Sir,

I have the honour to state that on the recommen-
dation of the Inspector of Schools IIIrd Circle Bellary,
one A.N. Rheema Row Head Master (on Rs. 30 + 6 Local -
allowance) Model School attached to the Government trai-
ning school Royachoty of this District, was appointed
as subprotem teacher on Rs. 50 for one year on probation
in the newly sanctioned Incomplete Secondary School at
Royachoty. As this teacher had put in 10 year's service
qualifying for pension at the time when he was enter-
tained in the Local Fund service, it seems that under

Article 763 previous sanction of Government should have been obtained for such a transfer. The Inspector of schools however simply recommended the transfer without previously obtaining the sanction of Government. Permission is also necessary under Article 802 Civil Service Regulations for payment of pensionary contribution from Local Funds to enable this teacher to secure pension from General Revenues when he retires. I therefore request, that as the transfer is in the public interest, the necessary sanction of Government may be accorded. The teacher has consented to the deduction of the amount of pensionary contribution from his salary.

I have the honour to be,

Sir,

Your most obedient Servant,

M. B. S. 8-6.

2. There is no audit objection to sanction being accorded under Article 763 of the Civil Service Regulations to the loan of the services of Mr. A.N. Bheema Row, Headmaster, Model School attached to the Government Training School, Royachoty, to the District Board, Cuddapah, for employment as sub protem teacher on Rs.50/- for one year on probation in the newly sanctioned Incomplete Secondary School at Royachoty.

3. As his substantive pay in British Service is only Rs.25/- per mensem, he can be ordinarily granted a pay of Rs.31.4.0 per mensem in Foreign service under Rule I of Article 764 of the Civil Service Regulations, but the pay proposed viz., Rs.50/- per mensem (inclusive of pensionary contribution) can be sanctioned if Government consider the case as one falling under Rule II of the above article.

4. Pensionary contribution is payable at 1/4th of his substantive pay of Rs.25/- per mensem in British Service under Article 770(b) of the Civil Service Regulations. Article 802 of the Civil Service Regulations quoted by the President, District Board, is inapplicable to the present case.

NOTES.

G.No.4307 L., from the P.D.B. Cuddapah, No.690, dated 7-6-1919.

Subject.- Payment of pensionary contribution on behalf of a teacher in the Board Middle School at Royachoti.

In G.O.No-757 Home (Education) dated 11th June 1918 the Government sanctioned the opening of a middle school at Royachoti under the management of the Cuddapah District Board, with the establishment specified in col. (4) of the statement printed as annexure III to that G.O. The net cost of the school is to be met from Provincial funds.

2. The question of sanctioning the loan of the services of the teacher in question is one for consideration in the Home (Education) department and it may be remitted to that department for the issue of orders.

3. As regards the payment of pensionary contribution by the Cuddapah District Board to Government on behalf of the teacher, it is submitted that the special sanction of Government is not required for it, as such payment is obligatory under sub-section (1) of section 42 of the Madras Local Boards Act, 1884.

4. Attention is solicited to para.3 of the Accountant-General's endorsement in which he raises the question as to what pay should be given to the teacher while he is in the local fund service. Ordinarily he can be given a pay of Rs.31-4-0 per mensem. Under rule II of article 764 of the Civil Service Regulations "an officer transferred to an unusually responsible or difficult post or to one the duties of

Submitted that this department may support the proposal to fix the pay of the teacher at Rs.50 per mensem, but this should include pensionary contribution.

5. With the above remarks the file may, it is submitted, be transferred u.o. to the Home (Min.) Department.
