From (Name) The Hon'ble Mr. B. Littlehales, M.A.,
(Designation) Ag. Director of Public Instruction,
Madras.
To The Secretary to the Government of Madras,
LOCAL AND MUNICIPAL Department.

Sir,

With reference to the enclosed correspondence from the Chairman, Municipal Council, Anakapallee, I have the honour to recommend the payment to the Municipality of a subsidy of Rs. 3,924/- in addition to Rs. 5,000/- sanctioned in G.O. No. 1284 Home (Education) dated 10th October 1917 towards the cost of the Municipal High School building in view of the rise in ^{the} prices of materials and of the fact that the larger portion of the expenditure has been borne by Municipal funds. The charge may be met from the provision of Rs. 2,50,000 under "22 B. Education--Government Schools--General, Grants to local

bodies for Secondary School Buildings." in the current year's budget.

2. I consider that the Council should meet the cost of repairs from their own funds.

3. As regards the expenditure of Rs. 2,000 for re-modelling the police huts to make them suitable for a hostel I recommend a subsidy of Rs. 1,000/- the amount being met from the current year's budget provision for hostels under 22 G. Education.

I have the honour to be,

From (Name) M. R. R. K. Ramadas Pantulu garu
(Designation) Chairman, Municipal Council

To The Secretary to the Government of Madras,
Local and Municipal Department.
(Through the Director of Public Instruction - Madras.)

Sir,

(I) With reference to para 3 of Government Order No. 390 M. M. S. dated the 10th March 1918 I have the honor to represent that the Municipal Council has constructed a pucca building for the Municipal High School according to the Plans and Estimates sanctioned by the Superintending Engineer, Vizagapatam, at an aggregate cost of Rs 26,670-0-0 of which a balance is still to be paid to the Contractor.

The Government were pleased in this connection to sanction a building grant of Rs 5,000 vide Government order No. 1284 Home Educational dated 10th October 1917. Besides, there are repairs urgently needed to the old buildings of the High School to the extent of Rs 3,000/-, but deferred for want of funds. The Council now finds itself unable to meet these charges and respectfully requests the Government to sanction a grant amounting to a moiety of the total charges or Rs 15,000/- in round number minus the amount of Rs 5,000/- already granted.

Copy of Director's letter R.C. No. 3040/19, dated 29th April 1919, to the Chairman, Municipal Council, Anakapalle.

With reference to your letter No. 847/18 dated 25/26th March 1919 addressed to the Secretary to Government, Local and Municipal Department through me, I have the honour to invite your attention to your letter R.C. No. 71/17 dated 11--9--17 in which the cost of extensions to the Municipal High School building was estimated at Rs. 23,210 and in pointing out the ways and means for meeting this expenditure you applied for a subsidy of Rs. 5,000/- only from provincial funds. This was accordingly sanctioned in G.O. No. 1284 Home (Education) dated 10--10--17. In your letter R.C. No. 575 Q1. dated 10/12--11--18 it was stated that a sum of Rs. 24,721 had been spent on extensions and improvements and your present letter puts their aggregate cost at Rs. 26,670. Thus there are three different statements regarding the cost of the new building. The excess cost of the latest revised estimate over that of the original is however Rs. 3,460/- only (26,670 minus 23,210) and the cost of repairs Rs. 3,000/- so that a sum of Rs. 6,460 would cover both these items. Under these circumstances it is requested that you will be so good as to state for the information of Government why you have now applied for an additional subsidy of Rs. 10,000.

Details for the expenditure of Rs. 3,000 on account of repairs may also be furnished.

 have given in all Rs. 11,924 (Rs. 5000

 is much below the half of the total

 circumstances of the case seem exceptional
 and though the Council generally spends
 comparatively less annually on education
 and the cost of repairs to buildings is
 ordinarily borne by the Council
 from its own funds, we may agree
 to pay the amount asked for (Rs. 6924)
 in view of the present financial condition
 of the Council & the fact of its having borne
 a fair share of the cost of the Extension.
 As regards the adapting of the
 police buildings as a hostel, the
 same reasons hold good here also.

we have been generally more liberal
in respect of hostel scheme than in
regard to ordinary school building

be useless, without the improvements
proposed, for the purpose in view. Ap-
parently they are ~~used~~ lent to the
Council house as a hotel. The Council
cannot find the funds. Even if the two proposals
are taken together, the Govt. would not
be paying more than half, should the
present request be granted in its entirety.

In order to prevent the creation of an inconvenient precedent by giving a subsidy towards repairs to buildings, the D.P. & suggests a grant of Rs 7,924 for item (a) and Rs 1,000 for item (c) & the Home (Edn.) deptt recommend this.

2. The L+M deptt point out that the finances of the Municipal Council does not permit of this expenditure. Taking item (a) alone, a half-grant on this amounts to Rs 13,335, but the Govt. have given a grant of Rs 5,000 only. There seems to be no objection to accepting a further grant of Rs 7,924.

As regards item (c), the Govt. having alienated the Police lines and grounds free of charge, the Municipal Council cannot, it is submitted, expect a further grant for the hostel.

3. It is for consideration whether a grant of Rs 7,924 may be accepted for item (a). As regards funds, the

I remember to have seen some papers regarding grants for recurring charges on hostels.

Mysore has recently agreed to give 50 per cent.

R.R.R. 25-8-19.

In G.O. No. 1197, Home (Education), dated 17-9-17 Govt. have sanctioned the payment to the management, of a grant not exceeding one-half of the net expenditure incurred on the rent of the hostel building after deducting the amount payable by the students residing therein. No grant is admissible towards maintenance charges.

2. An extract from the "Madras Mail," dated 22-8-19 regarding hostels in the Mysore State is submitted. The help which the Mysore Govt. have agreed to offer in respect of hostels is:-

- (i) to pay one-third of the rent where the hostel is located in a rented building as well as one-third of the cost of equipment in the case of aided schools;
- (ii) in the case of Govt. hostels, to meet the full cost of equipment as well as of supervision.
- (iii) to defray an expenditure to the extent of Rs. 10 to Rs 30 per mensem according to the grade of the institution on the supervision of students in non-Govt. hostels.
- (iv) to defray for a period of 5 years, half the cost of the building constructed by pri

C.R. 28-8-19.

Are not "repairs" annual expenses? And then won't we become bound at least 50 per cent?

R.R.R. 28-8-19.

Submitted that in the case of 'aided' institutions managers are authorised to include in their financial statements the cost of ordinary repairs and upkeep to school buildings. It is not known whether repairs to hostel buildings are also included in the statement ^{under} ~~in~~ rule 50(2) of the Grant-in-Aid Code, - Grants are admissible towards the ~~cost of~~ carrying out of extensive alterations and repairs to buildings that have been newly purchased for school purposes.

2 In the present case, the hostel is attached to an institution which is under the management of a Municipal Council. The subsidy asked for is not for mere repairs, but for the adaptation ^{of} ~~for~~ the police huts to serve the purposes of a hostel. As such, the work should ~~not~~ be classed as 'original' work and there appears to be no objection to the grant of a subsidy of one-half of the estimated cost.

3 Local bodies are expected to keep their buildings in proper repair and no subsidy is ordinarily sanctioned from Provl. funds towards the cost of mere repairs.
