Letter—from the Hon'ble Mr. H. S. DUNCAN, Acting Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department (through the Accountant-General).

Dated—Madras, the 7th January 1919.

No.—R.C. 4687/18.

In inviting the attention of Government to paragraph 2 of Mr. Stone's letter R.C. No. 3811/18, dated 20th May 1918, disposed of by G.O. No. 687, Home (Education), dated 31st May 1918, I have the honour to state that the Inspectresses of Girls' Schools were called upon early in May last to report on the question of the permanent retention of the existing temporary staffs in the Government girls' schools under their respective control. The Inspectress of Girls' Schools, Northern Circle, has reported that there are no temporary posts in her circle, while the Inspectresses of Girls' Schools, Central and Southern Circles, have submitted their reports together with statements furnishing particulars regarding the strength and average attendance of the several standards in the schools concerned for the past three years. On a careful examination of the statistics furnished and the arguments adduced in those reports I have selected a number of cases in which the permanent retention of the temporary teachers is very desirable and necessary and also a few cases in which the employment of additional temporary teachers is advisable in view to the efficiency of the schools which are, in my opinion understaffed. My recommendations together with particulars regarding the present scale of staff, the strength of the schools and the grounds of proposition are, for facility of reference, embodied in the statement annexed to this letter and I now beg to request that Government will be pleased to approve of them and that sanction may be accorded for a period of one year from 1st March 1919 in the case of the additional temporary staffs proposed to be newly employed and either from the same date or from the date of expiry of the present sanction whichever is earlier in the case of the temporary staffs proposed to be made permanent.

2. In regard to the new temporary staffs proposed I request that provision may be made for the extra charge in the budget estimates for 1919-20.

NOTES CONNECTED WITH G.O. No. 1025, HOME (EDUCATION),
DATED 25TH AUGUST 1919.

[SUBJECT.—*Staffs of certain girls' schools.*]

Telephonic message—from the Director of Public Instruction, Madras.
To—the Secretary to Government, Home (Education) Department.
Dated—the 26th February 1919.

Please see this office letter R.C. No. 4697/18, dated 7th January 1919, recommending (1) the continuance for another year of certain temporary posts of teachers in some girls' schools, (2) the permanent retention of some temporary posts, and (3) the creation of some new posts.

As the existing sanction for the continuance of temporary posts has expired in a few cases and will expire at an early date in the case of a few others, may I request that sanction be accorded to the continuance of all the existing temporary staff for another year pending the consideration of the permanent retention of some of them.

The Director's letter referred to above was received in this office through the Accountant-General on 20th February 1919. As the establishment proposals therein affect as many as 34 schools and as a reference to Financial will also be necessary, it will be some time before the case is examined and final orders are passed. As pointed out in the Director's telephonic message above, the current sanction for existing temporary posts will expire by the end of this month in a good number of cases and has already expired in a few instances. It is therefore submitted that an ad interim memorandum may issue sanctioning the continuance of the existing temporary staff pending orders as regards the permanent retention of some of them. A draft memorandum is submitted. It need not go to Financial for acceptance as there is budget provision so far as the existing staff is concerned.

2. After the issue of the memorandum, the case will be examined and submitted for orders.

E.A.V.—26-2-19.

S.A.—26-2-19.

C. RAMANUJA ACHARIYAR—26-2-19.

I would prefer to obtain the consent of Financial to the issue of the interim order.

R. RAMACHANDRA RAO—27-2-19.

FINANCIAL DEPARTMENT.

Please see entries in columns 4, 7 and 8 against Tiruchengodu school. It is not quite clear whether the Director of Public Instruction proposes to continue the weaving instructor. Home Department may be requested to consider the point. The draft memorandum may otherwise be accepted.

HOME (EDUCATION) DEPARTMENT.

The point raised by Financial is not free from doubt. We may leave it out of account as not being shown in column 7 or 9. In any case the existing sanction for the continuance of the weaving instructor in question lasts up to 10th June 1919—G.O. No. 667, Home (Education), dated 27th May 1918. The memorandum may issue for the present.

Afterwards memorandum to the Director of Public Instruction to clear up the doubt referred to above.

R. RAMACHANDRA RAO—4-3-19.

[Memorandum No. 360/B-2, dated 4th March 1919.]

The proposals of the Director of Public Instruction involve (i) the permanent retention of 43 posts costing Rs. 880 per mensem or Rs. 10,560 per annum, (ii) the continuance for another year from the date of expiry of the present sanction of ten temporary posts costing Rs. 264 per mensem or Rs. 3,168 per annum, and (iii) the creation of seven additional temporary posts at an extra cost of Rs. 135 per mensem or Rs. 1,620 per annum for a period of one year from 1st March 1919.

2. The posts comprised in (i) and (ii) above and specified in columns 7 and 9 of the statement accompanying the Director's letter have been on a temporary basis for some time past and continued from year to year. After sufficient trial, the Director recommends the permanent retention of 43 posts as very desirable and necessary and the further continuance of ten posts on temporary tenure. The next year's budget contains provision for the charge. The Director of Public Instruction's recommendation may be accepted. The posts comprised in (i) above except in the case of Tiruvannamalai school may be made permanent with effect from the date of expiry of last sanction for continuance in each case. So far as the Tiruvannamalai school is concerned, orders have issued in G.O. No. 335, Home (Education), dated 17th March 1919, sanctioning the employment of a temporary teacher on Rs. 40 in place of two of the existing teachers on Rs. 30 and Rs. 12 per mensem. This may be pointed out to the Director of Public Instruction and the remaining two temporary teachers on Rs. 25 and Rs. 12 per mensem made permanent.

A As regards posts in (ii), it is observed that the continuance of the existing temporary teacher on Rs. 15 per mensem in the girls' school at Kumbakonam (G.O. No. 1559, dated 12th December 1918) has already been sanctioned till the 13th November 1919 and similarly of the temporary teacher on Rs. 30 in the Puthur (South Kanara) girls' school for one year from the date of entertainment (G.O. No. 1444, Home (Education), dated 12th November 1918). It is submitted that these ten posts may be continued up to a single common date which may be the 1st April 1920.

B 3. As regards the seven additional teachers proposed, it is not possible to examine the need for their entertainment or the suitability of the pay proposed therefor in the absence of details as to the total strength of each school concerned and how the strength is distributed over the several classes. It may, however, be assumed that the Director has satisfied himself on the point. Sanction may be accorded to their employment till 1st April 1920 and from the date of the order in this case instead of for one year from 1st March 1919 as proposed by the Director of Public Instruction.

4. A draft memorandum on the point raised in Financial note above is submitted. C After issue, the case may go to Financial for remarks.

[Memorandum No. 777/B-1, dated 11th April 1919.]

From the Director of Public Instruction, dated 10th June 1919,
R. C. No. 4697/18.

Paragraph 2 of official memorandum.—The Director of Public Instruction agrees to the suggestion as to the permanent retention of only two teachers in the Government girls' school, Tiruvannamalai.

2. Paragraph 1 (ii) of official memorandum.—On the application of the Director of Public Instruction orders have since issued sanctioning the further retention of the weaving instructor in the Tiruchengode school up to 10th June 1920—vide G.O. No. 724, Home (Education), dated 10th June 1919.

3. Paragraph 1 (i) of official memorandum.—With reference to the statistics now furnished by the Director of Public Instruction, in pursuance of this clause of the memorandum, the necessity for the employment of seven temporary additional teachers in the six schools mentioned therein is examined below:—

Government Muhammadan girls' school, Nellore (item 23).—It is reported that this school has 82 pupils distributed over eight standards as in the margin and under rule 81 of the Madras Educational Rules, a staff of four teachers should suffice. The existing staff consists of three permanent teachers (Rs. 20, 15 and 13*), and one temporary teacher on Rs. 30. If as is now proposed, the temporary teacher's post is made permanent, the staff will consist of four permanent teachers (Rs. 30, 20, 15 and 13), which is all that is admissible under the rules. The Director's proposal to employ an additional temporary teacher on Rs. 25 may therefore be vetoed.

* The minimum pay of women teachers has since been raised to Rs. 13—vide G.O. 659, 21st May 1919.

Government Hindu girls' school, Tirupattur (item 8).—The strength reported is 187 as in the margin. The staff admissible under rules 81 and 82 of the Educational Rules is one of eight teachers—Rs. 30, 25, 20, 15 and four on Rs. 13. Against this, the existing staff consists of six teachers—five permanent (Rs. 20, 14, 13, 13 and 13) and one temporary on Rs. 30. The Director recommends the permanent retention of the 30-rupee teacher and the employment of an additional temporary teacher on Rs. 15

per mensem. Submitted that the recommendation may be accepted as even with this addition, there will be only seven teachers against eight admissible.

Government girls' school, Dharmapuri (item 12).—The school is said to have 160 pupils on the rolls as noted in the margin. The rules permit of the employment of a scale of staff of six teachers (Rs. 20, 15, 13, 13, 13 and 13), against which the sanctioned scale is one of five teachers—four permanent (Rs. 14, 13, 13, 13) and one temporary on Rs. 20 per mensem. The Director now proposes to make the post on Rs. 20 permanent and to employ two additional temporary teachers on Rs. 30 and Rs. 15. Submitted that the post on Rs. 20 may be permanently retained and a temporary additional teacher on Rs. 15 may also be

E sanctioned as the rules do not admit of any further additional teacher being employed.

Government girls' school, Tiruchengode (item 14).—According to the figures furnished by the Director of Public Instruction the school consists of 118 pupils as in the margin. Rules 81 and 82 of the Educational Rules allow the employment of six teachers (Rs. 20, 15, 13, 13, 13 and 13) against the existing scale of four teachers—three permanent (Rs. 13, 13, 13) and one temporary on Rs. 20. on Rs. 15 per mensem may therefore be agreed to.

Government girls' school, Karur (item 27).—The reported strength is 330 as noted in the margin. The admissible scale of staff is one of thirteen teachers (Rs. 25, 20, 15 and ten on Rs. 13). The existing staff consists of eight permanent teachers (Rs. 40, 30, 25, 20, 15, 13, 13 and 13) and two temporary teachers (Rs. 15 and 12). The Director proposes to retain permanently the post on Rs. 12, to extend the temporary tenure of the teacher on Rs. 15 for another year and to employ a temporary additional teacher on Rs. 15. Submitted that the

proposals may be approved in toto. Then there will be eleven teachers as against thirteen admissible.

It will be observed, that the existing scale of staff in the school is pitched rather high, because it is one of those big schools attended by a large number of caste girls and the Government's accepted policy is to give special encouragement to such schools.

Government girls' school, Chonghat, item 34.—The number on the rolls is 93 as in the margin. Under the rules, a staff of four teachers alone is admissible. The existing staff consists of three teachers—two permanent on Rs. 13 and one temporary on Rs. 14. The Director's proposal to retain permanently the 14-rupee teacher and to employ a temporary teacher on Rs. 20 may be accepted.

If the foregoing suggestions are approved, the next point is as to the date up to which the existing temporary posts should be continued and the proposed temporary posts sanctioned. In the office-note on page 2 ante it was suggested that that date might be a single date, viz., the 1st April 1920. Since that date is not very far off, it is for consideration whether the date may not be altered to 1st April 1921. The extra cost on account of the new temporary posts according to the Director of Public Instruction's proposals is Rs. 135 per mensem or Rs. 1,620 per annum: this will be reduced to Rs. 80 per mensem or Rs. 960 per annum if the foregoing suggestions are accepted.

The case may go to Financial for remarks.

2. *Item (i) above.*—It is proposed to make permanent 41 * posts of teachers at a cost of Rs. 10,056 per annum. There will be a corresponding saving under temporary establishments. The Director of Public Instruction has not given the number of students in each standard. It is therefore not possible to check whether the number of teachers and the scale of pay proposed for each of the schools are in accordance with the scale laid down in rules 81 and 82 of the Madras Educational Rules.

As, however, these teachers have been continued from year to year on a temporary basis, submitted that the proposal to make them permanent may be accepted.

3. *Item (ii) above.*—The proposal is to continue on a temporary basis the existing nine posts of teachers up to 1st April 1921. The cost comes to Rupees 2,988 + per annum. This may be accepted.

4. *Item (iii) above.*—The demand for additional temporary teachers has been fully examined in the Home (Education) Department notes on pages 3-4 ante. The extra cost under this head as proposed by the Home Department comes to Rs. 960 * per annum against Rs. 1,620 under the Director of Public Instruction's proposals. This may also be accepted.

This sanction is registered as No. 139 of 1919-20.

2. The Government also sanction the retention up to 31st March 1921 of the temporary teachers' posts specified in col. 3 of the statement accompanying the Director's letter.

3. Sanction is also accorded to the employment up to 31st March 1921 of an additional teacher on Rs. 15 p.m. in each of the Government girls' schools at Kuppattar (Hindu), Dharmaneri, Tiruchengode, and Karur and an additional teacher on Rs. 20 per mensem in the Government girls' school Chowhat.

G.O. No. 1025, 25th August 1919

Government Girls' Schools

Passing orders on the proposals of the Director of Public Instruction for the permanent retention of certain temporary teachers' posts in —, of the further continuance of certain others and the employment of some additional temporary teachers.

Read—the following papers :—

Letter—from the Hon'ble Mr. H. S. DUNCAN, Acting Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department (through the Accountant-General).

Dated—Madras, the 7th January 1919.

No.—R.O. 4697/18.

In inviting the attention of Government to paragraph 2 of Mr. Stone's letter R.C. No. 3811/18, dated 20th May 1918, disposed of by G.O. No. 637, Home (Education), dated 31st May 1918, I have the honour to state that the Inspectresses of Girls' Schools were called upon early in May last to report on the question of the permanent retention of the existing temporary staffs in the Government girls' schools under their respective control. The Inspectress of Girls' Schools, Northern Circle, has reported that there are no temporary posts in her circle, while the Inspectresses of Girls' Schools, Central and Southern Circles, have submitted their reports together with statements furnishing particulars regarding the strength and average attendance of the several standards in the schools concerned for the past three years. On a careful examination of the statistics furnished and the arguments adduced in those reports I have selected a number of cases in which the permanent retention of the temporary teachers is very desirable and necessary and also a few cases in which the employment of additional temporary teachers is advisable in view to the efficiency of the schools which are in my opinion under-staffed. My recommendations together with particulars regarding the present scale of staff, the strength of the schools and the grounds of proposition are, for facility of reference, embodied in the statement annexed to this letter and I now beg to request that Government will be pleased to approve of them and that sanction may be accorded for a period of one year from 1st March 1919 in the case of the additional temporary staffs proposed to be newly employed and either from the same date or from the date of expiry of the present sanction whichever is earlier in the case of the temporary staffs proposed to be made permanent.

2. In regard to the new temporary staffs proposed I request that provision may be made for the extra charge in the budget estimates for 1919-20.

NOTES CONNECTED WITH G.O. No. 1025, HOME (EDUCATION),
DATED 25TH AUGUST 1919.

[SUBJECT.—Staffs of certain girls' schools.]

Telephonic message—from the Director of Public Instruction, Madras.

26th
Re—the Secretary to Government, Home (Education) Department.
Dated—the 26th February 1919.

Please see this office letter H.C. No. 4697/18, dated 7th January 1919, recommending (1) the continuance for another year of certain temporary posts of teachers in some girls' schools, (2) the permanent retention of some temporary posts and (3) the creation of some new posts.

As the existing sanction for the continuance of temporary posts has expired in a few cases and will expire at an early date in the case of a few others, may I request that sanction be accorded to the continuance of all the existing temporary staff for another year pending the consideration of the permanent retention of some of them.

The Director's letter referred to above was received in this office through the Accountant-General on 20th February 1919. As the establishment proposals therein affect as many as 34 schools and as a reference to Financial will also be necessary, it will be some time before the case is examined and final orders are passed. As pointed out in the Director's telephonic message above, the current sanction for existing temporary posts will expire by the end of this month in a good number of cases and has already expired in a few instances. It is therefore submitted that an ad interim memorandum may issue sanctioning the continuance of the existing temporary staff pending orders as regards the permanent retention of some of them. A draft memorandum is submitted. It need not go to Financial for acceptance as there is budget provision so far as the existing staff is concerned.

2. After the issue of the memorandum, the case will be examined and submitted for orders.

S.A.—26-2-19.

C. RAMANUJA ACHARIYAR—26-2-19.

I would prefer to obtain the consent of Financial to the issue of the interim order.

R. RAMACHANDRA RAO—27-2-19.

FINANCIAL DEPARTMENT.

Please see entries in columns 4, 7 and 8 against Tiruchengodu school. It is not quite clear whether the Director of Public Instruction proposes to continue the weaving instructor. Home Department may be requested to consider the point. The draft memorandum may otherwise be accepted.

T.N.N.—1-3-19.

J. M. HOOPER—1-3-19.

HOME (EDUCATION) DEPARTMENT.

The point raised by Financial is not free from doubt. We may leave it out of account as not being shown in column 7 or 9. In any case the existing sanction for the continuance of the weaving instructor in question lasts up to 10th June 1919—G.O. No. 667, Home (Education), dated 27th May 1918. The memorandum may issue for the present.

Afterwards memorandum to the Director of Public Instruction to clear up the doubt referred to above.

R.R.—4-5-19.

[Memorandum No. 360/B-2, dated 4th March 1919.]

The proposals of the Director of Public Instruction involve (i) the permanent retention of 43 posts costing Rs. 880 per mensem or Rs. 10,560 per annum, (ii) the continuance for another year from the date of expiry of the present sanction of ten temporary posts costing Rs. 264 per mensem or Rs. 3,168 per annum, and (iii) the creation of seven additional temporary posts at an extra cost of Rs. 135 per mensem or Rs. 1,620 per annum for a period of one year from 1st March 1919.

2. The posts comprised in (i) and (ii) above and specified in columns 7 and 9 of the statement accompanying the Director's letter have been on a temporary basis for sometime past and continued from year to year. After sufficient trial, the Director recommends the permanent retention of 43 posts as very desirable and necessary and the further continuance of ten posts on temporary tenure. The next year's budget contains provision for the charge. The Director of Public Instruction's recommendation may be accepted. The posts comprised in (i) above except in the case of Tiruvannamalai school (item 10, page 3 current file) may be made permanent with effect from the date of expiry of last sanction for continuance in each case. So far as the Tiruvannamalai school is concerned, orders have issued in G.O. No. 335, Home (Education), dated 17th March 1919, sanctioning the employment of a temporary teacher on Rs. 40 in place of two of the existing teachers on Rs. 30 and Rs. 12 per mensem. This may be pointed out to the Director of Public Instruction and the remaining two temporary teachers on Rs. 25 and Rs. 12 per mensem made permanent.

A As regards posts in (ii), it is observed that the continuance of the existing temporary teacher on Rs. 15 per mensem in the girls' school at Kumbakonam (G.O. No. 1589, dated 12th December 1918) has already been sanctioned till the 13th November 1919 and similarly of the temporary teacher on Rs. 30 in the Puthur (South Kanara) girls' school for one year from the date of entertainment (G.O. No. 1444, Home (Education), dated 12th November 1918). It is submitted that these ten posts may be continued up to a single common date which may be the 1st April 1920.

3. As regards the seven additional teachers proposed (specified in column 8 of statement at pages 3-5 of current file), it is not possible to examine the need for their entertainment or the suitability of the pay proposed therefor in the absence of details as to the total strength of each school concerned and how the strength is distributed over the several classes. It may, however, be assumed that the Director has satisfied himself on the point. Sanction may be accorded to their employment till 1st April 1920 and from the date of the order in this case instead of for one year from 1st March 1919 as proposed by the Director of Public Instruction.

4. A draft memorandum on the point raised in Financial note above is submitted.

C After issue, the case may go to Financial for remarks.

From the Director of Public Instruction, dated 10th June 1919,

R. C. No. 4697/18.

Paragraph 2 of official memorandum.—The Director of Public Instruction agrees to the suggestion as to the permanent retention of only two teachers in the Government girls' school, Tiruvannamalai.

2. Paragraph 1 (ii) of official memorandum.—On the application of the Director of Public Instruction orders have since issued sanctioning the further retention of the weaving instructor in the Tiruchengode school up to 10th June 1920—vide G.O. No. 724, Home (Education), dated 10th June 1919.

3. Paragraph 1 (i) of official memorandum.—With reference to the statistics now furnished by the Director of Public Instruction, in pursuance of this clause of the memorandum, the necessity for the employment of seven temporary additional teachers in the six schools mentioned therein is examined below :—

Government Hindu girls' school, Tiruppattur (item 8).—The strength reported is 187 as in the margin. The staff admissible under rules 81 and 82 of the Educational Rules is one of eight teachers—Rs. 30, 25, 20, 15 and four on Rs. 13. Against this, the existing staff consists of six teachers—five permanent (Rs. 20, 14, 13, 13 and 13) and one temporary on Rs. 30. The Director recommends the permanent retention of the 30-rupee teacher and the employment of an additional temporary teacher on Rs. 15 per mensem submitted that the recommendation may be accepted as even with this addition, there will be only seven teachers against eight admissible.

Government girls' school, Dharmapuri (item 12).—The school is said to have 160 pupils on the rolls as noted in the margin. The rules permit of the employment of a scale of staff of six teachers (Rs. 20, 15, 13, 13, 13 and 13), against which the sanctioned scale is one of five teachers—four permanent (Rs. 14, 13, 13, 13) and one temporary on Rs. 20 per mensem. The Director now proposes to make the post on Rs. 20 permanent and to employ two additional temporary teachers on Rs. 30 and Rs. 15. Submitted that the post on Rs. 20 may be permanently retained and a temporary additional teacher on Rs. 15 may also be sanctioned as the rules do not admit of any further additional teacher being employed.

Government girls' school, Tiruchengod, (item 14).—According to the figures furnished by the Director of Public Instruction the school consists of 118 pupils as in the margin. Rules 81 and 82 of the Educational Rules allow the employment of six teachers (Rs. 20, 15, 13, 13, 13 and 13) against the existing scale of four teachers—three permanent (Rs. 13, 13, 13) and one temporary on Rs. 20. The proposal to make the 20-rupee appointment permanent and to employ an additional temporary teacher

on Rs. 15 per mensem may therefore be agreed to.

Government girls' school, Karur (item 27).—The reported strength is 330 as noted in the margin. The admissible scale of staff is one of thirteen teachers (Rs. 25, 20, 15 and ten on Rs. 13). The existing staff consists of eight permanent teachers (Rs. 40, 30, 25, 20, 15, 13, 13 and 13) and two temporary teachers (Rs. 15 and 12). The Director proposes to permanently retain the post on Rs. 12, to extend the temporary tenure of the teacher on Rs. 15 for another year and to employ a temporary additional teacher on Rs. 15. Submitted that the proposals may be approved in toto. Then there will be eleven teachers as against thirteen admissible.

It will be observed, that the existing scale of staff in the school is pitched rather high, because it is one of those big schools attended by a large number of caste girls and the Government's accepted policy is to give special encouragement to such schools.

Government girls' school, Chouhat (item 31).—The number on the rolls is 93 as in the margin. Under the rules, a staff of four teachers ~~above~~ is admissible. The existing staff consists of three teachers—two permanent on Rs. 13 and one temporary on Rs. 14. The Director's proposal to permanently retain the 14 rupee teacher and to employ a temporary teacher on Rs. 20 may be accepted.

If the foregoing suggestions are approved, the next point is as to the date up to which the existing temporary posts should be continued and the proposed temporary posts sanctioned. In the office note on page 2 ante it was suggested that that date

might be a single date, viz., the 1st April 1920. Since that date is not very far off, it is for consideration whether the date may not be altered to 1st April 1921. The extra cost on account of the new temporary posts according to the Director of Public Instruction's proposals is Rs. 135 per mensem or Rs. 1,620 per annum: this will be reduced to Rs. 80 per mensem or Rs. 960 per annum if the foregoing suggestions are accepted.

Rs. 838 per mensem or
Rs. 10,056 per annum.

2. Item (i) above.—It is proposed to make permanent 41 * posts of teachers at a cost of Rs. 10,056 per annum. There will be a corresponding saving under temporary establishments. The Director of Public Instruction has not given the number of students in each standard. It is therefore not possible to check whether the number of teachers and the scale of pay proposed for each of the schools are in accordance with the scale laid down in rules 81 and 82 of the Madras Educational Rules.

As, however, these teachers have been continued from year to year on a temporary basis, submitted that the proposal to make them permanent may be accepted. Please see in this connexion portion marked 'A' of the Director of Public Instruction's letter on page 2 current file.

5. *Provision of funds.*—No additional expenditure is involved by the acceptance of the proposals in items (i) and (ii) above. As regards the extra expenditure under item (iii), the Director of Public Instruction is being asked to meet it by reappropriation.

The proposals and the draft order may, it is submitted, be accepted. The sanction has been registered as No. 139 of 1919-20.
