Sir,

Mr. Perrett, the Instructor of Manual training and Drawing attached to the Teachers' College, Saidapet, reports that prior to his going on military duty he had received several students for special courses in Drawing and also visited Schools to see what was being done in the subject. He is of opinion that the majority of the teachers have sufficient skill in Drawing but have little idea of the methods and practice of teaching the subject and no idea whatever of a graduated course beyond the obsolete method of copying from cards. It is stated that

of mechanical and industrial Drawing they have little knowledge, if any. In order to acquaint them with the present day methods of teaching Drawing he proposes that a special class in the methods and practice of teaching Drawing be held twice a year at the Teachers' College, Saidapet for a period of 3 months once from January to March and again from October to December. It is proposed to admit into the class only teachers of Drawing and to impart to them instruction in courses of Drawing suitable for elementary, high, training and industrial Schools and to include in the work Kindergarten Drawing, chalk Drawing Pencil and Pastel Drawing, Technical Drawing, Brush work and water colour Drawing. It is proposed to admit twenty-five teachers for training at a time. Such of them as come from Schools under public management will be allowed Travelling Allowance to and fro at single rates of the class to which they belong. In the case of teachers attending the class from aided Schools I shall admit the expenditure on account of ~~the~~ Travelling Allowance in the financial statements of the Schools, upon which grant aid is calculated. It is stated that a sum of Rs. 100 will be required on account of contingencies. The proposal to attach to the Teachers' College a special class for training Drawing masters commends itself to me and I have the honour accordingly to request that Government will be pleased to accord their approval to it.

2. The cost can be met from the allotment for contingencies for the College.

I have the honour to be,

Sir,

Your most obedient servant,

G. Visweswami
For Director of Public Instruction.
