ENQ 1704 A

To The Chief Secretary
 to the Government of Madras.

18th June 1919.

Sir,

I have the honour of addressing you in connection with the annual allowance of £200 which the government of Madras granted on 8th January 1917 for my education at this University.

The allowance was made in virtue of the fact that I was a member of the old Royal family of Carnatic whose welfare was entrusted to the charge of the British Government, and that I was the first in my family to come to England for the purpose of education.

During the last three years I have been engaged in the study of Economics, in which I have just taken an Honours Degree (B.A.).

I wish to prolong my stay here for another year, in order to read for the Law Tripos, and to obtain the LL.B. Degree. But as the grant of the Madras Government was tenable only for 3 years, it will be stopped after December next, and I shall not be able, by that time, to complete the proposed course of study in Law, as examination takes place in June 1920.

I, therefore, request that the Government of Madras will kindly extend the allowance of £200 for a further period of three-quarters of a year, viz. to the end of September 1920 in order that I may complete the academical course in Law.

I am,
 Sir,

Your most obedient servant,

Sir,

My pupil Mohammad Abdul Azim, B.A., of this College, informs me that he is submitting to the Government of Madras an application for the extension of his allowance (£200 a year) for nine months more, in order that he may read for the Law Tripos examination and the Degree of LL.B.

I consider that the course of study which he proposes for the next academical year - he would be taking the examination above mentioned in June 1920 - is appropriate and desirable; and on behalf of the College I support and recommend his application for an extension of the allowance.

He certainly deserves the favourable consideration of your Government.

His character and conduct are without reproach, and he has been diligent in his studies, and a thoroughly acceptable member of the College throughout his course.

I am,
Sir,

Your obedient servant,

H. J. Edwards,
Tutor of Peterhouse.

The Chief Secretary,
to the Government of Madras.
