Copy of letter No.L.F.33-X-2501 dated the 9th September 1919 from the ^{Asst. Secy. of R. accounts.} Accountant-General to Reverend W.H.G.Padfield, M.A., Lovedale.

With reference to your letter dated 3rd September 1919, I have the honour to state that in the circumstances explained there is no objection to furlough for 2 months under Article 308(b) of the Civil Service Regulations being availed of with the sanction of Government in continuation of the privilege leave for 5 months and 11 days granted in G.O., No.1034 Home (Education) dated 27th August 1919. There is also no objection to the remainder of the furlough earned by you being taken after a lapse of 18 months from the date of your rejoining duty as furlough for a period not exceeding 3 months is not an interruption of continuous service - Vide Article 22 of the Civil Service Regulations. The above opinion is based on the presumption that your leave is regulated by the European Service leave rules.

2. I am however doubtful of this as according to your own statement you had leave on private affairs for 3 months in 1913 which kind of leave is recognized only under the Indian Service leave rules. If your case is governed by these rules I may point out that you will not be eligible for any furlough until the expiry of 10 years from the date of return from leave on private affairs. Vide Proviso (1) under article 338 of the Civil Service Regulations. You can, however, take leave on private affairs in continuation but subject to the condition that the total period of the combined leave should not exceed 6 months, Vide Articles 337 and 235(ii) of the Civil Service Regulations.

With reference to para. 2 of Assistant Accountant General's memo:- I applied for 6 months' combined leave in 1913, after 5 years service here, and was quite prepared to furnish Medical Certificate. But, as far as I remember, the Secretary to Government informed me that Civil Service Regulations only governed my leave so far as the Committee and the Government chose to apply them, and that the six months could therefore be given without difficulty. That this does not bring the Principal under Indian Service Leave Rules is inferred by C.O.Memo: No.542 B.1 dated 18th March 1918 in which it states that the Principal was not eligible under the strict letter of C.S.R. for this six months. Hence the inference is that, if C.S.R. be applied in full to the Principal, it would be applied under European Service Leave Rules.

The Principal of the Sanawar Lawrence School comes under European Service Rules vide C.S.R. Article 287 (e)- the Principal of the Murree Lawrence School also comes under them, as I was at one time Principal there myself. The Principal of this school, which is double the size of Murree, would logically come under the same- as it is obvious that any Principal with the qualifications required by Government would necessarily be imported from home, and I honestly think that no Principal would dream of coming out if he was held to be under Indian Service Leave Rules.

The ~~xxxxxx~~ present and former Director of Public Instruction have written, and also personally informed the Committee, that the Principal of this school is, and shall in the future be treated generally as a member of the Indian Educational Service- and ~~that~~ the salary of the Principal was fixed on that basis.

The reasons why I may ask for a month or two furlough in addition to the privilege leave sanctioned are as follow :-

- (1) The Committee have asked me while at home
 - (a) to see about the possibility of importing members of staff
 - (b) to go round as many schools as I can, especially

those built about 1880, and see what is the best way to modernize them, and what alterations have proved satisfactory or otherwise.

(2) My father and mother are both old, being over 80- and I may have a good deal of private work in this connection.

(3) I have been advised to go under medical treatment, and shall probably have to go to Harrogate or Bath for some weeks. It may therefore be difficult for me to get all the above in within 5 months and 11 days.

I should be most grateful for a reply by return- I have been asked to be chaplain of the transport "Bremen" - and have therefore to leave Lovedale on Monday 15th by mail at latest, to report myself at Bombay for duty at 10 a.m. on 19th instant.

C. No. 1766-B.

From the Rev. Padfield, dated 11-9-19.

Subject.- Leave to the Rev. Mr. Padfield,
Principal of the Lawrence Memorial
School.

In G.O. No. 1034, Edn., dated 27-8-19 the Rev. Padfield has been granted privilege leave for 5 months and 11 days from or about the middle of September 1919. He now asks that he may be permitted to combine one or two months' furlough along with the privilege leave. From the Asst. A.G's letter at pp.1-2 c.f. it will be observed that the question whether this combination is permissible depends upon the decision whether the Rev. Padfield comes under the European Service or the Indian Service leave rules. As to this, it may be pointed out that the original order appointing him as Principal does not specifically stipulate for the one or the other. For the matter of that it has all along been held that the C.S.R. do not apply in their entirety to the employees of the Lawrence Memorial school. Para 2 of Memo. No. 542 B-1, dated 16-3-18 at pp. 8-10 of G.O. No. 59, Edl., dated 25-6-18 which is illuminating on this point is extracted below:-

"The Rev. Mr. Padfield is not a Govt. servant and the C.S.R. do not govern his leave except so far as the Committee and the Govt. choose to apply them. Under exceptional circumstances the Rev. Mr. Padfield was therefore granted in G.O. No. 92, Edl., dated 5-2-13 combined leave to which he was not eligible under the strict letter of the C.S.R."

available in the Ooty office and it has not been possible to verify under exactly what the exceptional circumstances the leave then sanctioned came to be granted.

3 The applicability or otherwise of the C.S.R. to this school being largely determined by ^{means} means of executive orders, there is no objection in the present case to the regulations being relaxed if the Govt. are willing. Perhaps the A.G. may be ~~asked~~ asked u.o. to suggest a means by which Mr. Padfield's desire to ^{combine} ~~some~~ one or two months' furlough to the privilege leave already sanctioned may be complied with.

In that case, Govt may ~~may~~ by specific order, apply this to the present leave. The case may be Special

I much regret that it is best possible
for me to say exactly whether I can utilize the
furlough kind granted, or not - owing to the
difficulties of transport.

The Rt. Rev. The Chaplain General to the Forces
has kindly offered me a Chaplaincy on a
troopship in Feb. - if any troopship is leaving
then - but of this he is not certain.

The Bishop's line state that they do not yet know
what boats will be leaving in Feb. of 20, but
have registered my name for a passage then.

I hold it horrible like Grehm within
the period of the privilege leave sanctioned, but
otherwise to take advantage of the frolic which
the Government have been pleased to kindly
sanction, primarily under Art. 308 C. S. R.
