Read—the following papers:—

I

G.O. No. 840, Home (Education), dated 26th June 1918.

II

Letter— from the Hon'ble Mr. H. Sharp, C.S.I., C.I.E., M.A., Officiating Secretary to the Government of India, Department of Education (General).
To—the Chief Secretary to the Government of Madras.
Dated—Delhi, the 24th January 1919.
No.—100.

In continuation of this department letter No. 270, dated the 1st May 1918, I am directed to address you on the subject of the compilation and publication of a Census of Libraries in India, recommended by the All-India Conference of Librarians in their Resolutions Nos. I and XI (1).

2. After consulting the authorities concerned the Government of India have had a form drawn up for the purpose which contains columns for all the information suggested in the Conference Resolutions as also for such additional information as in the opinion of the Government of India would be useful to library workers in India. As regards the conditions which are to qualify a library for inclusion in the Census, the Government of India have decided :—

(1) that no libraries containing less than 5,000 volumes should be included in the Census save libraries of special interest which might be included even if they possess less;

(2) that no library should be included which is mainly a library of works of fiction;

(3) that school and college libraries should be included only if they contain a considerable number of books of interest and value other than ordinary text books.

3. I am now to forward a copy of a form in which the Census is to be compiled and to request, that with the permission of the Governor in Council, it may be completed in regard to the libraries in the Madras Presidency and submitted to the Government of India.

Enclosure

Census of libraries in India.

Serial number. (1)	Name of library. (2)	Where situated. (3)	Date of foundation. (4)	Ownership. (5)	Staff (showing whether there are any trained librarians, pandits, maulvis, etc.). G.O. No. 1052, 3rd September 1919

Census of libraries

Forwarding to the Government of India a — attached to schools, colleges and other important institutions in this Presidency containing 5,000 volumes and over.

Read—the following papers:—

I

G.O. No. 840, Home (Education), dated 26th June 1918.

II

Letter—from the Hon'ble Mr. H. Sharp, C.S.I., C.I.E., M.A., Officiating Secretary to the Government of India (Department of Education-General).
To—the Chief Secretary to the Government of Madras.
Dated—Delhi, the 24th January 1919.
No.—100.

In continuation of this department letter No. 270, dated the 1st May 1918, I am directed to address you on the subject of the compilation and publication of a Census of Libraries in India, recommended by the All-India Conference of Librarians in their Resolutions Nos. I and XI (1).

2. After consulting the authorities concerned the Government of India have had a form drawn up for the purpose which contains columns for all the information suggested in the Conference Resolutions as also for such additional information as in the opinion of the Government of India would be useful to library workers in India. As regards the conditions which are to qualify a library for inclusion in the Census, the Government of India have decided :—

(1) that no libraries containing less than 5,000 volumes should be included in the Census save libraries of special interest which might be included even if they possess less;

(2) that no library should be included which is mainly a library of works of fiction;

(3) that school and college libraries should be included only if they contain a considerable number of books of interest and value other than ordinary text books.

3. I am now to forward a copy of a form in which the Census is to be compiled and to request, that with the permission of the Governor in Council, it may be completed in regard to the libraries in the Madras Presidency and submitted to the Government of India.
