 (Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
 HOME (EDUCATION) Department.

Sir,

I have the honour to submit, herewith for the consideration of Government a copy of letter No. 219/A.C. of 18 dated 22nd April 1918 of the Agent to the Governor in Ganjam suggesting that the special Assistant Agent might be empowered to distribute the scholarships the award of which has been approved in G.O. No. 29 Home (Education) dated 10th January 1918. These scholarships are now distributed by the Inspector of schools, 1st circle and this procedure is said to entail delay. It may be mentioned in this connection that this question was also raised by the Government Agent, Godavari, in his notes on the administration of the Agency and I have reported

in connection therewith that I shall be glad if the Assistant Agent can have the responsibility of distributing the money. The Government Agent, Vizagapatam, has not made any reference on the subject. If the Government approve the proposed change of system, I submit that it may be given effect to in all the three Agencies.

I have the honour to be,

From the Agent to the Governor in Ganjam, No.219/A.G. of 18 dated 22nd April 1918.

"I have the honour to bring to your notice that the present system of granting scholarships to the pupils in this Agency entails much delay. Proposals, which are submitted in April of every year are ordinarily received sanctioned from the Inspector of schools in October, and as a result pupils do not begin to get any money till December of that year.

2. The Inspector's sanction being only a formal one, I suggest that the special Assistant Agent may be empowered to sanction the scholarships himself, which arrangement will enable the pupils to get their 1st scholarships at least in the 1st week of June and thereafter monthly.

3. The Inspector of schools who was consulted in the matter says that he has already, submitted proposals to you with his N.No.103/18 dated 16th March 1918, in accordance with my suggestion.

4. I request that you will be so good as to pass early orders in the matter of empowering the special Assistant Agent to sanction the scholarships himself."
