Sir,

With reference to your Endorsement No.1433 B-1 dated 4th August 1919 I have considered as to whether the document -- in question should be written on a stamped paper and especially as to whether it would come under the definition of a power of attorney and so require stamping.

2. I understand that the rules of the College --- authorise a nomination of a deputy if a member of the Committee so wishes to appoint one in his stead if he cannot take an -- active part, such deputy would act for himself as a member of -- the Committee and in his own name. A power of attorney is a - delegation of authority in writing by which one person is -- empowered to do an act in the name of another and that is an appointment of an attorney, and my opinion is that this is not wide enough to include the delegation now proposed and that the document in question need not be written on a stamped paper.

3. I return the enclosures sent with the Endorsement.

I have the honour to be,

Sir,

Your Obedient Servant,

Ag: Government Solicitor.
