To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.

Sir,

In G. O. No. 1305 Home (Education) dated 3rd October 1918 a grant not exceeding two-thirds of the actual expenditure nor Rs. 2,930 was sanctioned towards the cost of extensions to the building occupied by St. Joseph's European Boys' School, Vepery, Madras. The Correspondent states that the rates have considerably risen since the plans and estimates were sanctioned, and in submitting revised estimates requested that the grant sanctioned may be raised proportionately. The original approved plans and estimates

and the revised estimates now received from the Correspondent are submitted herewith, and particulars of the original and the revised estimates are given below:-

Two-thirds grant	<u>2930</u>	<u>3315</u>

I have the honour to recommend that the grant sanctioned may be raised from Rs.2,930 to Rs.3,315 subject to the approval of the revised estimates by the Chief Engineer, Public Works Department.

In G.O. No.1305 Home Educational, dated 3rd October 1918 an estimate amounting to Rs.4,395 was sanctioned for constructing the St. Joseph's European Boys' School, Vepery, Madras.

II The Director of Public Instruction now submits a revised estimate amounting to Rs.4,973.

III The revised estimate has been scrutinised in the Chief Engineer's office and it is found that the excess of Rs.(4973-4395) = Rs.578 is due solely to enhanced rates since the sanction of the original estimates. The enhanced rates however have not been supported by suitable data.

IV With these remarks the revised estimate amounting to Rs.4,973 is recommended for sanction.
