a high opinion.

CONFIRMATION OF TELEGRAM No. E-73 dated Simla the 19th July 1918

FROM

The Secretary,

TO

Indian Munitions Board.

The Secretary to the Government of Madras,

Home (Education) Department, Ootacamund.

E-73. Munitions Board has been ordered to take control of oil supplies, mineral and vegetable and is anxious to utilise services of Dr. Simonsen of Madras Presidency College as Deputy Controller Vegetable oil industries. His technical knowledge and familiarity with Madras conditions would be of special value if His Excellency the Governor could sanction his deputation for period war. Kindly wire decision.
