Subsidy

Sanctioning the distribution of a — of Rs. 27,15,199 among local bodies.

READ—the following paper :—

Letter—from the Hon'ble Mr. R. LITTLEHAILES, M.A., Acting Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—Madras, the 9th July 1919.

No.—C. 6262.

I have the honour to propose the distribution among local bodies on account of education of subsidies amounting to Rs. 27,15,299 for the current year according to the annexed statement.

Government have not yet passed orders on the Director's proposals for the simplification of the system of payment of subsidies to local bodies as contained in his letter to Government C. No. 3410, dated 10th April 1919, and as delay in the distribution of several subsidies might lead to a dislocation of the Provincial budget which is soon due to the Accountant-General, it is proposed to distribute them in the usual manner.

2. The charge can be met from the provision of Rs. 30,29,200 made for recurring expenditure under "22-E. Education—Government Schools, General—(iii) Payment in support of local bodies" in the budget estimates for 1919-20.

3. The amount proposed for each district board or municipality is the same as that for which credit has been allowed in its budget estimate for the current year as approved by Government except in the case of the Salem Municipality. Pending the receipt of the orders of Government on the budget estimate of this municipality, the subsidy recommended for it has been based on the credit proposed by the Director in his endorsement to Government, Local and Municipal Department, R.C. No. 1619-3/18, dated 14th February 1919. I have also taken into account the subsidy payable under G.O. No. 74, Home (Education), dated 20th January 1919, in the case of all local bodies.

4. No subsidy has been proposed on account of collegiate and secondary education as I intend, agreeably to my remarks on the budget estimates of certain local bodies, examining the financial position of each institution and determining the amount of provincial contribution actually required. To this end, I have already asked the local bodies concerned for a statement of receipts and charges for the last three years and on receipt of their replies I shall address Government separately on the subject.

5. Column 9 of the annexure mentioned in paragraph 1 includes the subsidies required for the payment of extra capitation allowance. As some of the replies to my circular letter to local bodies regarding the date of abolition of the payment of capitation allowance as contemplated in G.O. No. 112, Home (Education), dated 25th January 1919, and other kindred matters are still due, and as it is not possible at this stage to state whether the system can be abolished with financial effect from 1st April 1919, I propose to include the subsidy required for this purpose also in the general distribution. I may add that provision for capitation allowance has been made in the budget estimate of the several local bodies and if it is decided that effect can be given

to the orders of Government during the current year, the allotment for capitation allowance which includes the contribution from Government as well may be taken as being available for raising the scale of salaries of trained teachers in elementary schools who alone are eligible for capitation allowance.

6. I request that the Accountant-General may be instructed to deduct from the amounts now proposed as subsidy for the Cannanore and Tellicherry Municipalities the sums of Rs. 4,809 and Rs. 5,005 respectively sanctioned by me as advance for the current year under paragraph 3 of G.O. No. 928, Home (Education), dated 12th July 1918.

Order—No. 1117, Home (Education), dated 16th September 1919.

The Government sanction the distribution of a total subsidy of Rs. 27,15,199 among local bodies during the current year for the following objects as shown in the annexure to these proceedings:—

NOTES CONNECTED WITH G.O. No. 1117, HOME (EDUCATION), DATED 16TH SEPTEMBER 1919.

[SUBJECT.—Distribution of subsidies to local bodies for 1919-20 on account of education.]

From the Director of Public Instruction, C. No. 6352, dated 9th July 1919.

The proposals now submitted by the Director of Public Instruction follow generally the contribution for 1918-19 as modified with reference to the individual orders issued thereafter and orders on the budget estimates of certain local bodies. The statement has been checked and the following points are noticed:—

(i) The subsidies payable to the Trichinopoly and Salem District Boards on account of elementary education as per G.O. No. 994, Home (Education), dated 30th July 1918, are as follows:—

	Trichinopoly.	Salem.
Rs.	Rs.	Rs.
(1) Usual contribution	30,000	30,000
(2) Maintenance of elementary schools opened from 1911-12 to 1917-18	29,859	23,300
(3) Additional teaching establishment in elementary schools	12,904	12,056
(4) Enhancement of pay of teachers from Rs. 8 to Rs. 10	6,525	5,780
(5) Extra capitation allowance	7,230	10,331
(6) Compensation for loss of fee income	1,440	390
Total	57,958	81,857

In the statement enclosed to the letter of the President, District Board, Trichinopoly, dated 7th March 1919, a sum of Rs. 7,321 out of the total subsidy of Rs. 57,958 is shown as the subsidy on account of the schools in the Namakkal taluk. As this taluk has since been transferred to Salem district, the subsidy payable to Trichinopoly District Board is Rs. 50,637 (57,958-7,321) and that payable to the Salem District Board is Rs. 89,178. If, to these amounts, the subsidies payable on account of schools opened in 1918-19 are added, the totals will be as shown below:—

	Trichinopoly.	Salem.
Rs.	Rs.	Rs.
Amounts noted above	50,637	89,178
Maintenance of schools opened in 1918-19	13,404	21,161
Additional teaching staff sanctioned in 1918-19	4,704	4,608
Total	68,805	1,14,947
Add subsidy for sessional schools	2,500	1,580
Total	71,305	1,16,527

From the subsidy payable to the Trichinopoly District Board, the Director of Public Instruction deducts a sum of Rs. 300, being the cost of staff sanctioned for two elementary schools which have since been converted into middle schools (please see the last paragraph of the Director of Public Instruction's endorsement on page 6 of G.O. No. 424 L., dated 23rd March 1919). The net amount payable to that Board is therefore Rs. 71,005 and that to the Salem District Board is Rs. 1,16,527. The Director of Public Instruction's figures according to the present statement are, however, Rupees 70,346 and Rs. 1,17,186. It is not clear how these figures have been arrived at.

(ii) Under the head "usual contribution", a sum of Rs. 100 has in the last two years been paid to the Palghat Municipal Council for reimbursement of duty on alcohol purchased for the Victoria College (cf. item 48, page 6 of G.O. No. 994, dated 30th July 1918). This amount is repeated in the current year's statement also. As the college has now been taken over by Government, this may be omitted.

2. The file may be sent to the Director of Public Instruction for remarks with reference to paragraph 1 (i) above.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION.

[U.O. No. 295, dated 20th August 1919.]

The amounts recommended were made up as follows:—

	Trichinopoly. Rs.	Salem. Rs.
I. G.O. No. 994, Home (Education, dated 30th July 1918)	57,958	81,857
II. Subsidy to be transferred on account of Namakkal schools under—		
(a) maintenance	7,321	7,321
(b) minimum pay	660	660
	49,977	89,838
III. Add subsidy for—		
(a) maintenance of schools opened in 1918-1919	13,464	21,161
(b) Additional teaching staff sanctioned in 1918-19	4,704	4,608
(c) Seasonal schools	2,500	1,580
Total	70,645	1,17,187
IV. Deduct excess subsidy on account of the Musiri elementary school	300	...
Net amount recommended	70,345	1,17,187

The sum of Rs. 660 under II (b) will however have to be left out of account as it has been included in the sum of Rs. 9,450 sanctioned in G.O. No. 659, Home (Education), dated 29th May 1919, to the Salem Board. The actual sum to be left out of account in the above is Rs. 659 since my office rounded Rs. 659 into Rs. 660. The figures given by the Secretariat are thus correct.

HOME (EDUCATION) DEPARTMENT.

The necessary corrections have been made in the statements with reference to the above note. The statement below compares the amounts now proposed for distribution for the various objects with those paid last year and the allotments made for the purpose in the budget:—

* This includes a sum of Rs. 7,000 for revision of establishment in the schools under the Polavaram Taluk Board. The grant was afterwards refused.

† This includes the cost of equipment and the cost of maintenance for one month in 1918-19.

‡ This includes Rs. 12,000 for night schools.

§ The reduction is due to the conversion of the Board Seasonal School for Women at Nellore into a Government Training School for Women and the consequent saving of a sum of Rs. 3,400 in the subsidy payable to the Board, and the withdrawal of a subsidy of Rs. 1,500 from the amount payable on account of the Hindustani Seasonal school, Trichinopoly.

2. It will be seen from the above statement that against a total budget provision of Rs. 27-40 lakhs, the present proposals cover 27-15 lakhs. The savings under municipalities is mainly due to the fact that the subsidies payable to certain municipal councils have been reduced by the expenditure incurred by them on grants-in-aid to private schools, which is hereafter proposed to be met directly from Provincial funds. The savings under local boards are explained in the foot-notes to the statement above. These savings will be required to meet the applications that are being received from local bodies for additional subsidies.

3. The Director of Public Instruction does not now propose to distribute the subsidies payable on account of secondary schools. He states that he has called for a statement of receipts and charges of these schools for the last three years and that he will address Government separately on the subject.

4. A draft order approving the present proposals is submitted for approval. It may be sent to the Local and Municipal and Financial Departments for acceptance.

HOME (EDUCATION) DEPARTMENT G.O. No. 1117, 16th September 1919

Subsidy

Sanctioning the distribution of a — of Rs. 27,15,299 among local bodies.

READ—the following paper:—

Letter—from the Hon'ble Mr. R. LITTLEHAILES, M.A., Acting Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—Madras, the 9th July 1919.

No.—C. 6252.

I have the honour to propose the distribution among local bodies on account of education of subsidies amounting to Rs. 27,15,299 for the current year according to the annexed statement.

Government have not yet passed orders on the Director's proposals for the simplification of the system of payment of subsidies to local bodies as contained in his letter to Government C. No. 3410, dated 10th April 1919, and as delay in the distribution of several subsidies might lead to a dislocation of the Provincial budget which is soon due to the Accountant-General, it is proposed to distribute them in the usual manner.

2. The charge can be met from the provision of Rs. 30,29,200 made for recurring expenditure under "22-E. Education—Government Schools, General—(iii) Payment in support of local bodies" in the budget estimates for 1919-20.

3. The amount proposed for each district board or municipality is the same as that for which credit has been allowed in its budget estimate for the current year as approved by Government except in the case of the Salem Municipality. Pending the receipt of the orders of Government on the budget estimate of this municipality, the subsidy recommended for it has been based on the credit proposed by the Director in his endorsement to Government, Local and Municipal Department, R.C. No. 1619-3/18, dated 14th February 1919. I have also taken into account the subsidy payable under G.O. No. 74, Home (Education), dated 20th January 1919, in the case of all local bodies.

4. No subsidy has been proposed on account of collegiate and secondary education as I intend, agreeably to my remarks on the budget estimates of certain local bodies, examining the financial position of each institution and determining the amount of provincial contribution actually required. To this end, I have already asked the local bodies concerned for a statement of receipts and charges for the last three years and on receipt of their replies I shall address Government separately on the subject.

5. Column 9 of the annexure mentioned in paragraph 1 includes the subsidies required for the payment of extra capitation allowance. As some of the replies to my circular letter to local bodies regarding the date of abolition of the payment of capitation allowance as contemplated in G.O. No. 112, Home (Education), dated 25th January 1919, and other kindred matters are still due, and as it is not possible at this stage to state whether the system can be abolished with financial effect from 1st April 1919, I propose to include the subsidy required for this purpose also in the general distribution. I may add that provision for capitation allowance has been made in the budget estimate of the several local bodies and if it is decided that effect can be given to the orders of Government during the current year, the allotment for capitation allowance which includes the contribution from Government as well may be taken as being available for raising the scale of salaries of trained teachers in elementary schools who alone are eligible for capitation allowance.

6. I request that the Accountant-General may be instructed to deduct from the amounts now proposed as subsidy for the Cannanore and Tellicherry Municipalities the sums of Rs. 4,809 and Rs. 5,005 respectively sanctioned by me as advance for the current year under paragraph 3 of G.O. No. 928, Home (Education), dated 12th July 1918.

Order—No. 1117, Home (Education), dated 16th September 1919.

The Government sanction the distribution of a total subsidy of Rs. 27,15,199 among local bodies during the current year for the following objects as shown in the annexure to these proceedings:—

	Local Boards.		Municipalities.		Total.

2. The expenditure will be met from the provision of Rs. 41,00,200 in the Civil Budget Estimate for the current year under the head 22-E. Education—Government Schools, General—Payment in support of Municipal and Local Board Schools."

NOTES CONNECTED WITH G.O. No. 1117, HOME (EDUCATION) DEPARTMENT.
 16TH SEPTEMBER 1919.

[SUBJECT—Distribution of subsidies to local bodies for 1919-20 on account of education.]

From the Director of Public Instruction, C. No. 6252, dated 9th July 1919.

The proposals now submitted by the Director of Public Instruction follow generally the orders on the budget estimates of certain local bodies. The statement has been checked and the following points are noticed:—
 (i) The subsidies payable to the Trichinopoly and Salem District Boards on account of elementary education as per G.O. No. 994, Home (Education), dated 30th July 1918, are as follows:—

	Trichinopoly.	Salem.
(1) Usual contribution	Rs. 30,000	Rs. 30,000
(2) Maintenance of elementary schools opened from 1911-12 to 1917-18	29,859	23,300
(3) Additional teaching establishment in elementary schools	12,004	12,056
(4) Enhancement of pay of teachers from Rs. 8 to Rs. 10	6,525	5,780
(5) Extra capitation allowances	7,230	10,331
(6) Compensation for loss of income	1,440	390
Total	57,958	81,857

In the statement enclosed to the letter of the President, District Board, Trichinopoly, dated 7th March 1919, a sum of Rs. 7,321 out of the total subsidy of Rs. 57,958 is shown as the subsidy on account of the schools in the Namakkal taluk. As this taluk has since been transferred to Salem district, the subsidy payable to Trichinopoly District Board is Rs. 50,637 (57,958-7,321) and that payable to the Salem District Board is Rs. 89,178. If, to these amounts, the subsidies payable on account of schools opened in 1918-19 are added, the totals will be as shown below:—

	Trichinopoly.	Salem.
Amounts noted above	Rs. 50,637	Rs. 89,178
Maintenance of schools opened in 1918-19	13,404	21,161
Additional teaching staff sanctioned in 1918-19	4,704	4,608
Add subsidy for sessional schools	68,805	1,14,947
Total	71,305	1,16,527

From the subsidy payable to the Trichinopoly District Board, the Director of Public Instruction deducts a sum of Rs. 300, being the cost of staff sanctioned for two elementary schools which have since been converted into middle schools (please see the last paragraph of the Director of Public Instruction's endorsement on page 6 of G.O. No. 424 L, dated 28th March 1919). The net amount payable to that Board is therefore Rs. 71,005 and that to the Salem District Board is Rs. 1,16,527. The Director of Public Instruction's figures according to the present statement are, however, Rupees 70,346 and Rs. 1,17,186. It is not clear how these figures have been arrived at.

(ii) Under the head "usual contribution" a sum of Rs. 100 has in the last two years been paid to the Palghat Municipal Council for reimbursement of duty on alcohol purchased for the Victoria College (cf. item 48, page 6 of G.O. No. 994, dated 30th July 1918). This amount is repeated in the current year's statement also. As the college has now been taken over by Government, this may be omitted.

2. The file may be sent to the Director of Public Instruction for remarks with reference to paragraph 1 (i) above.

Trichinopoly District Board	30,000	29,859	12,004	6,525	7,230	1,440	57,958
Salem District Board	30,000	23,300	12,056	5,780	10,331	390	81,857

Total	67,421	53,159	24,060	12,305	17,561	1,830	1,76,536

[U.O. No. 295, dated 20th August 1919.]

The amounts recommended were made up as follows:—

	Trichinopoly. Rs.	Salem. Rs.
I. G.O. No. 994, Home (Education), dated 30th July 1918	57,958	81,857
II. Subsidy to be transferred on account of Namakkal schools under—		
(a) maintenance	7,321	7,321
(b) minimum pay	660	660
	49,977	89,838
III. Add subsidy for—		
(a) maintenance of schools opened in 1918-1919	13,464	21,161
(b) Additional teaching staff sanctioned in 1918-19	4,704	4,608
(c) Sessional schools	2,500	1,580
Total	70,645	1,17,187
IV. Deduct excess subsidy on account of the Musiri elementary school	300	...
Net amount recommended	70,345	1,17,187

The sum of Rs. 660 under II (b) will however have to be left out of account as it has been included in the sum of Rs. 9,459 sanctioned in G.O. No. 659, Home (Education), dated 29th May 1919, to the Salem Board. The actual sum to be left out of account in the above is Rs. 659 since my office rounded Rs. 659 into Rs. 660. The figures given by the Secretariat are thus correct.

R. LITTLEHAILES—19-8-19.

* This includes a sum of Rs. 7,000 for revision of establishment in the schools under the Polavaram Taluk Board. The grant was afterwards refused.

† This includes the cost of equipment and the cost of maintenance for one month in 1918-19.

‡ This includes Rs. 12,000 for night schools.

§ The retention is due to the conversion of the Board Sessional School for Women at Nallore into a Government Training School for Women and the consequent saving of a sum of Rs. 3,400 in the subsidy payable to the Board, and the withdrawal of a subsidy of Rs. 1,300 from the amount payable on account of the Hindustani Sessional school, Trichinopoly.

2. It will be seen from the above statement that against a total budget provision of Rs. 27.40 lakhs, the present proposals cover 27.15 lakhs. The savings under municipalities is mainly due to the fact that the subsidies payable to certain municipal councils have been reduced by the expenditure incurred by them on grants-in-aid to private schools, which is hereafter proposed to be met directly from Provincial funds. The savings under local boards are explained in the foot-notes to the statement above. These savings will be required to meet the applications that are being received from local bodies for additional subsidies.

3. The Director of Public Instruction does not now propose to distribute the subsidies payable on account of secondary schools. He states that he has called for a statement of receipts and charges of these schools for the last three years and that he will address Government separately on the subject.

4. A draft order approving the present proposals is submitted for approval. It may be sent to the Local and Municipal and Financial Departments for acceptance.
