Sir,

The Inspector of European and Training Schools reports that the opening of a hostel in connection with the Government Training School, Vizagapatam, is a necessity as the town is frequently visited by plague and that he has for the purpose selected a house for a rental of Rs. 125/- per mensem. There were on the 31st March 1919, 59 students of the Higher Elementary grade and 71 of the Lower Elementary grade in the school and it is stated that the house can accommodate the

the Model School which is attached to the training school, as well as the hostel. The building in which the model school was located was handed over to the Engineering School and the model school has therefore to be accommodated in a rented building. The Executive Engineer, Vizagapatam Division, has certified that the rent of Rs.125/- per mensem demanded for the building selected for the location of the hostel and model school is reasonable. In these circumstances I have the honour to request that Government will be pleased to sanction the incurring of a rent charge of Rs.125/- per mensem from 1st July 1919.

2. The expenditure involved by the above proposal and the cost of vessels and furniture amounting to Rs.1,019/- which will be sanctioned by me on receipt of orders on this communication, can be met by re-appropriation.

I have the honour to be,

Sir,

Your most obedient servant,

For Director of Public Instruction.
