Home (Edo 2)

Miss Mc. Carmick avoided herself of the one year's furlough granted to her with effect from 13th Sept. 1918 & through the Secy. of State has permitted her to return to duty. ~~She has not yet~~

2 Miss Mc. Carmick is now drawing Rs 440 in the grade of Rs 400-20-500-2575. It is unlikely that this grade can afford to spare her services since even, as it is, another professor is sought for the teaching of Physical Science in the college and the Secy. of State has been separately addressed in regard to the creation of the new professorship & the recruitment of a suitable lady to the post.

3 The D.O. of 9th telegrams may however be forwarded w/o to the D.P.S. for remarks.
