2. I have known K.J. Narasimham as an acting Clerk of this Court. During the time he was here he was in charge of the Fair Copying of Judgments and the drafting of decrees. He did all his work on a Typewriter which he furnished himself with at his own cost. In addition to this work he was also Typing all the correspondence of this Court. He was also taking down Judgments in Shorthand. He was very good at Typewriting and Shorthand and gave every satisfaction in the discharge of his duties.

He is a smart, athletic, vigorous young man with any amount of capacity for work. He has excellent manners and bears a good conduct. I can recommend him for any place, executive or clerical, as he is very energetic and intelligent. I may add he writes a very good hand.

3. K.J. Narasimham who was a sub-protem clerk under me for two years and odd. In English his knowledge is not less than that of an average Matriculate. He can take down --- shorthand reports of judgments very quickly and transcribe them correctly. He is also a neat and speedy Typist, with a little special training he will do well as a Bench Clerk or execution Clerk. He has given me satisfaction in every way. He left me with a view to secure a permanent footing. I am sure his work will be appreciated any where.

4. K. Jwala Narasimham was a Subprotem Clerk in the Ongole District Munsiff's Court and I took him as a permanent clerk of the Principal District Munsiff's Court, Bapatla. He knew shorthand and has passed the Government Technical examination in shorthand. He had also passed Typewriting examination --

-4-

Intermediate, when I gave him the permanent place. I am glad to be able to testify to his being a clever and intelligent young man with the necessary desire and willingness to know all branches of work in Civil Courts. Though he was --- taken mainly as a Shorthand Typist, I used to get other work done by him now and then. For some time he was writing the process A register and Court fee register and register of papers received. For some time he was doing original suits Bench work. Finally, I entrusted him with execution work. I am glad to say that he was discharging the duty entrusted to him satisfactorily.

In his own sphere, Shorthand and Typewriting- I am glad to note he is very sharp. I also note with pleasure that he has since passed the Government examination in Typewriting (Advanced). I hope that this will further his chances of promotion and will be glad to hear that he is given the necessary encouragement.
