Letter from the Secretary, Social Service League, Bombay,
dated the 28th June 1919:-

The Social Service League, Bombay, is maintaining at present a special library of up-to-date books on social problems, for the use of the persons interested in social work. It has also started an "Information Bureau" to supply to the public the most up-to-date information on social, educational and philanthropic problems by:-

- (i) Issuing Bibliographies,
- (ii) Keeping a classified register of different institutions doing social work in India, England and America,
- (iii) Printing and publishing several lists and indexes,
- (iv) Publishing and distributing broadcast several pamphlets giving information to the public on questions of relief and social welfare.

2. The League is already receiving reports and other publications from all the leading public institutions in India, and is desirous to add some annual Government publications to the stock. The undermentioned annual publications of the Government will, in my opinion, add substantially to the utility of the League's Library and Information Bureau. I therefore hope that you will kindly add the name of the League to the list of institutions to which you send the Government publications usually.

3. The publications required are:-

Rev	(i)	Annual Report	of Co-operative Societies
Gen	(ii)	" "	of the Sanitary Commissioners
Gen	(iii)	" "	of the Civil Hospitals and Dispensaries
Gen	(iv)	" "	of the Inspector of Factories
Gen	(v)	" "	of the Jails
Gen	(vi)	" "	of the Reformatories
Gen	(vii)	" "	of the Education.

4. Hoping to receive a favourable consideration.

Home (200) Sept
Items (vi) and (vii) ⁱⁿ para 3 of
the letter from the Secretary, Social Service
League, Bombay, on p. 2 ante relate to
this Sept. It may be mentioned at the
outset that the Govt. receive no separate
report on the ^(working of the) Reformatory School, Behing-
put, as the submission of the annual
report regarding that School has
been discontinued. The D.P.I. has
however been requested to include the
subject in his annual report on Public
Instruction and all important informa-
tion relating to the School is embodied
in this report. The Superintendent of
the School submits to the [#] D.P.I.
a report on the working of the School,
but this is not supplied to ~~official~~
~~anyone~~ those who receive
the Report on Public Instruction
- Vide Geo. No 916 (2d) of 12.10.12.
The question for consideration therefore
is whether the League may be sup-
plied free of charge with the
annual reports on Public
Instruction.

2 From para 2 of the
Secretary's letter it would appear that
the

the League receives support from the important public institutions in India, but it is not known whether it receives any of the publications of the Bombay Branch. As the ^{P.D.} ~~local office~~ will not be able to furnish any useful information on the subject, it seems desirable to ascertain from the Bombay Branch the status of the League, and the measure of support it receives from that Branch. Subject to approval, a draft letter is submitted. For a precedent, please see letter No 72 B-1 d 1.2.19 at pp 3-4 of Geo. No. 255 Home (Secy) d 27-2-19
