C.No.1627 B From the D.P.I. 7136/19 d/19-8-1919.

Subject:- Electrical Indent for the Engineering College.

Secretary's query on the draft on the above:-

Has not H.M. ordered that he wished to see all 'Electricity' Indents in connection with the College of Engineering.

R.R.R.
3-9-1919.

Submitted. Yes, and the D.P.I. has been separately asked to submit the indent for Govt. approval before its transmission to the Director-General of Stores - Vide C.M. 1428-A-1 dated 3-7-19. In reply to a reminder the Director stated on 27-8-19 that he would submit the indent on receipt of certain information called for from the principal.

2. This sanction is only for inclusion of certain items in the Indent which will shortly come up.- Cf. note at p.5 of notes in the linked case. Without this sanction the item cannot be included in the indent. But as the indent itself is to be submitted for the approval of Government this special sanction may be deemed unnecessary. The usual procedure is being followed however.
