For President.

V.R./29-7-19.

Copy of communication R.O.C.No.939/M of 19 dated 6-6-19 from the Inspector of schools, VII Circle to the President, Taluk Board, Dindigul.

With reference to your letter R.O.C.No.376/19 dated 28-3-19

I have the honour to state that the Sub Assistant Inspector of Schools, Nilakottai Range indicates the following sources from which the expenditure involved in the proposition statement of the Sholavandan Elementary school may be met.

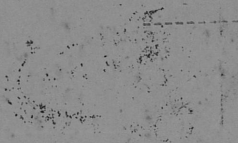

2 (1) The provision of one teacher sanctioned out of a Provincial subsidy for the Batlagundu school (temporary appointment on Rs.11) to be transferred to the Sholavandan school. In consequence of the opening of a Board Girls' school at Batlagundu the average attendance of the Batlagundu Boys' school is only 91. Seven teachers are therefore superfluous and one teacher may without impairing the efficiency of the Batlagundu school be transferred to Sholavandan.

3 (2) The provision of the additional teacher on Rs.11 sanctioned from a provincial subsidy for the Karupattai Board school to be transferred to Sholavandan. The registered average attendance of the Karupattai school is 31 and the attendance actually found at the visits of the inspecting officers is less. I am therefore of opinion that one teacher will suffice for Karupattai and that the provision of the other may be transferred to Sholavandan.

4 (3) The provision of one teacher on Rs.12/- with a hill allowance of Rs.5/- sanctioned out of a Provincial subsidy be transferred to Sholavandan, the latter amount for the purpose of contingent expenditure. The present average attendance of the Thandikudi school requires the employment not more than two teachers in stead of the 3 actually employed, and I therefore support the proposal of the Sub Assistant Inspector of Schools, that the provision of one teacher be transferred to Sholavandan. I do so unwillingly however. There has been an accountable fall in the attendance of standard one of the Thandikudi school within the last 5 or 6 months, and if a recovery occurs two teachers will be insufficient. Again I am opposed to the reduction of staff in outlying schools in favour of schools in urban and semi-urban areas.

2/7

However, as the Taluk Board has to find provision for the salaries of three teachers in the Sholavandan school no other alternative - appears possible.

G. G. A. M.
For President.

C.N. 1795A. From the P.D.B. ^(Chairman) Res. No. 38
3. 27. 7. 19.

Subject. Opening of an elementary
School in Sholavandan.

It is proposed to utilize the subsidy sanctioned for the employment of ~~three~~ additional teachers in three schools under the Dindigul taluk board on the opening of a school at Sholavandan. Under go. No. 5244, dated

- (I) 20th April 1918, the P.D.B. ~~are~~ is himself competent to sanction the transfer of appointments of teachers on Rs 20 or less in schools maintained wholly or partly from provincial funds. In the present case, the ^{opening of the} school to which the transfer of teacher is proposed ~~is sanctioned~~ has itself to be ^{fully} sanctioned. Presumably it is on this account ^{that} the President seeks the sanction of govt to the proposal. But recently the D.D. has been empowered to sanction the employment

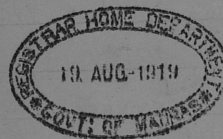

go. No. 7972 (K)

ment of teachers in Board & Municipal Schools. He has not however been empowered to divert subsidies sanctioned for a specific purpose (in the present case, strengthening the staff of certain schools) ^{to} for some other purpose (viz, the opening of new schools). It therefore appears that the sanction of Govt is necessary to the present proposal.

2. From the proposition statement annexed to the President's letter it appears that the school is to ~~have~~ have three teachers - one on Rs 12 & two on Rs 11 each. It is submitted that the minimum pay of trained teachers has recently been ~~fixed~~ raised to Rs 12 per mensem. The pay of Rs 11 proposed for two teachers in the Sholavandan school may be ~~fixed~~ raised to Rs 12. The Headmaster's pay being fixed at Rs 13/- ^{pm}. Before issuing orders the D. P. & I may be consulted re. on the proposal.
