Dear W. Davidson, I am enclosing

- (1) copy of friend Ann Barnard's note on the Capt. papers
- (2) do on my appl. for leave.

Nelson also wrote a most cordial covering letter - which I will gladly send you if you so desire - in which he most thoroughly agrees with all that was done, thinks that everything possible has been done in his interests at the school.

With respect to my leave - the Bishop of Madras is prepared to relieve Canon Menzies on 1st Oct., so that he ought to be here by middle of Oct. I should have liked to have gone home for the summer, but the General thought it would be better for me not to back for further work, & to wait till the provincial get scheme had gone in before leaving.

Wonder if he may use any going to India?

Barne, the M. of Panarwar, tells me that he gets all he wants for Panarwar by playing the unfortunate widow on the doorknobs

Note re: my leave. *F* *12*

With reference to the Resolution No.VII of the Committee dated 29th May 1919, kindly recommending me for such privilege leave as is due (approximately 5 months and 8 days), I regret to say that the Bishop of Madras has stated that the appointment of any chaplain is very precarious, especially as six chaplains are likely to be sent on service to Afghanistan. The only chaplain likely to be able to come is Reverend Canon Menzies, now Chaplain of Landour- whose service I attach. Canon Menzies has always taken a great interest in education in the United Provinces and would, I think do excellently- He has had several Church schools under his charge- but the difficulty is that he cannot come till middle of October when he is due to retire from service.

I am very anxious to get off by middle of September at latest for the following reasons:-

- (1) My wife is urgently desiring my presence at home on urgent private affairs.
- (2) I am worn out mentally, and find it most difficult to write a decent draft of a letter, give a lesson or preach a sermon.
- (3) I haven't seen my son at Marlborough for nearly seven years, and I should much like to see him during part of the summer holidays.
- (4) The auditor tells me that if I leave on September 14th, I can count the Founder's Day holidays in with my privilege leave, and thus get an extra six days.

I would therefore ask if the Committee would be pleased to allow me to ask Government to allow me to leave about middle of September under the following conditions:-

- (1) The Headmaster - Mr. Ramshaw - to act as Principal till Reverend Canon Menzies joins- on an acting allowance of an additional Rs.100/- p.m.
- (2) The Reverend Canon Menzies be appointed from date of joining on the usual Rs.500/- p.m.

1 copy of Canon Menzies' service.*

My dear Padfield,

A line to acknowledge your D.O. of today which I am sending into the Secretariat in order that there may be no delay in dealing with your application for leave when it comes in.

I should like to see General Cross-Barrett's covering letter to which you refer.

I hardly think that there is any need for you to make a journey to Simla in connection with the provincialisation scheme. As I told you yesterday the provisional draft on that subject, of which I gave you confidentially a copy, underwent certain changes in form. I am instructing the Secretariat to let you have a copy of the final form, but please see that it is kept strictly confidential.

Yours sincerely,

Rev. W.D.G. Padfield,

Principal, Lawrence Memorial School,

Lovedale.

Copy to the

Home Secretary.
